MINUTES VILLAGE OF HINSDALE HISTORIC PRESERVATION COMMISSION

February 7, 2018 Memorial Hall – Memorial Building, 19 East Chicago Avenue, Hinsdale 6:30 P.M.

Chairman Bohnen called the meeting of the Historic Preservation Commission (HPC) to order at 6:30 p.m. on February 7, 2018, in Memorial Hall in the Memorial Building, 19 East Chicago Avenue, Hinsdale IL.

Present: Chairman Bohnen, Commissioner Gonzalez, Commissioner Prisby,

Commissioner Weinberger and Commissioner D'Arco

Absent: Commissioner Williams Also Present: Chan Yu, Village Planner

Minutes

Chairman Bohnen introduced the minutes from the January 10, 2018, meeting and asked for any questions. With no questions regarding the minutes, the HPC **unanimously approved, 5-0** (1 absent) the minutes from the January 10, 2018, meeting.

Chairman Bohnen asked for a motion to move the Public Hearing Agenda item (4) before item (3). The HPC unanimously approved, 5-0 (1 absent).

Public Hearing

Case HPC-01-2018 – 441 E. Third St. – Request for Certificate of Appropriateness for revisions to previously approved new home plans (HPC-04-2017) in the Robbins Park Historic District.

Mr. Pete Coules, representing Oakley Home Builders, presented to the HPC, and explained this request is back because the plans have changed after the HPC approved it in August, 2017. The only changes include shifting the driveway a minimal distance and a new roof style. While minimal, the applicant acknowledged it is nevertheless different than what the HPC initially approved.

With no concerns by the HPC, a motion to recommend **approval** of the application, as submitted, was **unanimously approved**, **5-0** (1 absent)

Please refer to Attachment 1, for the transcript for Public Hearing Case HPC-01-2018

Findings and Recommendations

Case HPC-10-2017 – 244 E. First Street - Request to withdraw the local landmark designation for the home in the Robbins Park Historic District.

Chairman Bohnen, recused himself for this agenda item, and Acting Chairman Gonzalez introduced the draft Findings and Recommendations. The Village Attorney, Lance Malina, summarized the language difference in the codified Title 14 Section, 14-4-1(E), and what was actually approved by the Board in 2014:

The originally proposed standard was: "The owner of the structure, building or site demonstrates that he or she is experiencing significant financial hardship of a nature that has, and will going forward, negatively impact the ability of the owner to adequately maintain the structure, building or site."

The correct standard as revised and approved by the BOT is: "The owner of the structure, building or site demonstrates that the landmark designation creates significant and continuing financial hardship."

It is the Village's opinion that the language difference has no effect on the draft Findings and Recommendations.

Mr. Malina also pointed out in paragraph 5, the addition in brackets, should be discussed if Commissioner William's comment should be included in the Findings. After review, the HPC agreed that it should be removed because the "sales price of a property" could be a financial hardship.

With no other revision requests by the HPC, a motion to recommend **approval** of the Findings and Recommendations, with the elimination of the bracketed sentence in paragraph 5, as discussed, was **unanimously approved**, 4-0 (1 absent and 1 abstention)

Signage in the Historic Downtown District

Case A-01-2018 – 24 Chicago Ave., unit B – FreezeFix – Wall Sign application in the Historic Downtown District.

Chan stated that the proposed wall sign is identical in dimension and material, as the Elysian Nail Spa wall sign, approved by the HPC last month for the same building at 24 Chicago Avenue, and clarified that this is the tenant space next door to it.

With no concerns by the HPC, a motion to recommend **approval** of the sign application, as submitted, was **unanimously approved**, **5-0** (1 absent)

Signage in the Historic Downtown District

Case A-02-2018 – 36 E. Hinsdale Ave. 2nd Floor – Hinsdale Garage (potential restaurant) – Non-compliant Neon-Illuminated Projecting Sign in the Historic Downtown District.

The applicant introduced his restaurant concept and the importance of the proposed sign. As part of his presentation, he showed other historical neon signage in the region, and showed photos of examples of non-historic "looking" signage in the downtown of Hinsdale.

The HPC agreed together, that illumination by neon is unacceptable. The proposed size of the sign was also too large. A Commissioner asked what is allowed by Code, and Chan replied 3 SF for a projecting sign, versus the proposed 33 SF sign. The proposed height of the sign was also an issue for the HPC. However, the primary concerns were the neon illumination and the large sign size of the request.

A motion to recommend **denial** of the sign application, as submitted, was **unanimously approved**, **5-0** (**1 absent**)

Adjournment

The HPC unanimously agreed to adjourn at 7:43 PM on February 7, 2018.

Respectfully Submitted,

, Village Planner

BEFORE THE VILLAGE OF HINSDALE HISTORIC PRESERVATION COMMISSION

In the Matter of:)
Case No. HPC-01-2018)
441 East Third Street.

REPORT OF PROCEEDINGS had and testimony taken at the Certificate of Appropriateness

Public Hearing of the above-entitled matter

before the Hinsdale Historic Preservation

Commission, at 19 East Chicago Avenue, Hinsdale,

Illinois, on the 7th day of February 2018, at

the hour of 6:30 p.m.

BOARD MEMBERS PRESENT:

MR. JOHN BOHNEN, Chairman;

MR. FRANK GONZALEZ, Member;

MS. JANICE D'ARCO, Member;

MR. JIM PRISBY, Member; and

MS. SHANNON WEINBERGER, Member.

| , | ALCO PRECENT. | | 4 |
|--|---|--|---|
| 1 | ALSO PRESENT: | 1 | to have the breadth and the look from the |
| 2 | MR. LANCE MALINA, Village Attorney; | 2 | street, and all the grass look a lot nicer to |
| | | 3 | the people that live along Fourth Street there. |
| 3 | MR. CHAN YU, Village Planner; | 4 | So you are going to keep it an open nice look, |
| 4 | MR. PETER COULES, Attorney for Petitioner; | 5 | small driveway off of County Line Road. And |
| 5 | . 3 | 6 | then it also allows the house to stay up on the |
| | MS. JENNIFER HENSE, Representative of | 7 | hill, so it keeps the presence it has presently. |
| 6 | Builder. | 8 | And the other major change, and |
| 7 | | 9 | Jennifer can attest to that, is the roofline of |
| | | 06:36:40РМ 10 | the front of the house which gave it a different |
| 8 | CHAIRMAN BOHNEN: Mr. Coules, please | 11 | look. It's still going to be a cream color |
| 9 06:34:42PM 10 | step up for Case HPC-01-2018 Public Hearing. We will open the public hearing and anybody that's | 12 | off-white type of home, but the roofline went |
| 06:34:42PM 10 | going to be speaking at the public hearing, | 13 | from a true gable to |
| 12 | please rise and be sworn in so that you can | 14 | MS. HENSE: A gambrel. |
| 13 | speak. And I'd ask that anyone who is going to | 15 | MR. COULES: a gambrel. Which is a |
| 14 15 | speak at the public hearing, please approach the podium and use the microphone when it's your | 16 | name that I'm not familiar with and I didn't |
| 16 | time so that people at home can hear us discuss | 17 | want to mispronounce it. |
| 17 | this. | 18 | So that was the main change of the |
| 18 | (WHEREUPON, Mr. Coules and | 19 | look of the house from the street and it was to |
| 19 06:35:22PM 20 | Ms. Hense were administered the oath.) | 06:37:00PM 20 | keep the grass up front, keep the bigger |
| 06:35:22PM 20 | MR. COULES: Good evening. We will be | 21 | backyard. The driveway alone would have been a |
| 22 | brief. This is a matter that we were before you | 22 | major change, but they also changed the |

MINUTES VILLAGE OF HINSDALE HISTORIC PRESERVATION COMMISSION

March 7, 2018

Memorial Hall – Memorial Building, 19 East Chicago Avenue, Hinsdale 6:30 P.M.

Chairman Bohnen called the meeting of the Historic Preservation Commission (HPC) to order at 6:30 p.m. on March 7, 2018, in Memorial Hall in the Memorial Building, 19 East Chicago Avenue, Hinsdale IL.

Present: Chairman Bohnen, Commissioner Prisby, Commissioner Weinberger

and Commissioner Williams

Absent: Commissioner Gonzalez and Commissioner D'Arco

Also Present: Chan Yu, Village Planner

Minutes

The HPC reviewed the February 7, 2018, HPC minutes, and agreed to remove paragraph 5 from the Findings and Recommendations for Case HPC-10-2017.

Commissioner Williams recused herself from voting due to her absence at the February 7, 2018, HPC meeting. The vote to approve the minutes with the above request failed to meet quorum.

<u>Discussion</u> - Hinsdale Historical Society Mobile Tours App (Historical Tourist Hinsdale Ed.) February 2018 Update

Ms. Karen Lopez gave an update to the Historic Tours app, and reviewed that there are 4 Zook tours on the app, and is currently under field testing. She invited the HPC to download and test the app, in particular for Android users.

Ms. Lynne Smaczny summarized the promotional and marketing plan for the app (Attachment 1), which was passed out to the HPC. The launch event on May 11, 2018, will be during the 2018 Hinsdale Cooks! Kitchen Walk event. Other promotional and marketing dates include an Ice Cream Social on June 3, 2018; Hinsdale Farmers Market on June 4, 2018; Hinsdale Fine Arts Festival on June 9, 2018; and Uniquely Thursdays on June 14 and 21, 2018.

<u>Discussion</u> - Voluntary Landmark Program

Chairman Bohnen stated that he would like to invite Landmarks IL. to present to the HPC at a special meeting (in March), in regards to how other municipalities process landmarking and un-landmarking historical homes, and information on the Property Tax Assessment Freeze program.

Chairman Bohnen asked staff, to request to the Village that the HPC would like to review Certificate of Appropriateness's for physical modifications of the exterior architectural appearance of any structures in the Historic Downtown District. Chairman Bohnen also requested to revise the borders of the Historic Downtown District to include the Garfield Crossings building at 26-32 E. First Street and The Fruit Store at 26 W. First Street. Staff indicated that might not be so easy, but he'll look into it.

Chairman Bohnen expressed to the Commissioners that he'd like for them to think about a voluntary landmark program that does not qualify the home for the Property Tax Assessment Freeze program, but is easier to un-landmark. On the other hand, he recommended the Village revisit the code for landmark withdrawal, per Section 14-4-1(E), for homeowners who utilized the Tax Freeze program.

Commissioner Williams recommended the Village reach out to a potential intern for assistance with an HPC handbook, including the HPC Ordinance, requirements for the Certificate of Appropriateness, list of the landmarked homes, a map of the historic district, duties of the HPC and additional information to assist the HPC.

<u>Adjournment</u>

The HPC unanimously agreed to adjourn at 7:42 PM on March 7, 2018.

Respectfully Submitted,

, Village Planner

Hinsdale Historical Society HistoricTours: Hinsdale App Promotional & Marketing Plan App Goes Live May 11, 2018

Promotion Plan

Launch Event at KLM – May 11, 2018; 10:00 am – 2:00 pm

During the 2018 Hinsdale Cooks! Kitchen Walk

- Trolley stop on the *Hinsdale Cooks! Kitchen Walk* and open to the public, including the approximately 1,000 *Kitchen Walk* attendees.

MEMORANDUM

DATE: April 4, 2018

TO: Chairman Bohnen and Historic Preservation Commissioners

CC: Kathleen A. Gargano, Village Manager

Robb McGinnis, Director of Community Development/Building Commissioner

FROM: Chan Yu, Village Planner

RE: 22 W. First Street – John Green Realtor – 2 New Non-Illuminated Wall Signs

Case A-17-2018

Summary

The Village of Hinsdale has received a sign application from Accurate Repro Inc., on behalf of John Greene Realtor, requesting approval to install 2 new non-illuminated wall signs at 22 W. First Street, within the Historic Downtown District in the B-2 Central Business District.

Request and Analysis

The requested 2 wall signs will utilize the 2 existing wall signage frames, approved on December 29, 2014, for the former tenant, Village Sotheby's Realty. The digital print will be made from a max metal substrate lamination material, and features a light green, dark green and white text, on a black background. The proposed wall sign at the front entrance (Sign 1) is 1'-1" tall and 6'-6.5" wide, for an area of 7.1 SF.

The 2^{nd} wall sign is proposed to be made from the same material as Sign 1, and features the same colors and design as Sign 1. The current sign frame is located on the side the building, facing a parking lot. The proposed 2^{nd} wall sign will also utilize an existing sign frame, and is 2'-10.5" tall and 9'-9.5" wide, for an area of 28.15 SF.

Per Section 9-106(E)(11), when more than one user occupies a zoning lot, the owner of the lot shall be responsible for allocating permitted signage among its tenants. Currently, there are 2 tenants at 22 W. First Street, allowing for up 50 SF of wall, awning, or window signage. The proposed 2 wall signs combine to 35.25 SF. The current tenant, Peter Burdi Attorney law office, has a projecting sign, which does not count towards the same square footage signage allocation.

Process

Per Section 11-607(D) and the nature of the request, this application would require a meeting before the PC and does not require public notification. Per municipal code Section 14-5-1(B), the Historic Preservation Commission shall review signage in the Historic District. The final decision of the HPC shall be advisory only. The PC maintains final authority on signage with no further action required by the Board of Trustees.

MEMORANDUM

DATE: April 4, 2018

TO: Chairman Bohnen and Historic Preservation Commissioners

CC: Kathleen A. Gargano, Village Manager

Robb McGinnis, Director of Community Development/Building Commissioner

FROM: Chan Yu, Village Planner

RE: 120 E. 5th Street – Application for Certificate of Appropriateness to Construct a New

Home in the Robbins Park Historic District – Case HPC-02-2018

Summary

The Village of Hinsdale has received an application from J Jordan Homes, LLC, requesting approval for a Certificate of Appropriateness to construct a new home in the Robbins Park Historic District. Per the Village Code, no permits shall be issued for new single family construction in a designated historic district without the rendering of a final decision by the Historic Preservation Commission (HPC).

Request and Analysis

On February 8, 2017, the HPC unanimously denied the Certificate of Appropriateness to demolish the existing two-story frame residence constructed in 1863 in the Gothic Revival style. The applicant is currently waiting for the residence to be demolished, and is requesting a Certificate of Appropriateness to construct a new home at 120 E. 5th Street, located in the R-1 Single Family Residential District, which borders the same to the north, east, west and south. Mr. Patrick Fortelka, from Moment Design, will present to the HPC at the public hearing on April 4, 2018, and answer questions regarding the design of the proposed home. In regards to the site plan, the applicant is requesting to create a driveway onto 5th Street (Attachment 7).

Process

The Title 14, Section 14-5-2 (A) General Standards and (B) Design Standards to review can be found on Attachment 9.

Per Section 14-5-1(B), the final decision of the HPC shall be advisory only since the subject property is not a local landmark, but is located in a designated historic district.

CERTIFICATION

The Applicant hereby acknowledges and agrees that:

- A. The statements contained in this application are true and correct to the best of the Applicant's knowledge and belief;
- B. The Applicant will provide the Village with all additional information, as required, prior to the consideration of, or action on, this application;
- C. The Applicant shall make the property that is the subject of this application available for inspection by the Village at reasonable times;
- D. If any information provided in this application changes or becomes incomplete or inapplicable for any reason following submission of this application, the Applicant shall submit a supplemental application or other acceptable written statement containing the new or corrected information as soon as practicable but not less than ten days following the change, and that failure to do so shall be grounds for denial of the application; and
- E. If the Applicant fails to provide any of the requested information, or any other requested information by the Boards, Commissions, and/or Staff, then the applicant will not be considered.

CERTIFICATE OF APPROPRIATENESS

14-5-2: CRITERIA:

All applications for a certificate of appropriateness shall conform to the applicable standards in this section.

A. General Standards:

- 1. Alterations that do not affect any essential architectural or historic features of a structure or building as viewed from a public or private street ordinarily should be permitted.
- 2. The distinguishing original qualities or character of a structure, building, or site and its environment should not be destroyed. No alteration or demolition of any historic material or distinctive architectural feature should be permitted except when necessary to assure an economically viable use of a site.
- 3. All structures, buildings, sites, and areas should be recognized as products of their own time. Alterations that have no historical basis and that seek to create an earlier appearance than the true age of the property are discouraged.
- 4. Changes that may have taken place in the course of time are evidence of the history and development of a structure, building, or site and its environment. These changes may have acquired significance in their own right, and this significance should be recognized and respected when dealing with a specific architectural period.
- 5. Distinctive stylistic features or examples of skilled craftsmanship that characterize a structure, building, site, or area should ordinarily be maintained and preserved.
- 6. Deteriorated architectural features should be repaired rather than replaced, whenever possible. In the event replacement is necessary, the new material should match the material being replaced in composition, design, color, texture, and other visual qualities. Repair or replacement of missing architectural features should be based on accurate duplications of features, substantiated by historic, physical, or pictorial evidence rather than on conjectural designs or the availability of different architectural elements from other buildings or structures.
- 7. The surface cleaning of structures and buildings should be undertaken with the gentlest means possible. Sandblasting and other cleaning methods that will damage the structures and buildings should be avoided.
- 8. New structures or buildings, or alterations to sites should not be discouraged when such structures or alterations do not destroy significant historical or architectural features and are compatible with the size, scale, color, material, and character of the site, neighborhood, or environment.
- 9. Whenever possible, new structures or buildings, or alterations to the existing conditions of sites should be done in such a manner that, if such new structures or alterations were to be removed in the future, the essential form and integrity of the original structure, building, site, or area would be unimpaired.
- 10. Any permitted alteration or demolition should promote the purposes of this Title and general welfare of the Village and its residents.

11. Demolition should not be permitted if a structure, building, or site is economically viable in its present condition or could be economically viable after completion of appropriate alterations, even if demolition would permit a more profitable use of such site.

B. Design Standards:

- 1. Height: The height of a landmark after alteration should be compatible with the height of the original landmark. The height of a structure or building and adjacent open spaces after any proposed alteration or construction within an historic district should be compatible with the style and character of the structure or building and with surrounding structures and buildings in an historic district.
- 2. Relationship Between Mass And Open Space: The relationship between a landmark and adjacent open spaces after its alteration should be compatible with such relationship prior to such alteration. The relationship between a structure or building and adjacent open spaces after alteration within an historic district should be compatible with the relationship between surrounding structures, buildings and adjacent open spaces within such historic district.
- 3. Relationship Among Height, Width And Scale: The relationship among the height, width, and scale of a landmark after alteration should be compatible with such relationship prior to such alteration. The relationship among height, width, and scale of a structure or building after an alteration within an historic district should be compatible with the relationship among height, width, and scale of surrounding structures and buildings within such historic district.
- 4. Directional Expression: The directional expressions of a landmark after alteration, whether its vertical or horizontal positioning, should be compatible with the directional expression of the original landmark. The directional expression of a structure or building after alteration within an historic district should be compatible with the directional expression of surrounding structures and buildings within such historic district.
- 5. Roof Shape: The roof shape of a landmark after alteration should be compatible with the roof shape of the original landmark. The roof shape of a structure, building, or object after alteration within an historic district should be compatible with the roof shape of surrounding structures and buildings within such historic district.
- 6. Architectural Details, General Designs, Materials, Textures, And Colors: The architectural details, general design, materials, textures, and colors of a landmark after alteration should be compatible with the architectural details, general design, materials, textures, and colors of the original landmark. The architectural details, general design, materials, textures, and colors of a structure or building after alteration within an historic district should be compatible with the architectural details, general design, materials, textures, and colors of surrounding structures and buildings within such historic district.
- 7. Landscape And Appurtenances: The landscape and appurtenances, including without limitation signs, fences, accessory structures, and pavings, of a landmark after alteration should be compatible with the landscape and appurtenances of the original landmark. The landscape and appurtenances of a structure or building after alteration within an historic district should be compatible with the landscape and appurtenances of surrounding structures and buildings within such historic district.
- 8. Construction: New construction in an historic district should be compatible with the architectural styles, design standards and streetscapes within such historic districts.
