June 5<sup>th</sup>, 2024

**RE: 2024 Resurfacing Program**

## **CONSTRUCTION ACTIVITY NOTICE**

**Activity Type: Concrete Curb**

Dear Resident,

Due to the recent rains, the concrete work will now be starting on Friday, June 7<sup>th</sup>. The Village's contractor, Schroeder Asphalt Services (Schroeder), is scheduled to frame and pour the remaining sections of curb on Fifth Street and South Monroe Street. Any resident with affected access on Fifth Street or South Monroe Street must have any needed vehicles out of the driveway before 7 A.M. on Friday June 7<sup>th</sup>. Please expect to have no driveway access for 5 days while the new concrete cures. All work is weather and schedule dependent.

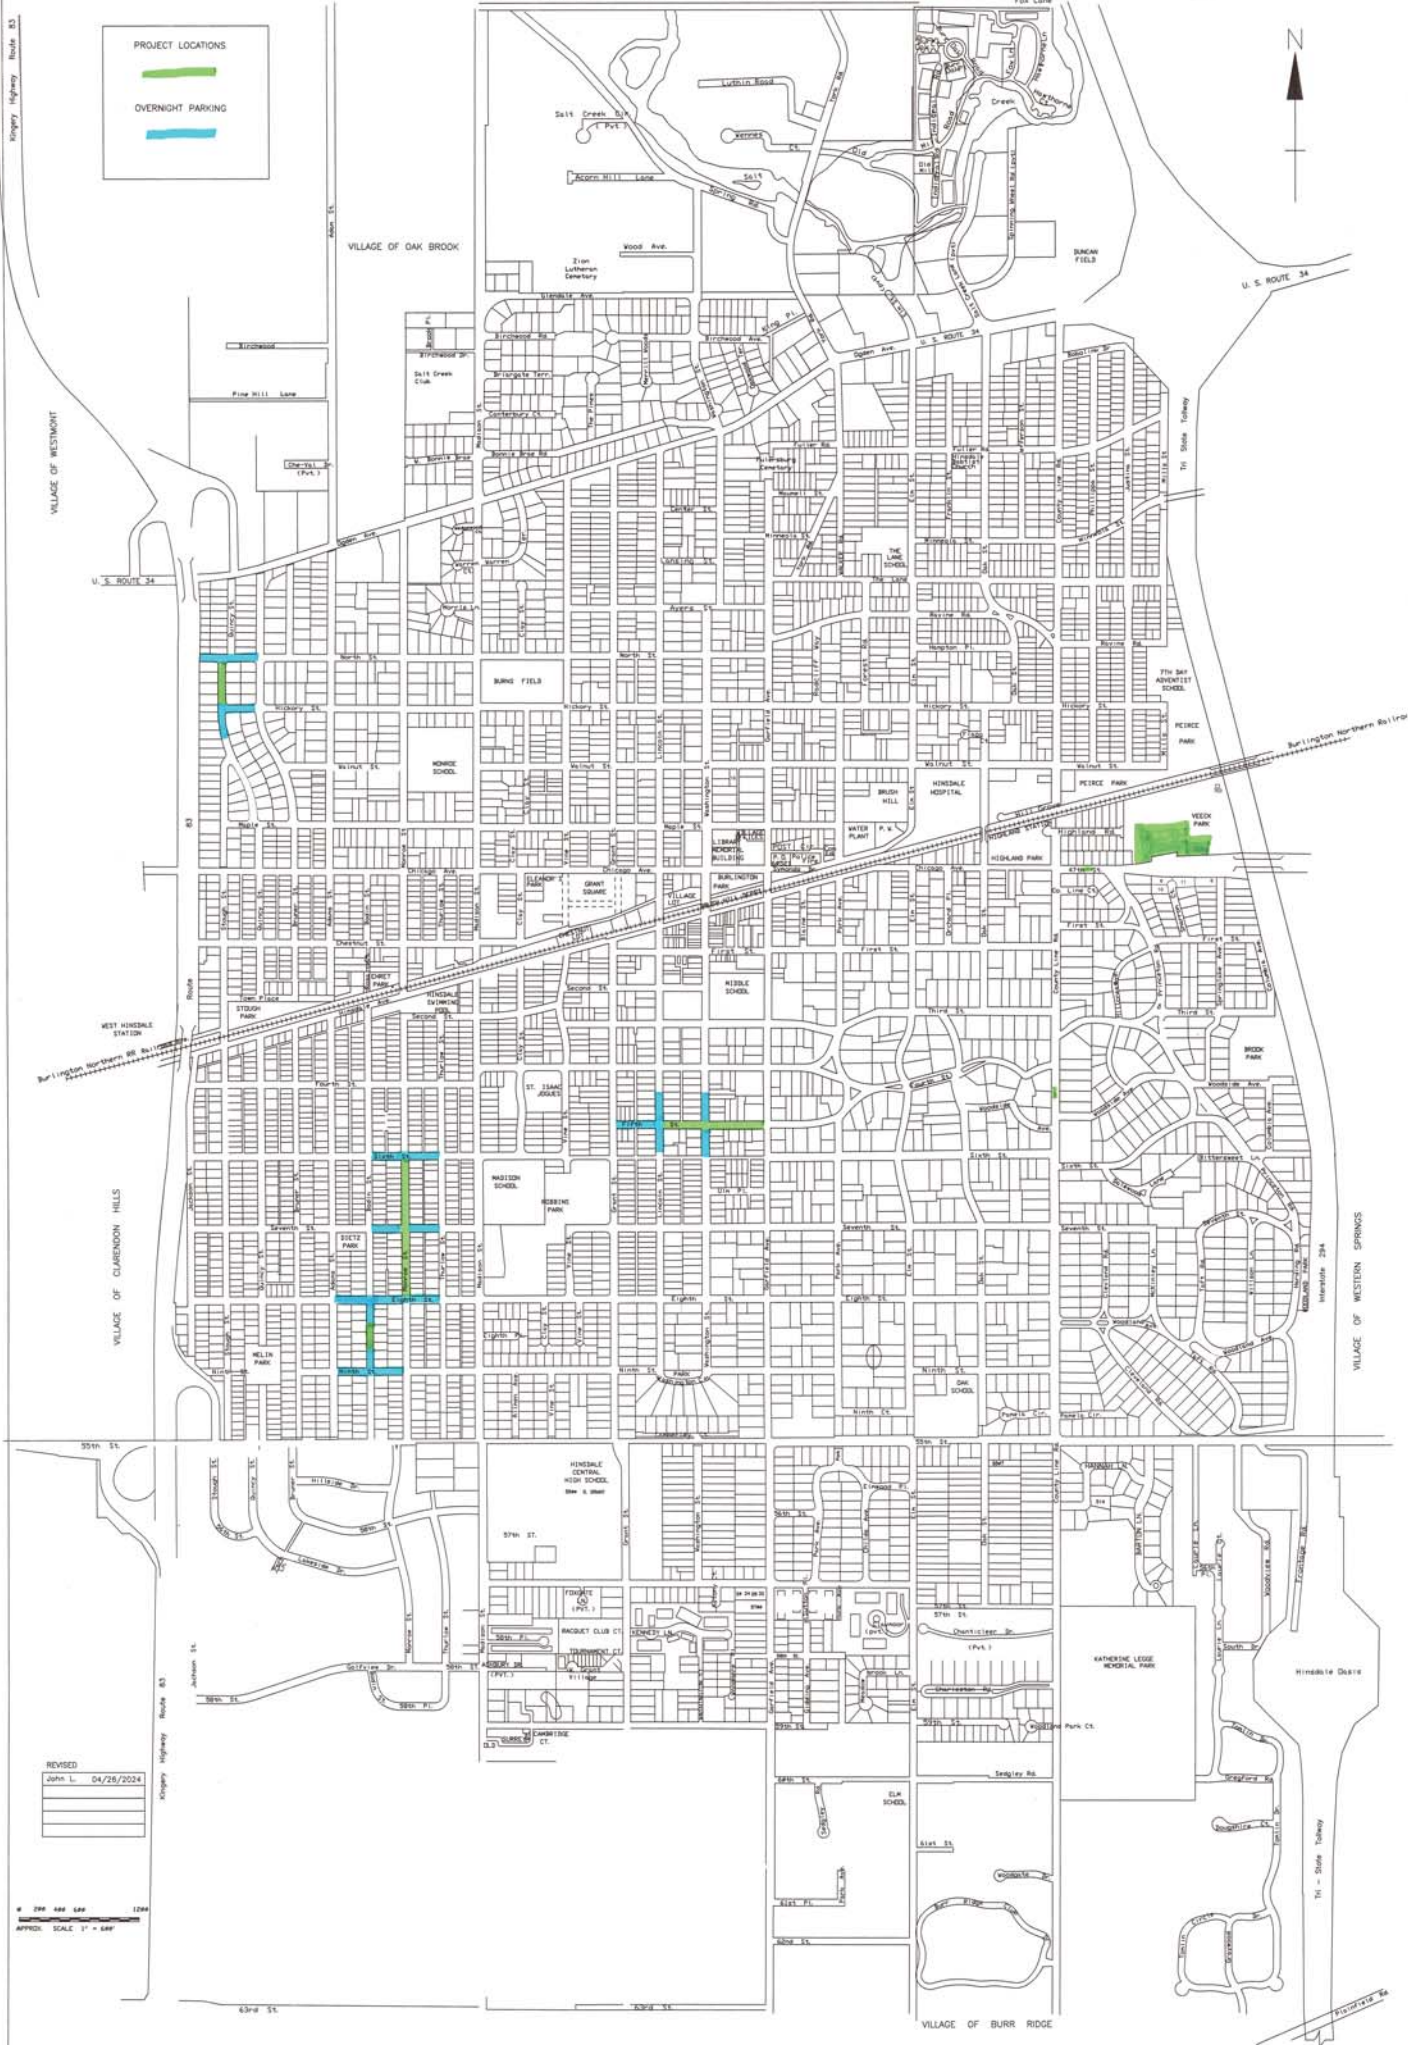

Temporary overnight parking for all locations is included in this notice and posted on the Village website. All work is weather and schedule dependent.

Once street resurfacing dates have been set, residents will be notified in advance.

The Village will provide prompt project updates to residents within the project limits. These notices will provide progress information related to **potential water main shutdowns, street closings, and property access**. Notices of **major** activities will be posted on the Village website.

Please forward your project questions, concerns, or sprinkler head information to John Lodewyck at [jlodewyck@villageofhinsdale.org](mailto:jlodewyck@villageofhinsdale.org) or at 630-789-7040. Thank you for your patience and cooperation with this improvement project.
