RE: 2022 – Garfield St Pavement Reconstruction Project – PHASE 3

CONSTRUCTION ACTIVITY NOTICE (Project Progress)

**Activity Type: Pavement, Sidewalk, & Curb and Gutter - Removal & Replacement
Garfield St (55th St to 7th St)**

The Village's contractor, **J Nardulli Concrete INC**, will continue with removal operations on **Monday, July 11, 2022** (weather permitting). The scope of work includes manhole adjustments, curb and gutter repairs, ADA sidewalk replacement, pavement removal and stone base preparation. Removal operations will progress northward as southern blocks are completed. Concrete pours for curb, sidewalk, and pavement will follow into the week of July 25th.

In this phase of the project, construction activities will concentrate on the block between 55th St and 9th St (east side of the street). The street will be closed to ALL traffic during this phase, and is expected to be completed by the end of July. Driveway access will be restored by the end of each day with stone ramps.

Residents should expect traffic and access delays. Local & thru traffic will follow the posted detour in order to avoid conflicts with the construction activities. Daily and overnight alternate parking will be available on side streets. Daily work hours will be from 7AM to 5PM (M-F). Maintain refuse and recycling routines. Please notify guests, service providers, customers, and deliveries of these access challenges, (US Mail and parcel deliveries should not be affected).

Please forward any questions or concerns to adiaz@villageofhinsdale.org or call the Engineering Department at 630-789-7029. Thank you for your cooperation.

Al Diaz
Assistant Village Engineer, Village of Hinsdale
