Project Information Notice

South Garfield St - Hinsdale Ave to 55th St

May 10, 2022

Project Description

The Village contractor, **J Nardulli Concrete INC**, has been awarded the **2022 – South Garfield St Pavement Reconstruction Project**. The scope of work includes: pavement resurfacing, pavement reconstruction, curb & gutter repairs, manhole adjustment, and ADA sidewalk ramp improvements. Construction activities will commence the week of May 2, 2022 and are expected to be completed by mid-October. The project schedule has been divided into four (4) phases, weather permitting:

- | | | |
|--|---|----------------|
| - Phase 1: 4 th St to 7 th St | (May 2 nd to June 25 th) | Reconstruction |
| - Phase 2: 1 st St to 4 th St | (June 26 th to August 13 th) | Reconstruction |
| - Phase 3: 7 th St to 55 th St | (August 14 th to September 10 th) | Reconstruction |
| - Phase 4: Hinsdale Ave to 1 st St | (September 11 th to October 16 th) | Resurfacing |

Local traffic (Garfield Residents) will be allowed to travel southbound only on Garfield St. Thru traffic will need to follow the posted detour route.

The public will have access to the lower level of the parking deck throughout the project. During Phase 2, access to the lower level of the parking deck will be changed from Garfield Street to Washington Street. The Garfield Street entrance to the lower level parking will be closed. The existing one-way alley north of the parking deck will be restriped for two-way traffic to allow access from Washington Street. Once Phase 2 is completed, access from Garfield Street will be re-established.

During each phase of the project, construction activities will take place from 7:00 AM to 5:00 PM (M-F). Parking on Garfield St will be prohibited. Access to the street, driveways, and parking will be affected by construction operations. Please use alternate side streets for detour and parking to avoid any conflicts with these activities. **Avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines. Please advise of any special deliveries or needs as soon as possible so that we may coordinate with our contractor.**

The Village's Police & Fire Departments are aware of the project parameters.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.
