**RE: 2022 – Garfield St Pavement Reconstruction Project – PHASE 3**

## **CONSTRUCTION ACTIVITY NOTICE (Project Progress)**

**Activity Type: Pavement, Sidewalk, & Curb and Gutter - Removal & Replacement  
Garfield St (8<sup>th</sup> St to 7<sup>th</sup> St) – EAST SIDE OF STREET**

The Village's contractor, **J Nardulli Concrete INC**, will continue pavement removal operations between 8<sup>th</sup> St and 7<sup>th</sup> St on **Thursday, July 21, 2022**. Concrete pours between 7<sup>th</sup> St and 8<sup>th</sup> St for curb, sidewalk, and pavement will follow on **Friday, July 22, 2022** and progress into the week of July 25<sup>th</sup> (weather permitting).

In this phase of the project, construction activities will concentrate on the block between 8<sup>th</sup> St and 7<sup>th</sup> St (east side of the street). The street will be closed to ALL traffic during this phase, and is expected to be completed by early August. Driveway access for the residents on the east side of Garfield St will be prohibited during this stage in the project. The fresh pavement will require 7-10 days to cure and gain strength. Driveway access will be restored on or about **August 3, 2022**.

Residents should expect traffic and access delays. Local & thru traffic will follow the posted detour in order to avoid conflicts with the construction activities. Daily and overnight alternate parking will be available on side streets. Daily work hours will be from 7AM to 5PM (M-F). Please maintain refuse and recycling routines and notify guests, service providers, and deliveries of these access challenges. US Mail and parcel deliveries should not be affected.

Please forward any questions or concerns to [adiaz@villageofhinsdale.org](mailto:adiaz@villageofhinsdale.org) or call the Engineering Department at 630-789-7029. Thank you for your cooperation.

Al Diaz  
Assistant Village Engineer, Village of Hinsdale
