**RE: 2022 – Street Maintenance & Resurfacing Project**

## **CONSTRUCTION ACTIVITY NOTICE (Project Progress)**

**Activity Type: EMAIL ADDRESS REQUEST**

Dear Resident,

The Village is finalizing the construction plans and specifications for the **2022 – Street Maintenance & Resurfacing Project**. The scope of work may include utility improvements, street resurfacing, curb and gutter repairs, ADA sidewalk replacement, and parkway restoration. The project scope will vary from street to street (see attached sheet for list of streets). Future notices will be more specific with details and schedules.

In an effort to deliver prompt project updates, the Village is requesting that residents within the project limits provide an **email address** where progress information can be sent. These addresses will assist in delivering important information to specific areas related to **water main shutdowns, street closings, and property access**. The Village will provide a specific email address where residents can forward any questions or concerns related to the construction activities. Your information will be kept private. For residents that do not provide an email address, notices of **major** activities will be provided via regular mail and posted on the Village website.

Please forward your **name, street address, phone number, and email** information to [adiaz@villageofhinsdale.org](mailto:adiaz@villageofhinsdale.org) or call the Engineering Department at 630-789-7029, with any questions or concerns. Thank you for your cooperation.
