**RE: 2024 Resurfacing Program**

## **CONSTRUCTION ACTIVITY NOTICE (Project Progress)**

**Activity Type: Street Grinding and Resurfacing**

Dear Resident,

On Friday, June 14, Schroeder Asphalt (Schroeder) is scheduled to perform roadway surface grinding on South Monroe Street, Fifth Street, and North Quincy Street, along with individual patches on 47th Street and South County Line Road. Schroeder anticipates completion of all locations by the end of Friday, June 14, weather dependent.

Access to driveways may be temporarily limited to complete the grinding. The contractor will work with residents to access driveways as needed. There are no parking signs posted along both sides of each location within the grinding limits. Please utilize caution while navigating the work zone.

Schroeder is scheduled to complete additional street patching on Monday, June 17. Asphalt paving is scheduled on Tuesday, June 18, and Wednesday, June 19. Fresh oil signs will be displayed before paving operations. All work remains weather and schedule dependent.

The Village will provide prompt project updates to residents within the project limits. These notices will provide progress information related to **potential water main shutdowns, street closings, and property access**. Notices of **major** activities will be posted on the Village website.

Please forward your questions and concerns to John Lodewyck at [jlodewyck@villageofhinsdale.org](mailto:jlodewyck@villageofhinsdale.org) or at 630-789-7040. Thank you for your patience and cooperation.
