RE: 2022 – Garfield St Pavement Reconstruction Project

CONSTRUCTION ACTIVITY NOTICE (Project Progress)

Activity Type: SPRINKLER REPAIRS

The Village's contractor, **J Nardulli Concrete INC**, has requested that residents check their sprinkler systems for damages or leaks. The contractor is responsible for making repairs to damages within the disturbed areas of the Garfield St Reconstruction Project. Be advised that NICOR disturbed areas on Garfield St, south of 7th St, and may be responsible for some of the repairs. Regardless of the responsible party, the Village asks that residents with damages forward the following information using the email listed below:

- Resident Name, Address, Contact Number, and Email
- A brief description of the location and scope of damages

The contractor will be scheduling repairs for next week. Please forward your information as soon as possible so that we may provide a complete list of locations needing attention. Areas affected by the NICOR project will be forwarded to NICOR for their attention.

Upon completion of the sprinkler repairs, final parkway restoration will be performed. Daily work hours will be from 7AM to 5PM (M-F). Please maintain refuse and recycling routines, and notify guests, service providers, and deliveries of these access challenges, (US Mail and parcel deliveries should not be affected).

Please forward any questions or concerns to adiaz@villageofhinsdale.org or call the Engineering Department at 630-789-7029. Thank you for your cooperation.

Al Diaz
Assistant Village Engineer, Village of Hinsdale
