**RE: ARPA Drainage (Charleston Rd & Grant St) Improvement Project**

## **CONSTRUCTION ACTIVITY NOTICE (Project Progress)**

**Activity Type: Pre-Construction Activity – S. Grant St at 6<sup>th</sup> St**

Dear Resident,

The Village has awarded the **2023 ARPA Drainage Project** to Swallow Construction at three locations on Grant Street and Charleston Road. The scope of work will include storm sewer construction, curb and gutter repairs, street patching, Charleston Road box culvert installation, and parkway restoration. The project details will vary from location to location.

The contractor will be performing some pre-construction activity at the intersection of Grant St and 6th St on **Thursday, June 29<sup>th</sup>**, to verify utility depths (weather permitting). The activity will be limited to the intersection, and flaggers will direct traffic through the work zone. The street is anticipated to remain open during their activity.

Swallow Construction anticipates starting construction on Grant St from 5th Street to 6th Street during the week of July 10th.
