

# CONSTRUCTION NOTICE

May 13, 2022

## Project Description

M&J Asphalt will begin their street resurfacing improvements on the **2022 Maintenance Resurfacing Project** on **Tuesday, May 16, 2022 (weather permitting)**. The scope of work will involve limited curb and gutter repairs, pavement milling, pavement patching, and pavement resurfacing. These operations will require partial street closures and street parking will be prohibited. The contractor will mobilize equipment and materials throughout the site for the duration of the project. M&J Asphalt anticipates completing this work by **July 27, 2022 (weather permitting)**.

## Project Locations

### RESURFACING STREETS (April thru July) – in street order

1. **N Grant St** (Maple St to Chicago Ave)
2. **N Vine St** (Maple St to Walnut St)
3. **N Quincy St** (Stough St to Maple)
4. **N Bruner St** (Walnut St to Hickory St and North St south to joint)
5. **N Monroe St** (Ogden Ave south to joint)
6. **N Madison St** (Ogden Ave to Warren Terrace)
7. **Merrill Woods Rd** (Birchwood Ave to South End)
8. **N Oak St** (Minneola St to The Lane)
9. **S Clay St** (8<sup>th</sup> St to South End)

## Impacts to Residents & Businesses

Construction operations will take place from **7:00 AM to 5:00 PM (Monday – Friday)**. During the project activity, street parking along the project route will be prohibited. Partial street closures are to be expected, which may temporarily delay travel through the work zone. In order to avoid conflicts, residents may use alternate side streets for daily and overnight parking. **Access to all properties will be restored at the end of each day.** *For everyone's safety and to expedite the construction process, residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines. Residents with corner lots are requested to mark the locations of their sprinklers heads in order to limit damages during the sidewalk ramp repair operations. The contractor will be responsible for repairing sections they damaged.*

## Questions

Please contact John Lodewyck, Civil Engineer, at 630-789-7040 or by email at [jlodewyck@villageofhinsdale.org](mailto:jlodewyck@villageofhinsdale.org) with any questions or concerns. Thank you for your patience and cooperation.
