RE: 2024 Resurfacing Program

CONSTRUCTION ACTIVITY NOTICE (Project Start)

Activity Type: Bodin Street Repair

Dear Resident,

Starting Tuesday May 28th, the Village's contractor, Schroeder Asphalt Services (Schroeder), is scheduled to remove curb, sidewalk, and asphalt on the section of Bodin Street between 8th Street and 9th Street. Any resident with affected access must have any needed vehicles out of the driveway before 7 A.M. on May 28th. All work is weather and schedule dependent.

Temporary overnight parking for all locations will remain as posted on the Village website, and all work is weather and schedule dependent.

Once street resurfacing dates have been set, residents will be notified in advance.

The Village will provide prompt project updates to residents within the project limits. These notices will provide progress information related to **potential water main shutdowns, street closings, and property access**. Notices of **major** activities will be posted on the Village website.

Please forward your project questions, concerns, or sprinkler head information to John Lodewyck at jlodewyck@villageofhinsdale.org or at 630-789-7040. Thank you for your patience and cooperation with this improvement project.
