RE: 2022 – Garfield St Pavement Reconstruction Project

CONSTRUCTION ACTIVITY NOTICE (Project Progress)

**Activity Type: Curb and Gutter, Sidewalk, & Pavement Concrete Pours
(7th St to 4th St)**

The Village's contractor, J Nardulli Concrete INC, will proceed with concrete pours on **Thursday, May 12, 2022** (weather permitting). The scope & sequence of work includes framing and pouring curb and gutter, followed by ADA sidewalk ramps and pavement.

The temporary stone ramps will be removed on May 11th, in preparation for the concrete pavement pour scheduled for **Monday, May 16th** (weather permitting). Driveway access will be restored on Friday, May 20th. Removal of the west side of Garfield St will begin on Monday, May 23rd.

Local residents within the activity area should expect traffic and access delays. In order to avoid conflicts, daily and overnight alternate parking will be available on the side streets. Daily work hours will be from 7AM to 4PM (M-F). Please maintain refuse and recycling routines. Advise guests, service providers, and deliveries of these access challenges, (US Mail and parcel deliveries should not be affected).

Please forward questions or concerns to adiaz@villageofhinsdale.org or call the Engineering Department at 630-789-7029. Thank you for your cooperation.

Parkway sprinkler systems will be affected by these improvements. Please coordinate with your sprinkler service to locate and mark ALL sprinkler heads. The contractor will take measures to protect and repair damaged systems.

Al Diaz
Assistant Village Engineer
Village of Hinsdale
