

**VILLAGE OF HINSDALE
VILLAGE BOARD OF TRUSTEES
MINUTES OF THE MEETING
June 14, 2022**

The regularly scheduled meeting of the Hinsdale Village Board of Trustees was called to order by Village President Tom Cauley in Memorial Hall of the Memorial Building on Tuesday, June 14, 2022 at 7:01 p.m., roll call was taken.

Present: President Tom Cauley, Trustees Matthew Posthuma, Laurel Haarlow, Luke Stifflear, Michelle Fisher, and Scott Banke (*present electronically*)

Absent: Trustee Neale Byrnes

Also Present: Village Manager Kathleen A. Gargano, Assistant Village Manager/Director of Public Safety Brad Bloom, Assistant to the Village Manager Trevor Bosack, Police Chief Brian King, Fire Chief John Giannelli, Director of Community Development Robb McGinnis, Village Planner Bethany Salmon, Village Engineer Dan Deeter, Director of Public Services George Peluso, Superintendent of Parks & Recreation Heather Bereckis, HR Director Tracy McLaughlin, and Village Clerk Christine Bruton

Present electronically: Acting Finance Director Alison Brothen

PLEDGE OF ALLEGIANCE

President Cauley led those in attendance in the Pledge of Allegiance.

APPROVAL OF MINUTES

a) **Regular Meeting of May 17, 2022**

Trustee Posthuma moved to **approve the minutes of the regular meeting of May 17, 2022, as presented.** Trustee Fisher seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried.

VILLAGE PRESIDENT'S REPORT

President Cauley reported the first phase of the Garfield reconstruction project is coming to completion. The next phase is from First Street to Fourth Street, access to the Village parking deck will be on Washington, the Garfield entrances will be closed. It is anticipated this phase will be completed before school resumes in August.

The July Fourth Parade will kick off from First Street and Park Avenue at 10:00 a.m. on Monday, July 4. Returning this year is the festival in Burlington Park. The primary election is June 28 in Illinois, and Village Hall is serving as a DuPage County early voting location through Saturday, June 25. Cook County residents can vote in any Cook County early voting location. He encouraged residents to visit the Village website for free summer activities hosted by the Parks & Recreation Department.

EMPLOYEE RECOGNITION

Village Engineer Dan Deeter is retiring the end of June. He has served as the Village Engineer for almost 14 years. During his tenure he assisted in developing the Village's Master Infrastructure Plan, and has managed or assisted on over 45 major engineering projects including the Oak Street Bridge reconstruction, Woodland Street and drainage improvements, Graue Mill Condominium flood control project, the Village parking deck, and many others. He has been instrumental in securing millions of dollars in federal, State, and county grant funding for various Village projects. He is responsive to resident questions regarding infrastructure and drainage issues, showing a genuine concern for their problems. On behalf of the Board, President Cauley thanked Dan for his service and his significant contributions to the Village, and wished him the best in his retirement.

APPOINTMENTS TO BOARDS AND COMMISSIONS

President Cauley thanked the people who agree to serve another term, it is much appreciated. He added the Village Board could not do their work without them.

President Cauley introduced the following individuals for re-appointment as noted:

Historic Preservation Commission

Mr. John Bohnen re-appointed to a 3-year term as Chair through April 30, 2025
Mr. Jim Prisby re-appointed to a 3-year term through April 30, 2025
Mr. Bill Haarlow re-appointed to a 3-year term through April 30, 2025

Economic Development Commission

Ms. Jill Sunderson re-appointed to 3-year term as Chair through April 30, 2025
Ms. Carrie Thangamani re-appointed to a 3-year term through April 30, 2025

Plan Commission

Ms. Julie Crnovich re-appointed to 3-year term through April 30, 2025
Mr. Jim Krillenberger re-appointed to a 3-year term through April 30, 2025

Firefighter's Pension Board

Mr. Peter Boomer re-appointed to 3-year term through April 30, 2025
Mr. Chris Elder re-appointed to a 3-year term through April 30, 2025

Parks & Recreation Commission

Mr. Chris Boruff re-appointed to 3-year term through April 30, 2025

Trustee Stifflear moved to **approve the appointments to Boards and Commissions, as recommended by the Village President.** Trustee Haarlow seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried

CITIZENS' PETITIONS

None.

FIRST READINGS – INTRODUCTION

Administration & Community Affairs (Chair Posthuma)

- a) **Approve an Ordinance Amending Title 5 (Police Regulations), Chapter 7 (Dogs, Cats, and Other Animals), Section 7 (Prohibited Areas) of the Village Code of Hinsdale Relative to Hours for Dogs at KLM Park**

Trustee Posthuma introduced the item to amend the hours dogs are allowed at KLM. He noted there had been discussion last year for a separate dog park area on the grounds of KLM, but there was resident objection. However, the discussion at that time indicated other issues with barking dogs. The recommendation was to permit more dog hours during daylight hours. The Police Department has endorsed the changes that include different hours for summer and winter. Summer hours are April through October, winter hours are November through March. He noted the Parks and Recreation Commission unanimously recommend approval to the Village Board.

The Board agreed to move this item to the Consent agenda of their next meeting.

- b) **Waive competitive bidding and approve and award a contract to Orbis Solutions of Aurora, IL to provide information technology (IT) support services for a first year annual cost not to exceed \$169,876**

Trustee Posthuma introduced the item to waive competitive bidding and approve a 3-year contract with Orbis Solutions. They are the Village's current provider, but the contract expires in September 2022. Staff has been pleased with the service provided.

President Cauley added this is the IT Department, and we rely heavily on them, including for the special types of services in the Police and Fire Departments.

The Board agreed to move this item to the Consent agenda of their next meeting.

Environment & Public Services (Chair Byrnes)

- c) **Award contract to Christopher B. Burke Engineering, LTD (CBBEL) for inspection, design and construction engineering services for the 2022/2023 Standpipe Painting and Maintenance Project in an amount not to exceed total of \$99,902**

Director of Public Services George Peluso introduced the item. Staff is recommending preparing for scheduled standpipe maintenance by having the standpipe inspected in 2022.

This will help to provide accurate costs, and the development of bidding documents including design plans and specifications. A formal RFP was sent in April 2022, and one proposal came back from CBBEL. The cost of these services span three fiscal years. He explained that CBBEL also has experience with coordinating the removal and reinstallation of cellular equipment such as is installed on the standpipe. This is slightly over budget, but staff hopes to equalize the cost over the 3 year life of the contract. Also, with respect to painting the inside of the standpipe, water management is critical in this project. The useful life of the painting is about 20 years.

President Cauley noted that the Village negotiated with the Tollway Authority, and because water pressure is important to them, they will reimburse the Village in part for this project.

The Board agreed to move this item to the Consent agenda of their next meeting.

d) **Award a proposal to Janik Custom Millwork to replace three column bases at the Memorial Building for the price of \$43,200**

Mr. Peluso introduced the item that is a scheduled capital improvement to repair the deteriorating columns on the south side of the Memorial Building. One of the four columns was repaired in 2017. Of the three proposals they received, this was the lowest bid to replace, paint and do repairs on the column shafts. Janik has done good work for us before. Mr. Peluso added they are seeing a higher cost trend, and recommends completing this project this year. Additionally, the 150 Year Anniversary is ahead, and these repairs should be completed before that event.

The Board agreed to move this item to the Consent agenda of their next meeting.

Zoning & Public Safety (Chair Stifflear)

e) **Approve an Ordinance Approving a Floor Area Ratio Variation at 307 S. Lincoln Street, Hinsdale, Illinois- Case Number V-02-22**

Trustee Stifflear introduced a floor area ratio (FAR) variance for 307 S. Lincoln necessary to add a second story bedroom to the historic home. The request was for an additional 354" square feet of FAR.

The Zoning Board of Appeals held a public hearing on this matter, and addressed the issue of hardship. He noted the neighbors were all in favor, and ZBA voted unanimously to recommend approval by the Village Board.

Trustee Stifflear pointed out that this variance request meets the historic preservation standards of Article 14 that the Board just moved to the Plan Commission for feedback.

Mr. Scott Day, attorney for the homeowner, addressed the Board. He illustrated the one-story section of the home that connects the garage to the home. The fourth bedroom would be an addition above this connecting area. They have three children and would like the entire family sleeping on the same floor. The expansion will be consistent with the historic look of the house, and avoid the need for a partial demolition. This is a special home, but it is difficult to deal with floor plans from the 1890's and still accommodate today's lifestyles.

Trustee Stifflear noted there are standards for the approval of variations, and the ZBA concluded all standards had been met.

The Board agreed to move this item forward for a second reading at their next meeting.

CONSENT AGENDA

Administration & Community Affairs (Chair Posthuma)

- a) Trustee Haarlow moved **Approval and payment of the accounts payable for the period of May 12, 2022 through June 8, 2022 in the aggregate amount of \$2,006,133.80 as set forth on the list provided by the Village Treasurer, of which a permanent copy is on file with the Village Clerk.** Trustee Posthuma seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried.

SECOND READINGS / NON-CONSENT AGENDA – ADOPTION

Administration & Community Affairs (Chair Posthuma)

- a) **Approve a resolution approving a collective bargaining agreement (CBA) between the Village of Hinsdale and the Illinois Fraternal Order of Police Labor Council (FOP); and approve corresponding amendments to the Personnel Manual**

Trustee Posthuma introduced the item to approve an agreement that covers all police officers below the rank of sergeant. The current contract expired April 2022. Staff met with union representatives four times; the Village Board met in closed session in March and May to discuss. The agreement was ratified by the union in May. This is a three year agreement, retroactive to May 2022. It sets salaries and includes other changes, such as an additional eight hour floating holiday, a new procedure to fill vacancies, and updated insurance language. This will be passed on to non-union employees.

President Cauley thanked staff for their hard work, and believes this is good agreement.

Trustee Posthuma moved to **Approve a resolution approving a collective bargaining agreement (CBA) between the Village of Hinsdale and the Illinois Fraternal Order of Police Labor Council (FOP); and approve corresponding amendments to the Personnel Manual.** Trustee Haarlow seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried.

- b) **Approve a Resolution Approving and Authorizing Execution of a Lease of Office / Distribution Space at 22 N. Elm Street between HCS Family Services and the Village of Hinsdale, Illinois (First Reading – October 5, 2021)**

President Cauley stated this item will be deferred to the July meeting of the Village Board.

Environment & Public Services (Chair Byrnes)

- c) **Approve outdoor dining permits in the Village right-of-way until October 31, 2022 for Starbucks and Toni Patisserie & Café, and amend the issued Il Poggiolo permit subject to final issuance by the Community Development Department and subject to any conditions to be set forth by the Building Commissioner and Fire Department upon final inspection**

Trustee Fisher introduced two additional outdoor dining applications, and a change to a previously approved application. She described the request of Starbucks, noting the setup would be the same as in years past. She described the proposal of Toni Patisserie that would still leave room to walk on the sidewalk.

She explained Il Poggiolo's request for outdoor dining had been approved by this Board, but they are asking for permission to include a service station. She described the physical station that would be wheeled in at night and frequently bussed. It would be located on the asphalt portion of the dining area not the sidewalk, and would help to make service faster.

Trustee Fisher moved to **Approve outdoor dining permits in the Village right-of-way until October 31, 2022 for Starbucks and Toni Patisserie & Café, and amend the issued Il Poggiolo permit subject to final issuance by the Community Development Department and subject to any conditions to be set forth by the Building Commissioner and Fire Department upon final inspection.** Trustee Banke seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried

- d) **Approve a Temporary Use Permit and Related License and Indemnification Agreement for Outdoor Seating until October 31, 2022 for Casa Margarita located at 25 E. Hinsdale Avenue, subject to conditions to be set forth by the Building Commissioner**

Trustee Fisher introduced the item for outdoor dining for Casa Margarita, but noted it is a different request that others because of a lease governed by the railway. Therefore, they need approval of a special use. The dining area will be the same as it has been since 2016. She described the equipment used, and noted an existing wooden fence has been repaired.

Trustee Fisher moved to **Approve a Temporary Use Permit and Related License and Indemnification Agreement for Outdoor Seating until October 31, 2022 for Casa Margarita located at 25 E. Hinsdale Avenue, subject to conditions to be set forth by the Building Commissioner.** Trustee Haarlow seconded the motion.

ABSENT: Trustee Byrnes

Motion carried

Zoning & Public Safety (Chair Stifflear)

e) Approve an Ordinance Designating 121 S. County Line Road as a Historic Landmark – The Bagley House (First Reading – May 3, 2022)

Trustee Stifflear introduced the item stating the house was built in 1894, was designed by Frank Lloyd Wright, and showcases his style, as the home has an octagonal library, an open first floor and a deep porch. The property recently sold and the new owners are requesting local landmark status. This request was reviewed by the Historic Preservation Commission in April, and they determined the property meets the criteria of a landmarked home, unanimously recommending approval by the Village Board. It was reported the applicant is looking into taking advantage of the property tax freeze provided by the State of Illinois for landmarked homes.

Mr. Bob Lennox of 503 Chanticleer addressed the Board stating that this home is not a Prairie style house. He cited examples of true Prairie style homes, and stated he is involved with the Frank Lloyd Wright Foundation and Trust in Oak Park. He asked the Board to reconsider conferring tax and other financial benefits to historic homes in Hinsdale. He believes other people will have to pay the difference, when taxes go up for everybody else, but not for them. He questioned the benefit to the Village.

President Cauley does not agree that other residents will have to cover the tax difference. The Village does not raise property taxes or tax rates. This house is an example of the evolution of a Frank Lloyd Wright house. Trustee Stifflear added that, in general, Hinsdale residents put value on historic preservation. The Board wants to incentivize renovation to prevent tear downs. The benefit to the Village is the restoration of an historic home.

Village Planner Bethany Salmon said there are 23 landmarked homes in Hinsdale.

Mr. Lennox hopes the Village will hold up on further landmark designations. Trustee Posthuma pointed out the landmark designation precludes the tear down. Mr. Lennox believes it is customary that a home should be landmarked only after it is restored.

Trustee Stifflear moved to **Approve an Ordinance Designating 121 S. County Line Road as a Historic Landmark – The Bagley House.** Trustee Banke seconded the motion.

Motion carried.

f) Approve an Ordinance Approving an Exterior Appearance and Site Plan for Changes to an Existing One-Story Building – Normandy Remodeling – 222 E. Ogden Avenue (First Reading – May 17, 2022)

Trustee Stifflear introduced the item for changes to an existing one-story building located in the B3 General Business District. A showroom and an office are permitted uses, but exterior appearance and site plan approval is required. He noted there are no residential properties contiguous to this location. The Plan Commission held a public hearing in April, and this project was unanimously recommended for Board approval. At the public hearing, discussion focused on the number of employees and parking and lighting. The Plan Commission also recommended resurfacing the parking lot. It was noted that there would be no trucks or overnight parking, and no additional lighting in the parking lot. Last month, Mr. Dave Mitchell,

representing Normandy, outlined proposed plans for the Board. With respect to the condition of the parking lot, it has been determined that patching and sealing will be sufficient.

Trustee Stifflear moved to **Approve an Ordinance Approving an Exterior Appearance and Site Plan for Changes to an Existing One-Story Building – Normandy Remodeling – 222 E. Ogden Avenue.** Trustee Fisher seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried.

- g) **Approve an Ordinance Approving a Special Use Permit to Operate an Automotive Repair Shop in the B-1 Community Business Zoning District at 5837 S. Madison Street (Samir and Ghada Sharabatee, D/B/A Hinsdale Discount Tires and Automotive, Inc.) (First Reading – May 3, 2022)**

Trustee Stifflear introduced the item and explained the property was formerly occupied by an automotive repair facility, but it has been vacant since 2019. Due the vacancy, a new special use permit is required. The auto repair building is part of a larger multitenant shopping center currently occupied by a convenience store, and a beauty salon, but there are several vacant tenant spaces. The property is surrounded by townhomes, apartment buildings and single-family homes located in unincorporated DuPage County. The proposed new business will have five repair bays, and will operate from 9:00 a.m. to 6:00 p.m. Monday through Friday, and Saturday 9:00 a.m. to 5:00 p.m. Depending on the future use of the vacant tenant spaces, there could be two to four fewer parking spaces than code requires. At the public hearing held by the Plan Commission in February 2022, representatives from the homeowners association across the street were opposed to the application asking is this type of business appropriate for the location. Also of concern was the condition of the existing property and the parking of vehicles. The Plan Commission echoed these concerns, and recommended approval of the application with certain conditions: the dumpsters be stored within the rear fenced enclosure, all operations and parking shall be limited to parcel 1 only, painting the existing trim, enhancing the landscaping, there can be no outside vehicle storage, and investigate replacement of the existing fence.

Following Board discussion last month, and investigation and work done by staff, the ordinance has been amended to include the following conditions in addition to those recommended by the Plan Commission: remove the old gas canopy, no overnight parking other than the 10 spaces behind the building and 5 interior bays, parking spaces shall not be leased or rented to a third party, parking shall not be used for vehicle storage other than those waiting for repairs, all repair work shall be performed within the interior of building to prevent noise, seal and re-stripe the parking lot, and power wash and seal the fence.

Mr. Wade Joyner, representing the applicant, addressed the Board stating the conditions of operation are fine, but they are not sure removing the canopy is feasible, as they are only a tenant. He also said the property was broken into last month, as vacant buildings often are. He added his client is feeling that Hinsdale does not want them here.

President Cauley explained this is a request for a special use, and the Board wants to make sure this business will fit with the surrounding residential neighborhood.

Mr. Jim Erlich, property manager, addressed the Board stating the property owners are paying the mortgage out of pocket because of vacancies, so there is no money. They thought about keeping the canopy as an electric vehicle charging station in the future. They have filled all stores except for one, so they will start to generate income, and will improve the property. President Cauley believes the canopy is a non-starter in order to make this area look better. Mr. Erlich asked if they could delay the removal of the canopy until they begin to generate rent, and asked for a year to do so. They will work out the details with the tenant, and those details will be in their lease. He assured the Board they will get it done.

Trustee Stifflear moved to **Approve an Ordinance Approving a Special Use Permit to Operate an Automotive Repair Shop in the B-1 Community Business Zoning District at 5837 S. Madison Street (Samir and Ghada Sharabatee, D/B/A Hinsdale Discount Tires and Automotive, Inc.) with the additional condition that the canopy comes down within 12 months of issuance of special use permit.** Trustee Posthuma seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried

CITIZENS' PETITIONS

Mr. Jared Staver and Mrs. Kelly Staver of 115 Fuller Road addressed the Board regarding the commercial property under construction at 110 E. Ogden Avenue. Mr. Staver stated that in 2021 agents of the owner of 110 E. Ogden Avenue removed several landmarked trees resulting in zero screening for his property. He notified the Village, and the Village's code enforcement officer came on site and observed the property line, and said she would initiate an investigation. This did not happen because her supervisor, Mr. Robb McGinnis, determined that this was a civil matter. Mr. Staver then reached out to Village Manager Kathleen Gargano and Assistant Village Manager Bradley Bloom who also came to their property and inspected the property line. They confirmed that trees had been removed, and that this would be addressed. However, neither a stop work order nor a citation was issued, and therefore Mr. Staver believes the Village Manager did not act according to the prescribed duties of the code. Instead of providing what he believes would have been proper redress, on November 5, 2021, the Village Manager sent a letter to the Stavers under the advice of the Village Attorney, stating the Village would take no action, that this was a civil matter. Mr. Staver said this is not what Hinsdale residents want, and they pay the salary of Ms. Gargano and the fees of the attorney. The Stavers filed an appeal with the Zoning Board in January 2022 that is still pending. He believes they had overwhelming evidence proving their position, and took issue with Mr. Marris lengthy brief to the ZBA in response to the appeal. However, Mr. Marris and Mr. McGinnis have reviewed the record and agree there are discrepancies. The Zoning Board of Appeals has recommended the 110 E. Ogden owners file a major adjustment to clarify the matter, and a Certificate of Occupancy should not be issued without a site plan revision. On March 30, 2022, Mr. McGinnis sent a letter to the property owner of 110 E. Ogden instructing them to begin the major adjustment process, however, Mr. Staver contends that the property owner has

taken no action to date. Mr. Staver wants the Village Board to make staff do their jobs, and see that the rules and code are strictly adhered to.

President Cauley responded to Mr. Staver stating a Certificate of Occupancy will not be issued until the screening is addressed. Mr. Staver insists on a stop work order. Discussion followed. President Cauley reiterated the Village's position with respect to the Certificate of Occupancy, and if the resident's demands are within the realm of reason, the Board will stand by the resident.

Mrs. Staver complained that neither they nor the Kuhns were made aware of the letter that was sent to 110 E. Ogden property owner, that the case file was not reviewed in a timely fashion, and that there has been a lack of communication regarding a site adjustment. She stated they received two phone calls from Village staff encouraging them not to attend this meeting; she does not trust the Village and the process. She believes this situation affects all the neighbors on Fuller Road and their property values, and all residents adjacent to commercial property. They want proper screening, mature trees, and a sound barrier. Mr. Staver added they want a wall like the one at Land Rover.

President Cauley pointed out the issue of sound barriers has never come up, but Mrs. Staver said they can hear traffic on Ogden Avenue now. President Cauley told said the developer must come up with a landscape that is reasonable and consistent with the ordinance.

Mr. Michael Kuhn of 117 Fuller Road stated he watched the Zoning Board of Appeals meeting and has concerns about the remarks made by Mr. McGinnis at the end of the meeting. He recommended the Board watch the meeting to hear what Mr. McGinnis said.

President Cauley responded stating that as long as the resident requirements for screening are reasonable, a Certificate of Occupancy will not be issued. President Cauley encouraged the developer and the residents to discuss this matter.

Trustee Stifflear pointed out the parties need to be in agreement about the height, species and number of trees.

DISCUSSION ITEMS

- a) **Tollway update - Changes to landscaping and fencing in Peirce and Veeck Parks**
Assistant Village Manager/Director of Public Safety Brad Bloom introduced the item to revise landscaping and fencing requirements for Veeck and Peirce Parks included in the in May 2019 Intergovernmental Agreement (IGA) with the Tollway Authority. The IGA calls for three rows of trees leading up to the fence in Peirce Park, but staff is concerned this will encroach into playing areas and reduce usable park area. Staff is recommending two rows of trees. In Veeck Park, there is a 40' foot section along the fence that has underground utilities, staff is recommending that no trees be planted in this area. It was noted there is no opposition to this plan, and there is no expense to the Village.
Trustee Fisher asked if the extra trees could be planted in other areas of the park. Ms. Jill Ziegler with the Tollway responded yes.

DEPARTMENT AND STAFF REPORTS

- a) Engineering

The report(s) listed above were provided to the Board. There were no additional questions regarding the content of the department and staff reports.

Director of Public Services George Peluso introduced the new Village Engineer Matt Lew. Mr. Lew started on Monday and is working through the transition with retiring Village Engineer Dan Deeter. President Cauley welcomed Mr. Lew to the Village.

REPORTS FROM ADVISORY BOARDS AND COMMISSIONS

No reports.

TRUSTEE COMMENTS

Trustee Fisher thanked Police Chief Brian King, Deputy Chief Tom Lillie and Officer Karen Kowal for their work with the fifth grade D.A.R.E. program, as it is a wonderful program for the students.

ADJOURNMENT

There being no further business before the Board, President Cauley asked for a motion to adjourn. Trustee Haarlow moved to **adjourn the regularly scheduled meeting of the Hinsdale Village Board of Trustees of June 14, 2022.** Trustee Stifflear seconded the motion.

AYES: Trustees Posthuma, Haarlow, Stifflear, Fisher, and Banke

NAYS: None

ABSTAIN: None

ABSENT: Trustee Byrnes

Motion carried.

Meeting adjourned at 8:52 p.m.

ATTEST: _____
Christine M. Bruton, Village Clerk
