Impacts to Residents

All construction operations will take place from 7:00 AM to 5:00 PM. During the project activities, street parking will be prohibited. In order to avoid conflicts, please relocate your vehicles to an alternate side street on **Wednesday night, September 29th**. **Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution and plan accordingly. Maintain garbage and recycling routines.**

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

*** Liquid prime (FRESH OIL) will be sprayed onto the milled pavement in preparation for the binder paving. This application will be performed in the early morning to avoid traffic and tracking of the prime onto side streets and driveways.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services
