Finance Commission
Minutes of Meeting on February 25, 2010**

Members Present: Chairman Kane, Commissioners Posthuma, Waldo, Kushner, Hughes, and Elder, Aggarwal and Maali

Members Absent: Commissioner Savickas

Staff Present: David Cook, Village Manager, Darrell Langlois, Assistant Village Manager

Others Present: None

Meeting Called to Order at 7:31 pm.

Approval of Minutes

Chairman Kane asked for a motion to approve the minutes of the December 3, 2009 Finance Commission meeting. Commissioner Kushner motioned for the approval of the December 3, 2010 meeting. Commissioner Waldo seconded. Chairman Kane requested that the minutes be revised to specify the \$300,000 contingency amount recommended by the Commission. The motion passed unanimously.

Discussion Items

Review and Discussion of the January, 2010 Treasurer's Report

Mr. Langlois presented information from the January 2010 Treasurer's Report. He stated as a whole most figures were near budget expectations and should continue to be above these expectations until the end of the fiscal year. He touched on the current situation with late income tax payments from the state of Illinois and stated that the State was three months behind totaling approximately \$300,000. General discussion took place between the Finance Commission over these late payments and how this could affect the draft budget and cash flow.

Mr. Langlois continued to present information regarding the revenue and expenses of the Village compared to the previous year and forecasted figures until the end of the fiscal year as well as a summary of corporate fund line items, possible uses of the FY 2009-10 contingency fund, and the need to raise water rates to offset increasing costs and to pay for a debt service for the Veeck Park Wet Weather Treatment Facility. General discussion took place over historical Village water rates and the water fund and the breakdown of charges associated. Chairman Kane provided an overall summary and noted that sales, income, and food and beverage taxes have been trending positive while telecommunications tax and permit revenue have been decreasing. Mr. Cook noted that the sales tax collected on gasoline sales is the largest tax category that the Village receives and that due to rising prices this should have a positive impact on revenues. Chairman Kane suggested that the

Village plan conservatively for this year's upcoming budget. The Commission also reviewed how water fund revenue is utilized.

Discussion of Draft FY 2010-11 Budget

Mr. Cook provided an overview of the draft budget for 2010 and discussed certain details of the plan. He discussed revenue items, expenses, contingencies and the methodology used for a number of calculations. He also discussed alternatives for new sources of revenue and places where expenses have been reduced to help balance the budget such as wage freezes, layoffs, decreased legal expenses, and a number of other items and procedures. Mr. Cook also discussed grants that have been received from projects such as the Garfield road reconstruction and funds for projects at KLM Park as well as other grants that the Village will be able to take advantage of in the upcoming fiscal year. General discussion took place over the comparison of the previous year's budget to the draft budget, certain layoffs that might take place, and the unpredictability of forecasting the budget for the upcoming year.

Chairman Kane expressed concerns regarding the draft budget including the amount of reserves available and the need to increase reserves to a more suitable level. He questioned the contingency amount and also issued raised concerns over the state's late payment of income tax revenue to municipalities. General discussion took place between the Finance Commission over other issues that each Commissioner felt the Village should be concerned about. Mr. Cook addressed most of these concerns and indicated that of the amounts presented in the draft budget the one concern he had would be with permit revenue due to the uncertainty of construction during this upcoming year. He also noted the rising costs of funding pensions. Discussion continued over the amount that should be budgeted for legal costs because of the unpredictability that can be associated with this item, specifically if there is litigation. The Finance Commission also discussed the possibility of a referendum approved increase in the sales tax and how that would impact the budget.

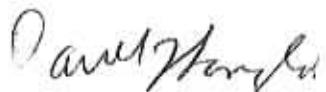

Overall the Finance Commission was in support of the Draft Budget. Although there was discussion and concern from some members regarding the amount to budget legal fees, the Commission agreed with the staff recommendation of \$250,000. It was the consensus of the Commission to recommend to the Village Board that the Contingency amount be increased from \$100,000 to \$300,000 and that this \$200,000 increase would be accomplished by reducing the amount transferred to the Infrastructure Fund by \$100,000 and a reduction of \$100,000 in departmental capital by accelerating projects to FY 2009-10.

VILLAGE OF HINSDALE
TREASURER'S REPORT

June 30, 2010

MEMORANDUM

Date: July 26, 2010

To: Chairman Geoga and ACA Committee Members

From: Darrell Langlois, Assistant Village Manager/Finance Director *DJL*

RE: June, 2010 Treasurer's Report

Attached is the June 2010 Treasurer's Report. This report covers the second month of the 2010-11 fiscal year (16.67% on a straight-line basis). Additional information on major revenues received thought the date of this report is also addressed in the narrative sections.

SIGNIFICANT BUDGET ITEMS

Sales Tax Receipts

- Base Sales Tax receipts for the months of June (March sales) and July (April sales) amounted to \$182,547 and \$178,858 as compared to prior year receipts of \$173,322 and \$167,017 respectively. This represents an increase of \$9,225 (5.3%) for June and an increase of \$11,841 (7.1%) for July. This marks the seventh consecutive monthly increase since posting an average monthly decline of 13% for the previous twelve months, and for the seven month period receipts in the aggregate have increased 7.22%. Year-to-date base sales tax receipts for the first three months of FY 2010-11 total \$538,667 as compared to \$491,083 for the same period last fiscal year, an increase of \$47,584 (9.7%). This variance is favorable when compared to budget as this revenue source was projected to be unchanged in the FY 2010-11 Budget. Total Sales Tax receipts (including local use taxes) for the three months of the fiscal year total \$592,340 as compared to \$545,854 for last fiscal year, an increase of \$46,486 (8.52%).

Income Tax Receipts

- Income Tax revenue for the months of June (May liability) and July (June liability) amounted to \$94,537 and \$132,861 as compared to prior year receipts of \$116,669 and \$127,007 respectively. This represents a decrease of \$22,132 (-19.0%) for June and an increase of \$5,854 (4.6%) for July. Although the July results are favorable, in the aggregate this revenue had declined by \$96,648 (13.2%) for the prior five months. Total Income Tax receipts for the first three months of FY 2010-11 total \$404,694 as compared to \$462,179 for last fiscal year, a decrease of \$57,485 (-12.44). This variance is unfavorable when compared to budget as a decrease of 5% was assumed in the FY 2010-11 Budget. In order to further illustrate the longer-term weakness in this revenue source, the three month total is \$176,230 or 30.3% below the comparable 2009 amounts.

Also with regards to income tax, there has been much discussion state-wide about the State of Illinois being behind on payments and this has had an impact on Hinsdale. Although the State has "vouchered" the income tax payments noted above (resulting in revenue recognition by the Village), the actual payments have lagged behind. During May the State once again did not make an income tax payment and is now five months behind with a total past due amount of \$634,577.

Food and Beverage Tax Receipts

- Food and Beverage tax revenue for June amounted to \$23,130 as compared to the prior year amount of \$20,359, an increase of \$2,771 (13.6%). Year to date, Food and Beverage taxes earned for the first two months of the year amount to \$43,396 as compared to the prior year amount of \$38,110, an increase of \$5,286 (13.9%). This variance is favorable when compared to budget as no increase was assumed in the FY 2010-11 Budget.

OTHER ITEMS

Investments

- As of June, 2010 the Village's available funds were invested in instruments ranging from six months to three years. The current IPTIP yield is 0.168% as compared to the current 90-day Treasury bill rate of 0.15%. The IMET Fund posted a return of 0.43% for the month (5.16% annualized), and the trailing 12-month IMET total return is 2.43%.

Variance Analysis-Corporate Fund:

The following is an analysis of the June 2010 Financial Report of the Village's Corporate Fund.

REVENUES:

- **Property Tax Distributions**— Approximately 90% of the Village's property tax base is located within DuPage County. Property tax collections through June amount to \$2,282,568 which approximately 41% of the Village's \$5.57 million tax levy.
- **State Distributions**—
 - **Sales Tax:** As previously mentioned, total year to date State Sales Tax receipts for FY 2010-11 are \$592,340 or (8.52%) above previous year sales tax receipts and are above budget.
 - **Income Tax:** Income Tax receipts for the first two months of FY 2010-11 amount to \$404,694, which was \$57,485 below the prior year and trending below budget.
- **Utility Taxes**— Combined Gas, Electric, Telecommunications, and Water Utility Taxes for June were \$166,087, which is \$18,811 or 13% above previous year's receipts. Year to date utility tax collections are \$323,116, which is \$14,264 above the prior year. Most of the monthly and year to date increase is due to higher receipts from the utility tax on water as a result of the 31% rate increase that took effect at the beginning of the fiscal year.

Variance Analysis-Corporate Fund (cont.)

REVENUES: (cont.)

- **Permits**— Building Permit revenues for June totaled \$105,244, which is \$18,154 or 15% below above the same period last year. Year to date permit revenue is \$188,459, which is \$14,522 or 7.15% below the prior year. Although these results are negative, permit revenue for July is expected to exceed \$400,000, due largely to fees associated with the Hinsdale Hospital expansion.
- **Fines**— Fines consist of Circuit Court fines received from the County, as well as citations issued by the Village. For June, total Police Department fines were \$37,863, which is \$3,343 or 9.7% above the same period last year. For the first two months of the year revenue from fines totals \$71,945, which is \$8,270 or 13.0% above 2009.
- **Service Fees-Park and Recreation Fees** totaled \$409,479 as compared to \$416,545 for the prior year, which is a decrease of \$7,066 or 1.7%. Lower enrollments in summer camps and the lacrosse programs are the primary causes, which will be somewhat offset by reductions on the expense side. Resident pool membership fees are essentially unchanged from the prior, which will likely result in a negative budget variance of approximately \$15,000 as an increase in the number of members was projected.

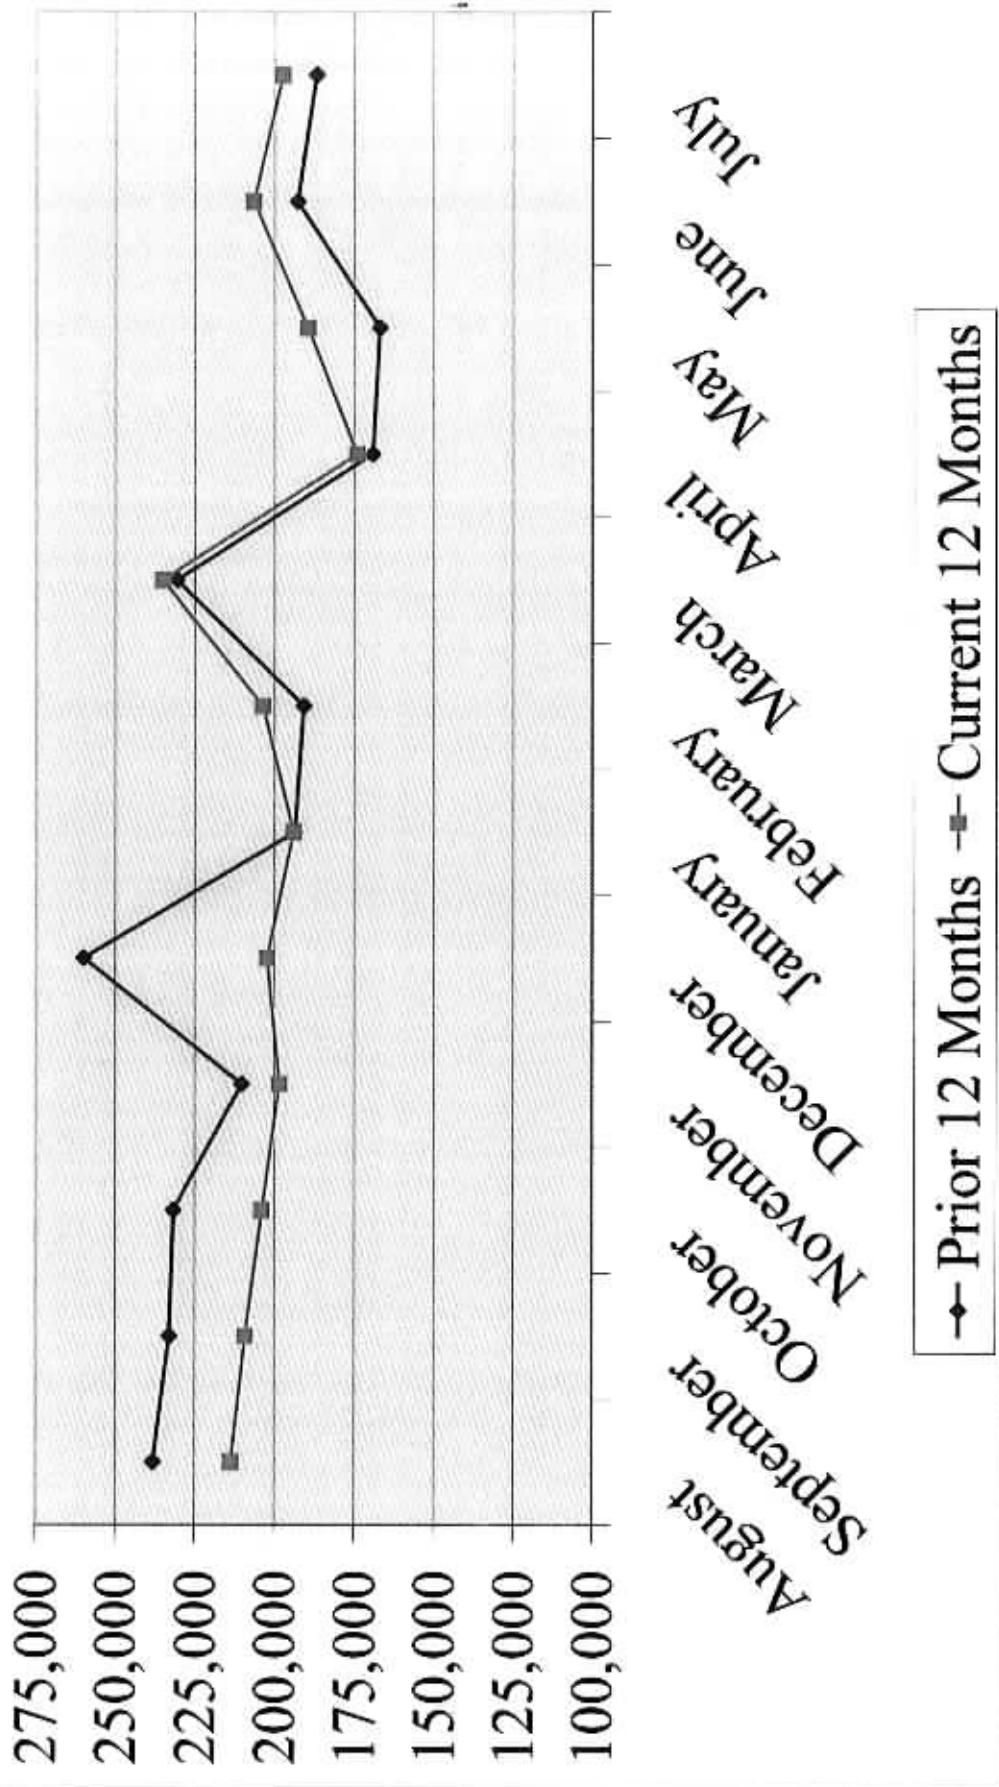

OPERATING EXPENDITURES:

As June is only the first second month of the fiscal year, most operating expenditures for all Departments are still well within budgetary expectations. Staff will continually monitor departmental expenditures, including overtime, and the Village Manager continues to stress the need for proper fiscal management by each department.

General overall items to note include:

- Total legal billings through June amount to \$29,183, which is tracking below budget for the two months of the year.
- Salary costs for some public safety programs are slightly above the year to date budget amount due to separation payments being made on some employees who terminated at the end of FY 2009-10. These variances are expected to level off as the year progresses.
- Overtime costs in the Corporate Fund total \$35,671 through June, which is \$2,055 below last year and \$53,669 below June 2009.
- As indicated on the Summary of Corporate Fund Expenses (Page 8), the year to date percent expended for Public Safety of 19.7% exceeds the straight line allocation of 16.67%. This variance is due largely to the cost of Police and Firefighters' Pension, which is recognized as property taxes are received (primarily June and September) and do not follow a straight line spending pattern.

MEMORANDUM

Date: July 26, 2010

To: Chairman Burridge and Finance Commission Members

From: Darrell Langlois, Assistant Village Manager/Finance Director

RE: Revenue/Expenditure Trend Analysis

At the request of Chairman Burridge, attached is an operating trend analysis for the revenues and expenditures of all governmental funds of the Village (excludes Water Fund and Pension Funds). Using 1996 as the "base year", I have calculated percentage changes and compound annual growth rates to Fiscal Year 2007 (before the recession), and then to FY 2010 and FY 2011 (to show changes made over the last two budget cycles). To facilitate additional analysis, changes in the Consumer Price Index and Full Time employee counts are also shown. As you would expect, changes in the cost of public safety, pensions, and employee insurance have increased well over the rate of inflation, which has resulted in revenue increases and expenditure reductions in other budget areas, including reductions in personnel.

MEMORANDUM

Date: July 23, 2010

To: Chairman Burridge and Finance Commission Members

From: Darrell Langlois, Assistant Village Manager/Finance Director

RE: Discussion of On-going Priorities

In order to assist in developing agendas for upcoming Finance Commission meetings, Chairman Burridge had requested that I survey the Commission members as to their views on the major financial-related issues facing the Village. The following is a summary of the responses, and where there is more than one response on a similar topic the number of commission members who mentioned this issue is indicated in brackets:

- Economic development issues and strategies in the Village's retail districts (4), with one member noting that this should be done in the context of the existing character of the Village
- Shared service initiatives with other municipalities (2)
- The upcoming sales tax referendum (the potential Commission role in this is likely limited to public education as indicated in the attached referendum guide)
- Financial strategies as revenues recover, including formulating appropriate spending priorities as well as maintaining and actually improving reserve levels (2)
- Controlling the cost of Village government in terms of the number of personnel, employee benefits, etc.
- Ensure the funding of mandatory obligations by recommending spending priorities
- Strive to keep taxes and fees as low as possible in order to create a pro-business environment
- Other potential areas to increase revenues
- Managing pension liabilities
- Outsourcing Village services
- Projecting capital expenditure requirements
- Funding of the Village's Infrastructure Master Plan

The topic most frequently cited by the Finance Commission members is economic development issues and strategies in the Village's retail districts. In order to have a Commission discussion on this topic, it would be my recommendation that we consider having Tim Scott, the Village's Community Development Strategist, come and make a presentation at the September 2, 2010 meeting to discuss the Village's current efforts in this area.

GUIDANCE FOR VILLAGE EMPLOYEES AND OFFICIALS ON REFERENDUM EXPENDITURES AND ACTIVITIES

Illinois law now prohibits employees and officials from conducting many specific referendum-related activities during compensated time, or from using village facilities to conduct them. Among these activities are:

- § Preparing for, organizing, or participating in any meeting, rally, demonstration, or other event to promote votes in favor of or against the referendum.
- § Soliciting contributions, including but not limited to purchasing, selling, distributing or receiving payment for tickets for any political event.
- § Soliciting, planning the solicitation of, or preparing any document or report regarding anything of value intended as a campaign contribution.
- § Planning, conducting, or participating in a public opinion poll in connection with the referendum campaign.
- § Surveying or gathering information from potential or actual voters in an election to determine probable vote outcome of the referendum or for or against the referendum.
- § Soliciting votes in support of or against the referendum question or helping in an effort to get voters to the polls.
- § Distributing, preparing for distribution, or mailing campaign literature, campaign signs, or other campaign material for or against the referendum.
- § Campaigning for or against any referendum question.

Violation of any of these provisions is punishable by a fine and/or a jail term of up to one year.

Another Illinois law provides (with key text underlined below),

No public funds shall be used to urge any elector to vote for or against any candidate or proposition, or be appropriated for political or campaign purposes to any candidate or political organization. This Section shall not prohibit the use of public funds for dissemination of factual information relative to any proposition appearing on an election ballot..The first time any person violates any provision of this Section, that person shall be guilty of a Class B misdemeanor. Upon the second or any subsequent violation of any provision of this Section, the person violating any provision of this Section shall be guilty of a Class A misdemeanor.

The law does not allow the village to “urge any elector to vote for” the referendum. This is considered ADVOCACY. However, the law allows the village to disseminate “factual information”. These activities are considered EDUCATION / INFORMATION.

* * *

What is the different between ADVOCACY and EDUCATION / INFORMATION?

ADVOCACY includes a direct appeal to someone to vote in favor of or against the referendum, including such language as "vote yes", "support", or "favor". It also includes campaigning for the referendum by describing the referendum in positive, "advertising"-type terms – for example, "good for our future", or "badly needed" – or by vividly describing dire consequences if the referendum does not pass. Advocacy also includes indirect appeals to someone to vote favorably, including information which is demonstrably "slanted" so as to encourage a favorable vote on the referendum question.

When engaging in advocacy activities, DO NOT:

- § Use village work time.
- § Use village facilities, including but not limited to furniture, rooms, office equipment, supplies, faxes, or telephones.
- § Use village computers, e-mail addresses, or the village website.

YOU MAY:

- § Engage in advocacy activities before work, after work, or on your breaks, off of village property.
- § If you are planning to e-mail from off-site, you should use your own personal e-mail account. You can set up a private, non-village account for free through a website such as www.hotmail.com.

As noted above, the law does allow the village to disseminate factual information regarding the referendum. This includes citing official statistics about sewer connections, costs, and the like. Avoid drawing opinionated conclusions such as that the village "must have" the new law.

To the extent that it is consistent with an employee's regular job responsibilities, he or she may use village facilities to disseminate factual information about the referendum proposition. However, this should be done carefully to avoid engaging in any activities listed on the first page of this memorandum.

Other common concerns

- § Asking vendors to contribute to the referendum campaign: recommend DON'T.
- § Staff members wearing advocacy buttons: recommend NOT ON VILLAGE TIME.
- § Board members may as individuals voice their opinions advocate regarding the referendum question to prospective voters in the community *BUT* not while on village property.
