**RE: 2023 Resurfacing Program**

## **CONSTRUCTION ACTIVITY NOTICE (Project Progress)**

**Activity Type: Project Information**

Dear Resident,

The Village is finalizing the construction contract for the **2023 Resurfacing Program**. The scope of work may include utility improvements, street resurfacing, pavement patching, curb and gutter repairs, ADA sidewalk replacement, and parkway restoration. The project scope will vary from street to street (see attached sheet for list of streets). Future notices will be more specific with details and schedules.

The Village will provide prompt project updates to residents within the project limits. These notices will provide progress information related to **potential water main shutdowns, street closings, and property access**. Notices of **major** activities will be posted on the Village website.

Please forward your questions and concerns to John Lodewyck at [jlodewyck@villageofhinsdale.org](mailto:jlodewyck@villageofhinsdale.org) or at 630-789-7040. Thank you for your patience and cooperation.
