Dear Resident,

The Village has delayed the **ARPA Drainage Improvement Project** portion on **Charleston Road** until spring of 2024. The scope of work included storm sewer construction, curb and gutter repairs, pavement rehabilitation, box culvert installation, water main adjustments, and parkway restoration. The revised project schedule will be determined in early spring 2024.

Nicor's advance gas main relocation work at Charleston Road has not been completed, and this relocation work needs to be completed prior to the start of the Village project.
