RE: 2022 – Garfield St Pavement Reconstruction Project – PHASE 2

CONSTRUCTION ACTIVITY NOTICE (Project Progress)

**Activity Type: Pavement, Sidewalk, & Curb and Gutter - Removal & Replacement
Garfield St (First St to Third St)**

The Village's contractor, **J Nardulli Concrete INC**, will continue with removal operations on **Wednesday, June 22, 2022** (weather permitting). The scope of work includes manhole adjustments, curb and gutter repairs, ADA sidewalk replacement, pavement removal, and pavement base preparation. Concrete pours for curb, sidewalk, and pavement will follow into the week of June 27th.

In this phase of the project, construction activities will concentrate on the block between 1st St and 3rd St (adjacent to Hinsdale Middle School). The street will be closed to ALL traffic during this phase, and is expected to be completed by July 25, 2022. Access to all driveways will be prohibited. Upon completion, access to all driveways will be restored.

Removal operations for Garfield St (3rd St to 4th St) will begin July 25th (weather permitting).

Residents should expect traffic and access delays. Local traffic will follow the posted detour in order to avoid conflicts with the construction activities. Daily and overnight alternate parking will be available at the parking deck (access from Washington St only). Daily work hours will be from 7AM to 4PM (M-F). Maintain refuse and recycling routines. Please notify guests, service providers, customers, and deliveries of these access challenges, (US Mail and parcel deliveries should not be affected).

Please forward any questions or concerns to adiaz@villageofhinsdale.org or call the Engineering Department at 630-789-7029. Thank you for your cooperation.

Al Diaz
Assistant Village Engineer, Village of Hinsdale
