

POLICE SERVICES MONTHLY REPORT

July 2014

CRIME PREVENTION ACTIVITY

JULY 2014

On July 2, 2014, Officer Coughlin and Danielle Butts from All Our Children's Advocacy Center presented the Mental Health First Aid training course to a group of police officers. This 8 hour class covered topics such as Depression, Anxiety, Psychosis, Substance Abuse Disorders and Eating Disorders.

On July 4, 2014, Officer Coughlin assisted with the annual Fourth of July Parade by leading the parade through town and downtown Hinsdale.

On July 15, 2014, Officer Coughlin, Deputy Chief Wodka and Assistant Fire Chief McElroy attended a Safety Crisis Meeting at Elm School and went over the Crisis Manual.

July 15, 2014, Officer Coughlin met with a female teen alcohol offender and her mother and placed her in the peer jury diversion program. Officer Coughlin also met with a male teen cannabis offender and his parents and placed him in the peer jury program.

On July 23, 2014, Officer Coughlin attended a Preliminary Conference for a teen offender in Wheaton. Officer Coughlin also met with a male teen offender and his mother and spoke with him about his choices and the decisions he has made.

On July 31, 2014, Officer Coughlin returned phone calls and emails, followed up on juvenile arrests and peer jury. Officer Coughlin scheduled upcoming classes for Alive at 25 and Self-defense for College Females.

Manual on Uniform Traffic Control Devices Warrants

July 2014

The following warrants should be met prior to installation of a **two-way** stop sign:

1. Intersection of a less important road with a main road where application of the normal right-of-way rule would not be expected to provide reasonable compliance with the law;
2. Street entering a through highway or street;
3. Unsignalized intersection in a signalized area; and/or
4. High speeds, restricted view, or crash records indicate a need for control by the STOP sign (defined by 5 or more collisions within a 12-month period).

The following warrants should be met prior to the installation of a **Multi-way** stop sign:

1. Where traffic control signals are justified, the multi-way stop is an interim measure that can be installed quickly to control traffic while arrangements are being made for the installation of the traffic control signal.
2. A crash problem, as indicated by 5 or more reported crashes in a 12-month period, that is susceptible to correction by a multi-way stop installation. Such crashes include right-turn and left-turn collisions as well as right-angle collisions.
3. Minimum volumes:
 - a. The vehicular volume entering the intersection from the major street approaches (total of both approaches) averages at least 300 vehicles per hour for any 8 hours of an average day, and
 - b. The combined vehicular, pedestrian, and bicycle volume entering the intersection from the minor street approaches (total of both approaches) averages at least 200 units per hour for the same 8 hours, with an average delay to minor-street vehicular traffic of at least 30 seconds per vehicle during the highest hour, but
 - c. If the 85th-percentile approach speed of the major-street traffic exceeds 65 km/h or exceeds 40 mph, the minimum vehicular volume warrants are 70 percent of the above values.
4. Where no single criterion is satisfied, but where Criteria 2, 3.a, and 3.b are all satisfied to 80 percent of the minimum values. Criterion 3.c is excluded from this condition.

Option:

Other criteria that may be considered in an engineering study include:

1. The need to control left-turn conflicts;
2. The need to control vehicle/pedestrian conflicts near locations that generate high-pedestrian volumes;
3. Locations where a road user, after stopping, cannot see conflicting traffic and is not able to reasonably safely negotiate the intersection unless conflicting cross traffic is also required to stop; and
4. An intersection of two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve traffic operational characteristics of the intersection.

The following warrants must be met prior to the installation of a **Yield** sign:

1. On a minor road at the entrance to an intersection where it is necessary to assign right-of-way to the major road, but where a stop sign is not necessary at all times, and where the safe approach speed on the minor road exceeds 10 miles per hour;
2. On the entrance ramp to an expressway where an acceleration ramp is not provided;
3. Within an intersection with a divided highway, where a STOP sign is present at the entrance to the first roadway and further control is necessary at the entrance between the two roadways, and where the median width between the acceleration lane; and
4. At an intersection where a special problem exists and where an engineering study indicates the problem to be susceptible to correction by use of the YIELD sign.

Youth Bureau Summary

July 2014

On 7/2/2014 at approximately 10:45pm, during a traffic stop for no seat belt, a 17-year-old from Warrenville was charged with **Unlawful Use of Alcohol by a Minor** and was ordered to appear in **Field Court**.

On 7/3/2014 at approximately 5:00pm, 4 HCHS sophomores and 1 HCHS junior were riding in a Jeep when it was stopped by any Officer for suspicious circumstances. In the Jeep, the Officer discovered a glass pipe, cannabis and water bottles containing an alcoholic beverage. One of the sophomores and the junior were both charged with **Possession of Cannabis, Drug Paraphernalia and Alcohol** and were ordered to appear in **Field Court**. The other 3 sophomores were not charge and were **Returned to Their Parents**.

On 7/11/2014 at approximately 6:56pm, a HCHS senior was charged with **Unlawful Use of Alcohol by a Minor** and was ordered to appear in **Field Court**.

On 7/11/2014 at approximately 9:04pm, an Officer was dispatched for **Disorderly Conduct** to an area where it was said that fireworks were being thrown out of a vehicle. The vehicle's plate was run and came back to a Hinsdale resident. The Officer spoke with the subject who admitted that his friend threw a sparkler out of the car. **No Further Action** was taken.

On 7/11/2014 at approximately 11:19pm, an Officer was dispatched for a **Disorderly Conduct** call when a senior from Fenwick was observed urinating outside McDonald's. The subject was given a ride home and **No Further Action** was taken.

On 7/27/2014 at approximately 8:26pm, an Officer was dispatched for a **Trespassing** call where it was discovered that three (3) 17-year-old Hinsdale residents entered a house through an unlocked window. One of the boys resided at the address, though he was staying with an aunt while his mother was out of town. **No Further Action** was taken.

Social Networking Monthly Status Report July 2014

The **Hinsdale Police Department** continues to publicly advocate its community notification via social media. During the past reporting period, posts were disseminated on the following topics:

- Public Service Announcement: Posted a ComEd outage map showing areas without power in Hinsdale. A ComEd information web link was provided.
- Notified residents the Police Department's lobby will be closed for the 4th of July holiday.
- Wished residents a happy and safe 4th of July.
- Alerted residents that the Oak St. bridge is closed due to a power loss to the traffic signals.
- Advised residents of ramp closures at the Ogden Ave. & I-294 interchange for repairs in the coming week. An info web link was provided.
- Posted that ramps closures have been suspended until further notice by the Tollway Authority.
- Updated residents on Probationary Officer Kevin Berland's field training with Officer Louis P. Hayes, Jr.
- Posted an information video on the police department's "Block Watch" initiative.
- Congratulated the Hinsdale Police Dept. on being awarded its sixth successful reaccreditation by C.A.L.E.A. - Commission on Accreditation for Law Enforcement Agencies. CALEA web link provided.
- Posted a photo of the department receiving the C.A.L.E.A. award. Hinsdale press release web link provided.
- Advised residents that part of Garfield Ave. will be closed for storm sewer installations and repairs in the upcoming week. Detour routes will be posted.
