

CONSTRUCTION NOTICE

September 1, 2021

Project Description

Rula's Construction will begin curb removal and replacement on **W Chicago Ave (Garfield St to Stough St)**, on **Tuesday, September 7th**. The removal operations will require a partial street closure and may affect some driveway access. We urge residents to use alternate side streets for parking locations. Curb replacements are scheduled to be completed by **Friday, September 17th**, weather permitting.

Project Locations

- W. Chicago Ave (Garfield St to Stough St)

Impacts to Residents

The scheduled curb removal will take place from 7:00 AM to 5:00 PM. During this project activity, street parking will be prohibited. In order to avoid conflicts, please relocate your vehicles to an alternate location on **Monday night, September 6th. ONLY DRIVEWAYS/CURBS, THAT HAVE BEEN PAINTED WHITE AND WHERE THE PAVEMENT HAS BEEN SAW CUT, WILL BE AFFECTED BY THIS CONSTRUCTION ACTIVITY. Access to the street and driveways will be affected as the curbs are removed, prepared, and poured. The fresh concrete will need 4-5 days to cure before traffic will be allowed over the curbs.** Please use caution and plan accordingly. *Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.*

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services
