RE: 2022 – Garfield St Pavement Reconstruction Project – PHASE 3

CONSTRUCTION ACTIVITY NOTICE (Project Progress)

**Activity Type: Pavement, Sidewalk, & Curb and Gutter - Removal & Replacement
Garfield St (55th St to 8th St) – WEST SIDE OF STREET**

The Village's contractor, **J Nardulli Concrete INC**, will continue their removal operations between 55th St and 8th St on **Monday, August 1, 2022**. Pavement removal operations between 55th St and 8th St will continue through Wednesday, August 3rd. Concrete pours between 55th St and 8th St for curb, sidewalk, and pavement will begin on **Friday, August 5, 2022** and progress into the week of August 8th.

In this phase of the project, construction activities will concentrate on the blocks between 55th St and 8th St (west side of the street). The street will be closed to ALL traffic during this phase, and is expected to be completed by early August. **Driveway access for residents on the west side of Garfield St will be prohibited during this stage of the project.** The fresh pavement will require 7 days to cure and gain strength. Driveway access will be restored on or about August 15th.

Residents should expect traffic and access delays. Local & thru traffic will follow the posted detour in order to avoid conflicts with the construction activities. Daily and overnight alternate parking will be available on side streets. Daily work hours will be from 7AM to 5PM (M-F). Please maintain refuse and recycling routines, and notify guests, service providers, and deliveries of these access challenges, (US Mail and parcel deliveries should not be affected).

Please forward any questions or concerns to adiaz@villageofhinsdale.org or call the Engineering Department at 630-789-7029. Thank you for your cooperation.

Al Diaz
Assistant Village Engineer, Village of Hinsdale
