**RE: 2023 Resurfacing Program**

## **CONSTRUCTION ACTIVITY NOTICE (Project Progress)**

**Activity Type: Street Grinding and Resurfacing**

Dear Resident,

Tomorrow, August 8, Schroeder Asphalt will be performing roadway surface grinding at several locations. Locations include the parking areas near the Post Office and Police/Fire Departments (EMS Parking Lot), Lincoln Street, Third Street, and Second Street. Schroeder Asphalt anticipates to start the grinding at the EMS Parking Lot tomorrow, August 8 (weather dependent). Schroeder Asphalt anticipates completion of all locations by August 9.

All vehicles must be out of the EMS Parking Lot before 7 AM tomorrow, August 8. Once grinding is completed, the EMS Parking Lot will be reopened to parking.

There are no parking signs posted along both sides of each location within the grinding limits. Access to driveways may be temporarily limited to complete the grinding.

The Village will provide prompt project updates to residents within the project limits. These notices will provide progress information related to **potential water main shutdowns, street closings, and property access**. Notices of **major** activities will be posted on the Village website.
