RE: 2023 Resurfacing Program

CONSTRUCTION ACTIVITY NOTICE (Project Progress)

Activity Type: South Madison Street Patching (6th Street – 9th Street)

Dear Resident,

Curbs marked to be replaced have been saw cut and will be removed starting tomorrow (**6/28/23**). For those with curb and partial aprons being removed and replaced in front of driveways stone will be placed to allow access until the contractor is able to pour. Once poured you will lose access to your driveway for 5 days while the concrete cures.

We will notify and work with the Village Police department in regards to temporary parking. These locations will be provided 24 hours before driveway access is no longer available. Before the curbs are poured you will need to have any vehicles needed out of your driveway before 7 A.M. the day of.

The Village will provide prompt project updates to residents within the project limits. These notices will provide progress information related to **potential water main shutdowns, street closings, and property access**. Notices of **major** activities will be posted on the Village website.

Please forward your questions and concerns to John Lodewyck at jlodewyck@villageofhinsdale.org or at 630-789-7040. Thank you for your patience and cooperation.
