VILLAGE OF HINSDALE VILLAGE BOARD OF TRUSTEES MINUTES OF THE MEETING April 20, 2010

The regularly scheduled meeting of the Hinsdale Village Board of Trustees was called to order by President Tom Cauley in Memorial Hall of the Memorial Building on Tuesday, April 20, 2010 at 7:31 p.m.

Present: President Tom Cauley, Trustees J. Kimberley Angelo, Bob Saigh, Laura LaPlaca, Cindy Williams, Doug Geoga and Bob Schultz

Absent: None

Also Present: Village Attorney Ken Florey, Village Manager Dave Cook, Assistant Village Manager/Director of Finance Darrell Langlois, Fire Chief Mike Kelly, Acting Director of Community Development Robb McGinnis, Director of Public Services George Franco and Deputy Village Clerk Christine Bruton

Also Present: Amy Deis representing The Doings, Pam Lannom with The Hinsdalean and Don Grigus, Suburban Life

PLEDGE OF ALLEGIANCE

President Cauley led those in attendance in the recitation of the Pledge of Allegiance.

APPROVAL OF MINUTES

President Cauley made corrections to the minutes. Trustee Angelo moved to approve the minutes of the Regular Meeting of April 6, 2010, as amended. Trustee LaPlaca seconded the motion.

AYES: Trustees Angelo, Saigh, LaPlaca, Williams, Geoga, Schultz

NAYS: None ABSTAIN: None ABSENT: None

Motion carried.

CROSSING GUARD PROCLAMATION

President Cauley read the proclamation naming May 4th, 2010 as Crossing Guard Appreciation Day.

NATIONAL PRESERVATION MONTH PROCLAMATION

President Cauley read the proclamation. The theme this year is 'Old is the New Green'.

CITIZENS' PETITIONS

President Cauley requested that individuals wishing to speak to the cell tower and height in the B-2 issues please save their comments until those agenda items are addressed by the Board.

Mr. Greg Bjorkman of 923 S. Bruner complimented Chief Bloom as he witnessed an officer administer a ticket to someone who was blocking traffic in front of the post office. He also complained about the distribution of TribLocal flyers that end up as litter in the curbs and parkways.

Mr. Jim McConachie, Labor Council, asked for confirmation that Bid #1467 for sewer cleaning awarded to American Underground will be a prevailing wage job. Director of Public Services George Franco confirmed that it is a prevailing wage job.

VILLAGE PRESIDENT'S REPORT

President Cauley stated that Senator Kirk Dillard and Representative Patti Bellock should be commended for their hard work helping to secure funding for the reconstruction of the Oak Street Bridge. They have recently written a letter to IDOT asking them for the \$4-5 million remaining to be raised for the project.

CONSENT AGENDA

President Cauley read the Consent Agenda as follows:

Items Recommended by Environment & Public Services Committee

Item A: Resolution Approving and Accepting a Plat of Consolidation to Consolidate the Properties Commonly Known as 337 and 341 E. Chicago Avenue in the Village of Hinsdale, County of DuPage (Omnibus vote) (R2010-11)

Item B: Resolution for the Veeck Park Wet Weather Facility Contract Change Order Number 4 to Change the Retainage for the Construction Completed to Date of the Veeck park Portion of the Contract from Ten (10) Percent to Five (5) Percent on the Condition that John Burns Construction Company will Maintain their Contract Prices for the Third & Princeton Project Through the End of November 2010. Further, the Village will

Village Board of Trustees Meeting of April 20, 2010 Page 3 of 12

Retain Ten (10) Percent of Each Payment for the Third & Princeton Construction (Omnibus vote) (R2010-12)

Item C: Award Bid #1467 - Sewer Cleaning, Televising and Root Cutting to American Underground, Inc. in the amount of \$37,400. (Omnibus vote)

Item D: Award Bid #1468 - Annual Leak Detection Survey to Associated Technical Services in the amount of \$12,660 (Omnibus vote)

Item E: Award Bid #1469, Elm Tree Inoculation, to be split between Landscape Concepts Management and Nels Johnson Tree Experts with a comparative bid price of \$11.00 per diameter inch (Omnibus vote)

Item F: Award Bid #1470 - Street Sweeping to Dejana Industries per the unit prices bid (Omnibus vote)

Items Recommended by Zoning & Public Safety Committee

Item G: Ordinance Approving Site Plans and Exterior Appearance Plans for Dugout Improvements at 550 Walnut Street (Omnibus vote) (O2010-19)

Item H: Ordinance Amending Title 4 (Health and Sanitation) Chapter 1 (General Health Regulations) Section 4-1-9 (Ambulance and Life Support Service Fees) (Omnibus vote) (O2010-20)

Item I: Ordinance Amending Title 9 (Building Regulations), Chapter 9 (Fire Code), Section 9-9-2 (Amendments, Revisions, and Changes) of the Village Code Instituting a New Fire Inspection Fee (Omnibus vote) (O2010-21)

Item J: Ordinance Amending Title 5 (Police Regulations) Chapter 5 (Alarm Devices) of the Village Code of Hinsdale (Omnibus vote) (O2010-22)

Item K: Ordinance Authorizing the Sale by Auction of Personal Property Owned by the Village of Hinsdale (Omnibus vote) (O2010-23)

Trustee Angelo moved to approve the Consent Agenda. Trustee LaPlaca seconded the motion.

AYES: Trustees Angelo, Saigh, LaPlaca, Williams, Geoga, Schultz

NAYS: None ABSTAIN: None ABSENT: None

Motion carried.

ADMINISTRATION AND COMMUNITY AFFAIRS

Accounts Payable

Trustee Saigh moved Approval and Payment of the Accounts Payable for the period of April 2, 2010 through April 16, 2010 in the aggregate amount of

Village Board of Trustees Meeting of April 20, 2010 Page 4 of 12

\$534,879.36 as set forth on the list provided by the Village Treasurer, of which a permanent copy is on file with the Village Clerk. Trustee Angelo seconded the motion.

Motion carried.

ENVIRONMENT AND PUBLIC SERVICES

No report.

ZONING AND PUBLIC SAFETY

Ordinance Approving a Special Use Permit, Site Plans and Exterior Appearance Plans for the Installation of new Cellular Antennas and an Equipment Shelter at the Property Located at 333 W. 57th Street

Resolution Approving Lease Agreements with T-Mobile, Verizon Wireless, U.S. Cellular and Clearwire for the Installation of Cellular Antennas

President Cauley began by stating that four cell phone companies have requested a special use permit to put cell phone antennas on the Village water tower located near Hinsdale Central High School. The Board has received many emails in support of this proposal because of the poor cell phone reception in south Hinsdale, but has also received many emails expressing concern about radio frequency emissions (RFE). He explained that the Federal Telecommunications Act of 1996 severely restricts the discretion of local governments when it comes to applications from cell phone carriers to install cell towers. Federal law specifically prohibits this Board from taking into account environmental or health concerns; courts have held that the reference to 'environmental effects of radio frequency emissions' refers to health concerns related to such emissions. Therefore, so long as the carriers comply with federal standards, which they have agreed to do and are bound to do by federal law, this Board cannot deny a request for cell towers on the basis of environmental or health concerns. Our federal government has determined that cell towers pose no safety risk if federal RFE standards are met and that cell phone coverage is an important enough national interest that municipal government should not be able to thwart the installation of cell towers without substantial evidence to support a denial. Such evidence shall be in writing and contained in a written record. Courts have overturned municipal government decisions to deny cell tower permits based on health concerns and have disregarded unsupported allegations of decline in property values or the possibility of Village Board of Trustees Meeting of April 20, 2010 Page 5 of 12

alternative sites. The court also held that aesthetic concerns cannot serve as substantial evidence.

Village Attorney Florey confirmed that President Cauley had accurately described the facts in this matter and cautioned the Board that this is pre-emptive federal law. Trustee Williams referenced a similar request on the Union Church tower which the previous Board denied and further stated that the President and the Village Attorney are trying to intimidate the Board. She does not believe that there will be legal consequences if the Board denies this request. President Cauley replied that she may be right, but it is his job to provide these facts to the Board. Trustee LaPlaca commented that in response to resident concern there have been modifications to the agreements: the operation of the antennas shall be continually in compliance with the FCC and State and local regulations and in no event shall a cure period exceed six months and that, in response to access concerns, the carrier, on a monthly basis, must provide information as to who has had access to the tower. Each person authorized access will have a key card to produce an electronic record of access. Discussion followed regarding the circumstances under which the church request was denied, it was noted the discussion regarding Union Church focused on the historic nature of the building. Trustee LaPlaca commented that people could become more aggressive with enforcement of cell tower related issues because of emergency situations, business operation and because as a society fewer persons have land lines. President Cauley stated that the cell phone companies have the burden of prove as to why an antenna is required.

Catherine Nemesnyik of 318 W. 57th Street read a letter to the Board from her mother Carol, stating that she is against the installation on the water tower of cell phone antennas in the midst of children and homes. She believes other options and locations exist.

Jeff Holland of 723 S. Lincoln Street commented that since there are no long term studies available regarding the effects of RFE's, these antennas should not be put within 1,000 feet of a school. He also believes there should be stronger language in the contract to allow for immediate termination. Attorney Florey confirmed that the appropriate termination language is in the contract.

Kathy Gartlan of 616 S. Lincoln Street read her recent letter to the Board. She believes there are alternative locations for the tower, she raised aesthetic concerns and security concerns; she believes the tower may be an increased temptation to teenagers. She wondered if these towers would really provide the service they are supposed to. She pointed out that the International Association of Firefighters does not want fire stations used for base stations until more scientific information is available.

Village Board of Trustees Meeting of April 20, 2010 Page 6 of 12

Kai Schueler of 734 S. Adams Street believes that as far as FCC regulations are concerned, they promote communication and are not experts on health concerns. The World Health Organization advises strongly against placing antennas near schools. She asked the Board to choose safety over profit.

Michael Gartlan of 616 S. Lincoln Street urged the Board to reject this proposal. He believes it will be hideous in an open area and that is ample reason alone to reject the proposal, ignoring health concerns. There are boosters and alternate locations if necessary.

Catherine Ashton a Clarendon Hills resident stated there is a rule at school that prohibits texting and telephoning in the school, this will improve that ability. She referenced a study on people who lived near cell towers, wherein it was noted that there was a significant deleterious effect on melatonin which regulates sleep. She also pointed out that these are tall antennas on a tall tower and this is a tornado district.

Betsy Bradley of 333 S. Park Avenue stated there is a lot of research on developing brains and radiation affects this; she likened it to the effects of smoking.

Nancy Cox of 127 E. Third Street said the Union Church antennas were turned down because of lack of screening and the church had promised no more construction. She also referenced the failed attempts of the Technology Task Force to acquire coverage maps from the cell phone companies.

Maria Bill a Clarendon Hills resident stated that several years ago the high school turned down the installation of cell phone antennas and there was no lawsuit. President Cauley explained it was turned down at that time because of the easement. The school had not granted the Village an easement at that time, however, the school board and the cell carriers worked out the easement issue. Mr. Cook explained that this matter was properly noticed; a public hearing was held, legal notice was in the paper and certified mail was sent to residences within 250' of the subject property.

Julie Bernini, resident, asked the Board if they would sit under that cell tower eight hours a day, five days a week. She also stated she has no issue with her Verizon coverage.

Steven Lee of 322 W. 57th Street stated that he doesn't want anything bad to happen to Hinsdale, and according to Chinese beliefs, drinking water is very important to life. He believes it would be bad luck to install antennas on the water tower and urged the Board to find another location.

There being no further comments from the audience, President Cauley stated the burden is on the carrier to prove current coverage is inadequate, that this is the only

Village Board of Trustees Meeting of April 20, 2010 Page 7 of 12

viable location option, and that boosters on other towers will not remedy this situation.

Mr. Ray Shinkle from Insight Inc. addressed the Board. He provided visual illustrations showing the existing towers, hospital, etc. He noted that these are all colocations, all other existing structures have been exhausted and there are no other options. Further, the proposed antennas do not exceed existing height, and will be painted to match the water tower. An elaborate structure to contain ground equipment will be constructed. Regarding boosters, they have already been installed on existing surrounding towers. Mr. Kevin Meiss, T-Mobile Design Engineer, provided technical information regarding the boosters and sectors installed in this area. He explained that the FCC has designated an MPE, maximum permissible emission, level and that each site has to satisfy a checklist. Based on science and a study done, at a site with the specifications of the proposed, the power levels drop way below the FCC levels. The phone itself has higher emission levels. He explained that proximity is everything; the phones have a power control, and if the site is further away, it will power up. This site installation will enable phones to operate at an even lower level.

Nancy Cox noted the Village code states existing sites should be used; a new tower should not be build. Kathy Gartlan commented that cell phone usage is a personal choice, but the antenna is not and if AT & T is not a part of this, why do it. Jeff Holland asked what Mr. Shinkle and Mr. Meiss are paid. Mr. Shinkle explained there is no set standard, they are paid on milestones, but it has no bearing on the application. Michael Meissner stated that he does not think the cell antenna is additional incentive to climb a water tower.

Mrs. Gerald Martin of 323 W 57th Street asked why the school board changed their mind about the easement. President Cauley stated the Village Board had nothing to do with the school board's decision, that question would have to be answered by them.

Ronald Katz of 827 S. Garfield stated that old cell phones ran many more watts of power than today and doubts if these phones are a danger to kids.

Trustee LaPlaca moved to approve an Ordinance Approving a Special Use Permit, Site Plans and Exterior Appearance Plans for the Installation of new Cellular Antennas and an Equipment Shelter at the Property Located at 333 W. 57th Street and a Resolution Approving Lease Agreements with T-Mobile, Verizon Wireless, U.S. Cellular and Clearwire for the Installation of Cellular Antennas. Trustee Schultz seconded the motion.

Trustee Angelo expressed objections to the matter because the 5 year renewal by the carrier is unfavorable to the Village and should be reviewed more often, as many as 80-100 people will have 24 hour access to tower and our water supply, posing a

Village Board of Trustees Meeting of April 20, 2010 Page 8 of 12

security concern. Mr. Shinkle explained that most access is to the ground works. Trustee Saigh is concerned with potential liability issues, structural failure, sabotage, injury and accidents that could result in costs to the Village. explained the insurance indemnification. Trustee Saigh also expressed concern about noise levels and aesthetics. Trustee Williams agrees with Trustee's Angelo and She does not believe there has been a serious exploration of Saigh's concerns. alternative sites, nor has there has been full disclosure on the part of the carriers. Trustee Geoga stated this is not a safety vs. money issue. He has researched this himself and noted that opponents take comfort in the recognition of studies that support their position, however, there rarely exists consensus in questions of science. There exists scientific evidence on both sides of these kinds of issues, including such topics as vaccinations and fluoridated water. Further, in terms of traditional zoning factors, in most respects, the water tower is the ideal spot. Trustee LaPlaca commented that there was no outpouring from the community when antennas were installed at the Spinning Wheel Apartments and the hospital. There is a cell phone coverage issue in this area, a significant number of people, for business and personal reasons, complain about this. This is a good location. Trustee Schultz said it is hard to determine necessity, but the cell phone companies wouldn't make this investment if it weren't a necessity.

AYES: Trustees LaPlaca, Geoga, Schultz and President Cauley

NAYS: Trustees Angelo, Saigh, Williams

ABSTAIN: None ABSENT: None

Motion carried.

Recess taken, upon reconvening, the agenda was resumed.

Ordinance Amending Article V (Business Districts), Section 5-110 (Bulk, Space and Yard Requirements) Subsection A (Maximum Height) of the Hinsdale Zoning Code Regarding Overall Building Height in the B-2 Central Business District

President Cauley introduced the item explaining this relates to height in the downtown business district. Mr. John Bohnen addressed the Board stating that they are not anti-development, but rather preservationists. He is pleased that Mr. Gammonley has proposed a two-story project. He noted that the iconic buildings built before 1920, should be revered and grandfathered into the code. He provided historical background, and referenced the form-based zoning introduced during the zoning code rewrite, noting that it is currently off the table. He believes that 30 feet is the historical height limit, with some exceptions and that to adopt this ordinance is really a house-keeping measure that will reconcile the zoning code with reality. An historical time line was outlined regarding height in the zoning code. Karl

Village Board of Trustees Meeting of April 20, 2010 Page 9 of 12

Weber explained that in 2004 the Genesis survey didn't measure the height of existing buildings according to the code. When they came back in February 2010, they did a better job, and the results were similar, but shorter than the first survey. He stated that our downtown district is on the National Registry of Historic Places and it is one of the things that set it apart from other communities; Hinsdale cannot afford to lose that accreditation.

Mr. Bohnen stated that maintaining the streetscape, elevation and height got mixed up with the 1989 version of the code. He noted that the current code allows that architectural features allow another 20%. He indicated that if larger buildings were built, current owners would feel their buildings would be obsolete. He urged the Board to maintain our uniqueness, one too tall building could destroy this; 35' feet is too big and does not reflect our downtown. The Fall 2005 Strategic Planning survey identified issues important to citizens, wherein, regarding the charm of the downtown, 90% agreed that two-story buildings would be consistent with existing charm and style. A lot of work was done to make these determinations, but it was never revisited to correct. This is an opportunity to do so before a big building is dropped into our town.

Jane Hardies of 514 Pamela Circle distributed 100 more emails she has received in support of this text amendment and hopes the unanimous Plan Commission vote in favor will persuade this Board to vote yes.

Michael Meissner of 1405 Chanticleer stated that he is a fully licensed practicing design architect. He opposes this text amendment, believing it to be unadvised and that it takes away from property owners. He believes this amendment is more restrictive and more punitive; there is nothing positive or constructive in this proposal; there is no opportunity and no benefit. He pointed out that the most iconic buildings in the CBD, our historic Village, could not be built under this proposal. For 130 years in Hinsdale there has been freedom of expression residentially and commercially, the more we put a box on things, the more likely that's what we will get. The only choice will be to max out the height. He commented that there is no professional representation by any architects to show the merits of this change; this limits the opportunity for creative opportunity. In trying to turn back the hands of time, we miss the opportunities of the future.

Mr. Bohnen replied that the tools are in place for a taller building, for the exception.

Molly Hughes of 24 S. Oak Street believes that this text amendment is forward looking and will contribute to the revitalization of the business district; it will preserve what is right. The scale of buildings is core to the character of the downtown fostering a sense of place. This will maintain a height that is scaled to functional purpose and adaptive reuse. The Plan Commission unanimously

Village Board of Trustees Meeting of April 20, 2010 Page 10 of 12

recommends support of the text amendment. She urged the Board to support a code that is in sync with what residents want.

Beth Barrow of 319 N. Washington stated she is a preservationist and asked the Board to support the Plan Commission recommendation and grandfather the existing buildings. When working on the SEG, they realized that multiuse buildings along the Burlington and parking garages were inappropriate to Hinsdale.

Sam Eddins of 202 E. Fourth supports this amendment. He believes Hinsdale fortunate not to have a taller building put in, and with the vacancies; there is no need for a larger project. This Board has the ability to adjust the code going forward on any project should they choose to do so.

Frank Gonzales of 219 Justina Street is a preservation architect and as such, is trained to work within limits; he does not believe this proposal is limiting. He is in favor of the 30' feet restriction and believes we have a reason to be concerned to protect what we have.

Trustee Saigh moved to approve an Ordinance Amending Article V (Business Districts), Section 5-110 (Bulk, Space and Yard Requirements) Subsection A (Maximum Height) of the Hinsdale Zoning Code Regarding Overall Building Height in the B-2 Central Business District. Trustee Angelo seconded the motion.

Trustee Schultz commented that no other comparable town limits the building code to 30' feet. He is not persuaded by the photo shopped example of the large building in the streetscape; he believes measurements of the downtown should be made by a The amendment before the Board does not contain the necessary professional. language to protect the existing iconic buildings and as nothing has been built in a long time, he sees no compelling reason to act tonight. Trustee Angelo supports the text amendment and remarked that were it not for procedural ignorance this matter would not have been sent back to the Plan Commission. The 2004 Plan Commissioners were given incorrect numbers, and this Board has a chance to rectify these errors. Trustee Saigh said there has been good thought on both sides of the argument and he believes the time has come for this amendment. He likes what the 30' foot standard signals for Hinsdale, he believes it is a step forward, a commitment to preservation and the zoning code. Development is supposed to serve the residents and should protect our unique downtown. Trustee LaPlaca stated that she would not have voted to refer this to the Plan Commission. When the change to 35' was referred, there was no reference to a 30' foot restriction, and all the same people spoke glowingly of the 35' foot amendment. The EDC spoke against it at that time, but agreed that with 35' feet you could still have three viable stories. The current code has adequate protection; nothing has been built in 35 Village Board of Trustees Meeting of April 20, 2010 Page 11 of 12

years; she expressed confidence that the code can be applied in a meaningful way. She cautioned that the method by which the iconic buildings are protected would require special considerations. Trustee Williams stated that she is pragmatist and has seen the Village deadlocked with development and not moving forward in any way. The Garfield proposals have cost millions of dollars and thousands of hours, she is hopeful that with this amendment there will be consensus and allow Hinsdale to move forward, therefore, she is in favor of text amendment. Trustee Geoga stated he is not in favor of this text amendment, but underscores where reasonable minds can differ without calling into question whether we treasure the unique character of the Village. He voted against referral because he believes the protections in the zoning code, are many and already prevent the 'terrible project'. It is possible that a project in the future that might be taller or three stories would be desirable, those currently exist. No one here can see into the future to know what opportunities we are restricting, this will foreclose future opportunities and this amendment is not necessary to preserve the character of the town.

President Cauley commented that the code could be amended at a later time to grandfather in existing buildings and that no one would disagree that is necessary.

Emergency Medical Services (EMS) Week May 16-22, 2010

WHEREAS, emergency medical services is a vital public service; and

WHEREAS, the members of emergency medical services teams are ready to provide lifesaving care to those in need 24 hours a day, seven days a week; and

WHEREAS, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

WHEREAS, the emergency medical services system consists of emergency physicians, emergency nurses, emergency medical technicians, paramedics, firefighters, educators, administrators and others; and

WHEREAS, the members of emergency medical services teams, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

WHERAS, the theme for this years EMS Week is "EMS: Anytime, Anywhere, We'll Be There"; and

WHEREAS, it is appropriate to recognize the value and the accomplishments of emergency medical services providers by designating Emergency Medical Services Week; now

THEREFORE, BE IT RESOLVED, that I, Thomas K. Cauley, Jr., Village President of the Village of Hinsdale, do hereby proclaim the week of May 16-22, 2010 as Emergency Medical Services Week, and call upon the people of Hinsdale to recognize this special observance.

Proclaimed this 18th day of May, 2010

MEMORANDUM

TO:

Board of Trustees

FROM:

David C. Cook, Village Manager

DATE:

May 14, 2010

RE:

Appointments to Boards & Commissions

President Cauley respectfully submits the following list of names for appointment to the Village's various Boards and Commissions:

Design Review Commission

Charles Landefeld reappointed as Chairman for a three-year term through April 30, 2013

Laurel Haarlow reappointed for a three-year term through April 30, 2013

Economic Development Commission

Jan Grisemer reappointed for a three-year term through April 30, 2013 (Resident Member)

Molly Hughes appointed for a three-year term through April 30, 2013 (Resident Member replacing Eileen Crane)

Raul Luis Alvarez appointed for a three-year term through April 30, 2013 (Retail Member replacing Mark Cella)

Finance Commission

Richard M. Burridge, Sr. appointed as Chairman for a three-year term through April 30, 2013 (Replacing Kevin Kane)

Matt Posthuma reappointed to a three-year term through April 30, 2013

Park & Recreation Commission

Diane Griffin reappointed for a three-year term through April 30, 2013 Edward McCarthy reappointed for a three-year term through April 30, 2013 William Otto reappointed for a three-year term through April 30, 2013

Plan Commission

Neale Brynes reappointed as Chairman for a three-year term through April 30, 2013

Julie Crnovich reappointed for a three-year term through April 30, 2013 Luke Stifflear reappointed for a three-year term through April 30, 2013

Zoning Board of Appeals

Keith Giltner reappointed for a five-year term through April 30, 2015 Gary Moberly reappointed for a five-year term through April 30, 2105

Board of Fire and Police Commission

Margaret Arens reappointed to a two-year term through April 30, 2012

Police Pension Board

Donald Klink reappointed for a two-year term through April 30, 2012

Electrical Commission

Lee Stapel reappointed for a three-year term through April 30, 2013

Should the Board concur with President Cauley's appointments, the following motion would be appropriate:

Motion: To move approval of the list of appointments to the various Boards and

Commissions, as recommended by the Village President.

DATE: May 18, 2010

REQUEST FOR BOARD ACTION

AGENDA	ORIGINATING DEPARTMENT
SECTION NUMBER	Community Development
ITEM 722-728 N. York Road - Request: Approval of a	
Temporary Use for a Dry Cleaner	APPROVAL

The Village has received a request to allow a dry cleaner as a temporary use within the building located at 722-728 N. York Road. The Hinsdale Zoning Code provides for *Permitted Temporary Uses* subject to the specific regulations and time limits as provided for in Section 9-103D of the zoning code and to the other applicable regulations of the district in which the use is permitted. The total period of time granted by such temporary use shall not exceed the period of time as specifically identified for that specific use. Where such uses are not specifically permitted, the Board of Trustees <u>may</u> approve such use, subject to the following regulations:

9. Others: In any district, any other temporary use consistent with the purposes of this code and with the purposes and intent of the regulations of the district in which such use is located; provided, however, that any such use shall require the specific prior approval of the board of trustees. The board of trustees shall establish a limitation on the duration of every temporary use approved pursuant to this subsection D9. Any approval granted hereunder shall be deemed to authorize only the particular use for which it was given, and shall not be construed to be any right or entitlement to any subsequent approval hereunder for the applicant or any other person.

As identified in the attached letter, the applicant is proposing the temporary use so that they may determine the appropriate course of action to legally permit the uses which they feel are more suitable to this location given that the building has always contained retail uses and is directly across the street from Gateway Square which is zoned B-1. The applicant had originally intended to rezone the property from O-2 to B-1 however in discussions with the Village Attorney staff was informed that all aspects of the property, including the building location, size, etc., need to comply with the B-1 requirements before legally proceeding with a rezoning. At this time, staff has not been able to secure a plat of survey to confirm that all conditions on the property are conforming. In the event that the property does not meet the minimum standards to rezone, the applicant intends to pursue a text amendment that would allow certain service and retail uses as Special Uses in the O-2 District. This approach would provide the Board the ability to determine the appropriateness of certain uses on a case by case basis given their specific location.

Also stated in the letter, the requested temporary use would allow HOF Cleaners to open and operate their business there while they go through the necessary process. The building owner mistakenly informed the prospective tenant that the use was permitted, due to the fact that retail uses have always occupied those tenant spaces. The tenant proceeded with (and completed) a good percentage of the interior work before receiving a Stop Work Order from the Community Development department on April 30th as dry cleaners are not a permitted use in the O-2 District. The applicant and building owner are now requesting, by approval of the temporary use, that the tenant be permitted to finish out the interior improvements and operate the business while the owner takes the necessary steps required to make the use legal and conforming.

appropriate:					
MOTION:		e to approve a perm remise, at 722-728 N			y cleaner, without a plant thru 11/20/10.

Should the Board find the temporary use request to be satisfactory, the following motion would be

BOARD ACTION:

Attention: Village of Hinsdale, Mr. Dave Cook, Village Manager

Re: Building located at: 722-728 York Rd., Hinsdale

Dear Mr. Cook,

In response to the, "Stop Work Order" on the above mentioned property. I am writing you in request of a temporary use permit for HOF Cleaners for the next 6 months until I can apply for a MAP amendment to rezone the parcel from O-2 to B-1.

My grandfather, Mr. Brockman, buildt this building in 1950 for his plumbing business which also was a retail shop. The York Barber Shop which is still on location has also been a retail shop. The Draperie Connection which moved out of the building recently, is now being updated for HOF Cleaners. The Draperie Connection was also a retail shop. HOF Cleaners is only going to be a drop off site. No cleaning will be performed at this location.

Again, I am asking for a temporary use permit as we file for rezoning.

Sincerely.

Robert W. Brockman

ITEM Text Amendment to Title 7 of the Village Code of Hinsdale as it	
relates to Commercial Use of Sidewalk Space	APPROVAL

As a result of requests received by local businesses, the Village is proposing an amendment to Title 7 (Public Ways and Properties), Chapter 1 (Streets and Sidewalks), Section 7-1-5.1 (Commercial Use of Sidewalk Space) of The Village Code of Hinsdale as it relates to outdoor seating and commercial use of sidewalk space. Businesses in the B-2 Downtown Business District have identified complications with the current requirements that would apply to outdoor seating located on the public sidewalks immediately adjacent to their establishment. In many cases the obstructions referenced in the attached ordinance restrict the applicant to the extent that they are prohibited from having outdoor seating during the warmer months of the year. Due to these concerns, staff is recommending that the current clearance requirement from these obstructions be reduced from 6 feet to 4 feet. The Americans with Disabilities Act indicates that a public walk may be reduced to 4 feet provided that a passing area of 5 feet is provided every 200 feet. Provided this requirement can be satisfied, the text amendment would provide more flexibility to business owners in the downtown while still maintaining enough sidewalk clearance for foot traffic and minimum ADA requirements.

MOTION: The Board of Trustees adopt an Ordinance Amending Title 7 (Public Ways and Properties), Chapter 1 (Streets and Sidewalks), Section 7-1-5.1 (Commercial Use of Sidewalk Space) of The Village Code Of Hinsdale.

VILLAGE OF HINSDALE

ORDINANCE NO	Э.		

AN ORDINANCE AMENDING SECTION 7-1-5.1 ("COMMERCIAL USE OF SIDEWALK SPACE") OF CHAPTER 1 ("STREETS AND SIDEWALKS") OF TITLE 7 ("PUBLIC WAYS AND PROPERTIES") OF THE VILLAGE CODE OF HINSDALE

BE IT ORDAINED by the President and Board of Trustees of the Village of Hinsdale, DuPage and Cook Counties, Illinois, as follows:

<u>Section 1.</u> <u>Village Code Amended.</u> Section 7-1-5.1 ("Commercial Use of Sidewalk Space") of Chapter 1 ("Streets and Sidewalks") of Title 7 ("Public Ways and Properties") of the Village Code of Hinsdale is hereby amended by adding the underlined language to read as follows:

7-1-5.1: COMMERCIAL USE OF SIDEWALK SPACE:

- D. Conditions: The use of public sidewalks for restaurant tables and chairs shall be permitted only under the following conditions:
 - 5. In no event shall a use permitted by this section reduce the open portion of any sidewalk to less than six feet (6') four feet (4') in width. For the purposes of this subsection, "open portion" shall be defined as that area of sidewalk lying between the outermost restaurant table or chair placed in its normal position for use by restaurant patrons and the curb or, if closer, the nearest obstruction, including, but not limited to, any parking meter, traffic sign, tree well, bicycle rack or other natural or manmade object located on the sidewalk.

Section 2. Severability and Repeal of Inconsistent Ordinances. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Ordinance. All ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 3. Effective Date. This Ordinance shall be in full force and effect from and after its passage, approval, and publication in pamphlet form in the manner provided by law.

ITEM Clarendon Hills Sewer Improvements Project	APPROVAL Dan Deeter
Request for early start time by Joel Kennedy	Village Engineer
Construction Corp. from 8:00 to 7:00 AM	

As part of the Clarendon Hills Sewer Improvements Project, Joel Kennedy Construction Corporation is directional drilling a force main under the streets of southwest Hinsdale. The force main route is Fourth Street between Jackson and Adams, Adams Street between Fourth and Ninth, Ninth Street between Adams and Bodin, and Bodin Street between Ninth and 55th Street. Construction is scheduled to be conducted between 4/26/10 to 08/31/10.

Directional Drilling consists of excavating pits every +/-600-feet, drilling between the pits, and then pulling the force main pipe from one pit to another. This construction method produces the least impact on the street surface. The direction drill machine creates minimal noise during operations.

Once the hole has been drilled, the pipe must be pulled between the excavations at one time. This can take between 8 – 12 hours. Joel Kennedy Construction Corp. is requesting to change the daily early start time from 8:00 to 7:00 AM. The earlier start time would avoid a potential late completion time during the pipe pulling operation days and would accelerate completion by two weeks.

MOTION: To Approve a Request from Joel Kennedy Construction to Change the Early Start Time of the Clarendon Hills Sewer Improvements Project, as it relates to directional drilling operations only, from 8:00 to 7:00 AM, said change subject to revocation by the Village at any time.

Village of Hinsdale 19 E. Chicago Ave. Hinsdale, IL 60521

Attn: Mr. Dan Deeter, Village Engineer

Re: Flagg Creek Water Reclamation District

Subject: Work Hours- 7:00am Start

Dear Mr. Deeter,

Joel Kennedy Constructing Corp will be directional drilling a 24" diameter forcemain in the Village of Hinsdale, for the Flagg Creek Water Reclamation District Project. We would like to have permission to start work at 7:00am.

Directional drilling is not your typical sewer or watermain installation, it is more of a tunneling method, thus, having less construction equipment as well as less trucks on site. In addition, the directional drilling machine is stationery with less sound decibels; thus, it has no back-up alarm, which is usually the reason for the resident's complaints.

Due to this tunneling operation, once we begin to install the pipe we cannot stop until the section is completely installed. This can be anywhere from an 8 hour day to a 12 hour day. This is the main reason we are requesting a 7:00am start time.

In addition, we believe by starting at 7:00am, this will shorten the overall project time by a two week period, thus, shortening the time for inconvenience to the surrounding resident.

If you should need any further information, please call.

Very Truly Yours.

Joel Kennedy Constructing Corp.

AGENDA	ORIGINATING Community
SECTION NUMBER EPS Consent Agenda	DEPARTMENT Development
ITEM To Approve an Ordinance Approving an Intergovernmental Agreement between the Village of DuPage and the County of DuPage for the Illicit Discharge Detection and Elimination (IDDE) Program	APPROVAL Daniel M. Deeter Village Engineer

The IEPA's General National Pollution Discharge Elimination System (NPDES) Permit No. ILR40 requires counties and municipalities to develop, implement and enforce a program to detect and eliminate illicit discharges in the municipal separate storm sewer system (MS4). The purpose of this program is to improve the water quality of local waterways (ponds, streams, etc.) per the Clean Water Act. DuPage County has implemented an IDDE program. They are assisting their municipalities to implement an IDDE.

The IDDE program is designed to detect, trace back to its origins, and eliminate non-stormwater* discharges in a storm drainage system. On a periodic basis, storm sewer outfalls into local waterways will be sampled. If a contaminant is found, the contaminant is traced back through the storm sewer system to its source. The source is fined and must correct the discharge. As part of the county IDDE, DuPage County Department of Environmental Concerns has developed three methodologies for municipalities to implement an IDDE.

- 1) In the <u>Full participation</u> program, the county will periodically inspect the outfalls. If a contaminant is detected, the county will trace it back to the source with the assistance of the municipality. The municipality has the responsibility to prosecute the persons in violation. An intergovernmental agreement (IGA) is required.
- 2) In the <u>Partial participation</u> program, the county will periodically check the outfalls. The municipality will trace any contaminants detected back to the source. The municipality has the responsibility to prosecute the persons in violation. An IGA is required.
- 3) In the <u>Non-participation</u> program, the municipality is responsible for developing and implementing an IDDE program to ensure compliance with the Illinois EPA NPDES regulations. No IGA is required.

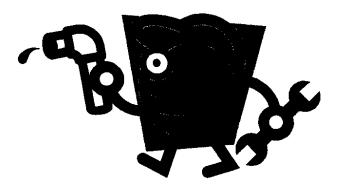

The County currently has funding to support the full participation or partial participation programs at no additional charge to the municipality. This will allow DuPage County to establish a "baseline" of illicit discharge conditions in the county. The majority of DuPage County municipalities are adopting the full participation IDDE program. Staff is recommending that the Village adopt the full participation program.

*Exceptions to the "non-stormwater" rule are attached.

Motion: To Approve an Ordinance Approving an Intergovernmental Agreement Between the Village of Hinsdale and the County of DuPage, Illinois for the Implementation of the Illicit Discharge Detection and Elimination Program.

- Discharges of flows from fire fighting activities
- Dechlorinated water reservoir discharges

• • • Exemptions

- Pavement washwaters where spills or leaks of toxic or hazardous materials have not occurred (unless all spilled material has been removed)
- o Discharges associated with dye testing of water line, sanitary sewers, storm sewers, private drains, or septic systems; however, this activity shall not take place until the discharger, or tester, has provided notification to the Department at least two (2) full business days prior to the test date, unless an emergency situation does not allow time for such notification
- o Other discharges approved by the Department as being substantially like any of the discharges enumerated in Section 16-41.3 of this Ordinance

VILLAGE OF HINSDALE

ORDINANCE NO. O2010-____

AN ORDINANCE APPROVING AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF HINSDALE AND THE COUNTY OF DUPAGE, ILLINOIS FOR THE IMPLEMENTATION OF THE ILLICIT DISCHARGE DETECTION AND ELIMINATION PROGRAM

WHEREAS, Article 7, Section 10 of the Constitution of the State of Illinois of 1970 and the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq. (2010), authorize units of local government to contract or otherwise associate among themselves to obtain or share services and to exercise, combine, or transfer any power or function in any manner not prohibited by law or by ordinance; and

WHEREAS, the Village of Hinsdale ("Village") and the County of DuPage ("County") are public agencies as that term is defined in Section 2 of the Intergovernmental Cooperation Act, 5 ILCS 220/2; and

WHEREAS, the Village and the County have determined that it is in their best interests to cooperate to develop and implement a program to monitor and trace illicit discharges into the Village's storm drainage system as one of the minimum control measures for the Village's stormwater management program; and

WHEREAS, pursuant to said cooperation, the Village and the County have determined to enter into an Intergovernmental Agreement for the Implementation of the Illicit Discharge Detection and Elimination Program ("Intergovernmental Agreement") to define the various responsibilities of the Village and the County; and

WHEREAS, pursuant to said Intergovernmental Agreement, the County shall conduct monitoring and tracing responsibilities associated with illicit discharge detection and elimination subject to the terms and conditions set forth herein.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Hinsdale, DuPage and Cook Counties and State of Illinois, as follows:

Section 1. Recitals Incorporated. The above recitals are incorporated herein as though fully set forth.

Section 2. Agreement Approved. The Intergovernmental Agreement between the Village of Hinsdale and the County of DuPage, Illinois for the

Implementation of the Illicit Discharge Detection and Elimination Program, attached hereto and incorporated herein by reference as <u>Exhibit A</u>, is approved in substantially the form attached.

- Section 3. Execution of Intergovernmental Agreement. The Village President and the Village Clerk are directed to execute the Agreement on behalf of the Village in substantially the form attached.
- Section 4. Severability and Repeal of Inconsistent Ordinances. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Ordinance. All ordinances in conflict herewith are hereby repealed to the extent of such conflict.
- Section 5. Effective Date. This Ordinance shall be in full force and effect after its passage, approval, and publication in pamphlet form in the manner provided by law.

-FULL PARTICIPANT AGREEMENT-

AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF HINSDALE AND THE COUNTY OF DUPAGE, ILLINOIS FOR THE IMPLEMENTATION OF THE ILLICIT DISCHARGE DETECTION AND ELIMINATION PROGRAM

THIS INTERGOVERNMENTAL AGREEMENT is entered into this ______ of ______, 2010 between the Village of Hinsdale of DuPage County (hereinafter referred to as the "MUNICIPALITY") a body corporate and politic, with offices at 19 East Chicago Avenue, Hinsdale, Illinois 60521-3489 and the County of DuPage, Illinois (hereinafter referred to as the "COUNTY") a body corporate and politic, with offices at 421 North County Farm Road, Wheaton, Illinois 60187-3978.

RECITALS

WHEREAS, the MUNICIPALITY and COUNTY are public agencies within the meaning of the Illinois "Intergovernmental Cooperation Act", as specified in Illinois Statute, 5 ILCS 220/1 et. seq., and as authorized by Article 7, Section 10 of the Constitution of the State of Illinois; and

WHEREAS, the purposes of the "Intergovernmental Cooperation Act" and Article 7 of the Constitution of the State of Illinois include fostering cooperation among governmental bodies; and

WHEREAS, General National Pollutant Discharge Elimination System ("NPDES")
Permit No. ILR40 authorizes discharges from Small Municipal Separate Storm Sewer Systems (MS4s); and

WHEREAS, MS4s are defined in 40 CFR 122.26(b)(16) as designated for permit authorization pursuant to 40 CFR 122.32; and

WHEREAS, the COUNTY and MUNICIPALITY each submitted an Illinois MS4 Notice of Intent ("NOI") to the Illinois Environmental Protection Agency ("IEPA") for coverage under ILR40; and

WHEREAS, the COUNTY and MUNICIPALITY noted on their respective NOI that they intend to act as cooperating permit holders to fulfill the requirements of ILR40's Illicit Discharge Detection and Elimination (IDDE) minimum control measure; and

WHEREAS, the General NPDES Permit No. ILR40 requires development, implementation, and enforcement of a storm water management program designed to reduce the discharge of pollutants from small municipal storm sewer systems to the maximum extent practicable to protect water quality, and to satisfy the appropriate water quality requirements of the Illinois Pollution Control Board Rules and Regulations (35 III. Adm. Code, Subtitle C, Chapter 1) and the Federal Water Pollution Control Act (33 U.S.C. § 1251 et seq.); and

WHEREAS, the storm water management program must include the minimum control measures described in the General NPDES Permit No. ILR 40, Part IV, Section B; and

WHEREAS, the General NPDES Permit No. ILR40 Part IV, Section D authorizes Sharing Responsibility; and

WHEREAS, the COUNTY agrees to develop and implement a program to monitor and trace illicit discharges into small MS4s on behalf of the MUNICIPALITY as one of the minimum control measures for its stormwater management program; and

WHEREAS, the COUNTY and the MUNICIPALITY recognize that additional benefits of illicit discharge detection and elimination include increased water quality, reduction in pollutant loads in waterways, improved wildlife habitat, and public education opportunities; and

WHEREAS, the COUNTY has adopted the DuPage County Illicit Discharge Detection and Elimination Ordinance (ORDINANCE) to ensure the health, safety, and general welfare of the citizens of DuPage County, and protect and enhance water quality in a manner pursuant to and consistent with the Federal Water Pollution Control Act (33 U.S.C. § 1251 et seq.) through the regulation of non-storm water discharges to the storm drainage system; and

WHEREAS, the MUNICIPALITY has adopted an ordinance pursuant to this Agreement adopting the COUNTY'S ORDINANCE by reference; and

WHEREAS, the COUNTY and the MUNICIPALITY have determined that it is in their best interest to cooperate in the enforcement and implementation of their respective ordinances; and

WHEREAS, the COUNTY and the MUNICIPALITY have determined that it is reasonable, necessary, and in the public interest and welfare for the COUNTY to conduct monitoring and tracing responsibilities associated with illicit discharge detection and elimination subject to the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the foregoing preambles and the promises, terms and conditions set forth herein, and in the spirit of intergovernmental cooperation, the parties agree as follows:

1.0 RECITALS INCORPORATED.

1.1 The foregoing recitals are hereby incorporated as though fully set forth herein.

2.0 COUNTY RIGHTS AND RESPONSIBILITIES.

2.1 The COUNTY agrees to undertake the monitoring of outfalls and tracing of illicit discharges within the municipal limits of the MUNICIPALITY utilizing COUNTY personnel and equipment.

- 2.2 The COUNTY agrees to prepare, at its sole expense, plans, processes, and procedures for the program meeting the requirements of the NPDES permit to monitor and trace illicit discharges into the MS4 on behalf of the MUNICIPALITY.
- 2.3 The COUNTY agrees to obtain copies of the Notice of Intent (NOI) for each facility within the jurisdiction of the COUNTY and the MUNICIPALITY having an individual NPDES permit to discharge storm water associated with industrial activity through the IEPA for the purposes of fair and accurate monitoring and tracing.
- 2.4 The COUNTY agrees to monitor MS4 outfalls within the jurisdiction of the MUNICIPALITY, and to the extent it is so authorized, trace all discharges determined to be illicit with the objective of identifying the source of such illicit discharge.
- 2.5 The COUNTY agrees to notify the MUNICIPALITY within a reasonable time prior to the COUNTY conducting dye testing as part of tracing procedures.
- 2.6 The COUNTY agrees to notify the MUNICIPALITY within twenty four (24) hours of detecting an illicit discharge within the municipal limits of the MUNICIPALITY. Promptly upon completion of the COUNTY'S investigation, the COUNTY shall inform the MUNICIPALITY of the location of the illicit discharge, the time(s) and date(s) of the discharge, and any additional information that would be necessary or prudent for the MUNICIPALITY to have in order to carry out enforcement proceedings.
- 2.7 The COUNTY agrees to provide the MUNICIPALITY with any information required for enforcement action and prosecution by the MUNICIPALITY and produce County personnel in court, as necessary and upon adequate notice.
- 2.8 The COUNTY agrees to create and manage a countywide hotline for reporting illicit discharges.
- The COUNTY agrees to prepare the Illicit Discharge Detection and Elimination section of the annual report on behalf of the MUNICIPALITY. The annual report is required by the IEPA and is due by June 1st of each year in accordance with General NPDES Permit No. ILR40. The COUNTY will submit a copy of the Illicit Discharge Detection and Elimination section annual report to both the IEPA and the MUNICIPALITY.

3.0 MUNICIPALITY RIGHTS AND RESPONSIBILITIES

- 3.1 The MUNICIPALITY agrees to provide the COUNTY with a current storm sewer atlas. If a storm sewer atlas is not available, the MUNICIPALITY will work to provide a storm sewer atlas to the COUNTY within two (2) months.
- 3.2 The MUNICIPALITY agrees to provide annual updates of the storm sewer atlas to the COUNTY.
- 3.3 The MUNICIPALITY agrees to assign to the COUNTY any rights of access to the storm drainage system under the jurisdiction of the MUNICIPALITY as the COUNTY deems necessary.
- The MUNICIPALITY agrees to provide timely prosecution of any person found to be in violation of their ordinance that fail to come into compliance in accordance with the ordinance, provided that the MUNICIPALITY receives timely notification from the COUNTY that a violation exists. Further, the COUNTY agrees to provide prosecution witnesses required without cost to the MUNICIPALITY.
- 3.5 The MUNICIPALITY shall provide the COUNTY with documentation of any enforcement action and prosecution from the previous one (1) year for inclusion in the annual report.

4.0 GOVERNMENT REGULATION.

The COUNTY and the MUNICIPALITY shall each comply with the applicable requirements of all county, municipal, state, federal and other applicable governmental authorities, now in force, or which may hereafter be in force, pertaining to the performance of this Agreement, with the most stringent standards governing.

5.0 MISCELLANEOUS TERMS.

- 5.1 This Agreement shall be approved by Ordinance and executed for and on behalf of the COUNTY and MUNICIPALITY.
- 5.2 Certified copies of each party's respective adopting ordinance or resolution shall be attached hereto and made a part hereof as evidence of the authority exercised by the undersigned officers of the COUNTY and MUNICIPALITY.
- 5.3 This Agreement shall become effective upon the date set forth above, and continue in full force and effect unless terminated in accord with Paragraph 5.5,

below.

- This Agreement may be amended or modified only by written instrument duly approved and signed by both parties to the Agreement.
- 5.5 Either party may give notice of its intent to terminate this Agreement in accord with Paragraphs 8.1 and 8.2 below.
- 5.6 This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.
- 5.7 The headings of the paragraphs and subparagraphs of this Agreement are inserted for convenience of reference only and shall not be deemed to constitute part of this Agreement or to affect the construction hereof.

6.0 ENTIRE AGREEMENT.

This Agreement represents the entire agreement between the COUNTY and MUNICIPALITY with respect to the Illicit Discharge Detection and Elimination Program and supersedes all prior negotiations, representations or agreements, either written or oral.

7.0 NOTICES REQUIRED UNDER THIS AGREEMENT.

7.1 All notices required to be given under the terms of this Agreement shall be in writing and either (a) served personally during regular business hours; (b) served by facsimile transmission and e-mail during regular business hours; or (c) served by certified or registered mail, return receipt requested, properly addressed with postage prepaid. Notices served upon the MUNICIPALITY shall be directed to:

Village of Hinsdale
Engineering Division
Attn: Stormwater Administrator
19 E. Chicago Avenue
Hinsdale, IL 60521-3489
Fax: 630-789-7016

E-mail: ddeeter@villageofhinsdale.org

Notices served upon the COUNTY shall be directed to:

DuPage County Stormwater Management Division Attn: Director, Stormwater Management 421 N. County Farm Road Wheaton, IL 60187-3978 Fax: 630-407-6701

E-mail: Water.Quality@dupageco.org

Notices served personally or by facsimile transmission and e-mail shall be effective upon receipt, and notices served by mail shall be effective upon receipt as verified by the United States Postal Service. Each party may designate a new location for service of notices by serving notice thereof in accordance with the requirements of this paragraph.

8.0 TERM OF AGREEMENT

- 8.1 As will be used for staff and budget requirements, the COUNTY and the MUNICIPALITY agree to not change enforcement status within the term of this Agreement.
- 8.2 This agreement will expire on the 31st of March, 2013. This agreement can be extended for additional NPDES permit cycles at the mutual agreement of both parties. The permit cycle is defined for a five (5) year period beginning one (1) year before the expiration date of the current NPDES permit for the MUNICIPALITY and continues until one (1) year before the expiration of the subsequent NPDES five (5) year permit.

9.0 <u>SEVERABILITY</u>

9.1 In the event any provision of this Agreement shall be held to be unenforceable or void, such provision shall be deleted and all other provisions shall remain in full force and effect to the fullest extent allowed by law and equity.

10.0 GOVERNING LAW

10.1 This Agreement will be governed by the laws of the State of Illinois as to both interpretation and performance. The forum for resolving disputes concerning the party's respective performance, or failure to perform, under this Agreement, will be the judicial circuit court for DuPage County.

REQUEST FOR BOARD ACTION

AGENDA	ORIGINATING Community
SECTION NUMBER EPS Consent Agenda	DEPARTMENT Development
ITEM To Approve an Ordinance Adding a New Article I (Illicit	APPROVAL Daniel M. Deeter
Discharge Detection and Elimination) to Chapter 4	Village Engineer
(Waterworks and Sewerage System), Title 7 (Public Ways	
and Properties) of the Village Code of Hinsdale	

The IEPA's General National Pollution Discharge Elimination System (NPDES) Permit No. ILR40 requires counties and municipalities to develop, implement and enforce a program to detect and eliminate illicit discharges in the municipal separate storm sewer system (MS4). The purpose of this program is to improve the water quality of local waterways (ponds, streams, etc.) per the Clean Water Act. DuPage County has implemented an IDDE program. They are assisting their municipalities to implement an IDDE under a <u>Full Participation</u> program.

In the Full Participation program, the county will periodically inspect the outfalls. If a contaminant is detected, the county will trace it back to the source with the assistance of the municipality. The municipality has the responsibility to prosecute the persons in violation. An intergovernmental agreement (IGA) is required.

Under the Full Participation program, the municipality must adopt the County Ordinance and incorporate it by reference into the Village Code of Hinsdale.

Motion: To Approve an Ordinance Adding a New Article I (Illicit Discharge Detection and Elimination) to Chapter 4 (Waterworks and Sewerage System), Title 7 (Public Ways and Properties) of the Village Code of Hinsdale.

APPROVAL	APPROVAL	APPROVAL	APPROVAL	MANAGER'S APPROVAL				
COMMITTEE ACTION: At the Environment and Public Services Committee meeting on May 10, 2010, the above motion was unanimously approved.								

BOARD ACTION:

VILLAGE OF HINSDALE

ORDINANCE NO. O2010-____

AN ORDINANCE ADDING A NEW ARTICLE I (ILLICIT DISCHARGE DETECTION AND ELIMINATION) TO CHAPTER 4 (WATERWORKS AND SEWERAGE SYSTEM), TITLE 7 (PUBLIC WAYS AND PROPERTIES) OF THE VILLAGE CODE OF HINSDALE

WHEREAS, federal regulations issued by the United States Environmental Protection Agency ("USEPA") under the National Pollutant Discharge Elimination System (NPDES) Phase II program require that all municipal separate storm sewer systems ("MS4s"), partially or fully in urbanized areas based on the 2000 census, obtain stormwater permits for their discharges into receiving waters; and

WHEREAS, the Village of Hinsdale ("Village") operates its own MS4; and

WHEREAS, in the State of Illinois, the USEPA has delegated administration of the federal NDPES program to the Illinois Environmental Protection Agency (IEPA); and

WHEREAS, on February 20, 2009, the IEPA issued General NPDES Permit No. ILR40 ("Permit No. ILR40") for all MS4s; and

WHEREAS, Permit No. ILR40 authorizes discharges from MS4s to any surface water of the State; and

WHEREAS, Permit No. ILR40 requires development, implementation, and enforcement of a storm water management program designed to reduce the discharge of pollutants from MS4s to the maximum extent practicable to protect water quality, and to satisfy the appropriate water quality requirements of the Illinois Pollution Control Board Rules and Regulations (35 III. Adm. Code, Subtitle C, Chapter 1) and the Federal Water Pollution Control Act (33 U.S.C. § 1251 et seq.); and

WHEREAS, the storm water management program must include the minimum control measures described in Permit No. ILR 40, Part IV, Section B; and

WHEREAS, the General NPDES Permit No. ILR40 Part IV, Section D authorizes sharing responsibility; and

WHEREAS, the County of DuPage ("County") has agreed to develop and implement a program to monitor and trace illicit discharges into small MS4s on behalf of the Village as one of the minimum control measures for the Village's stormwater management program; and

WHEREAS, the County has adopted the DuPage County Illicit Discharge Detection and Elimination Ordinance ("County Ordinance") to ensure the health, safety, and general welfare of the citizens of DuPage County, and protect and enhance water quality in a manner pursuant to and consistent with the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., through the regulation of non-storm water discharges to the storm drainage system; and

WHEREAS, the Village has determined to adopt the County Ordinance and incorporate it by reference into the Village Code of Hinsdale ("Village Code") pursuant to this Ordinance which shall be enforced as more fully set forth in an Intergovernmental Agreement between the County and the Village to meet the requirements of the applicable federal regulations and Permit No. ILR40.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Hinsdale, DuPage and Cook Counties and State of Illinois, as follows:

Section 1. <u>Village Code Amended</u>. Title 7 (Public Ways and Properties), Chapter 4 (Waterworks and Sewerage System) of the Village Code of Hinsdale is amended by adding a new Article I (Illicit Discharge Detection and Elimination) to read as follows:

7-41-1: ADOPTION BY REFERENCE:

There is hereby adopted, for the purpose of establishing regulations and standards for the detection and elimination of illicit discharges into the storm drainage system throughout the village, the "DuPage County Illicit Discharge Detection and Elimination Ordinance" (the "County Ordinance") in effect as of May 26, 2009, as the Illicit Discharge Detection Elimination Ordinance of the Village, as if fully set forth in this article, and each and all of the regulations therein, including any and all amendments that may, from time to time, be adopted by the County of DuPage. Copies thereof shall be made available in the office of the village clerk.

7-4I-2 NOTICE OF FULL PARTICIPATION:

This article shall serve as notice that the village has chosen to be a "Full Participant" as provided for in Section 16-31(1) of the County Ordinance with the County of DuPage for purposes of the enforcement of the County Ordinance within the village's territorial jurisdiction.

7-4I-3 AMENDMENTS, REVISIONS, AND CHANGES:

The following sections of the County Ordinance are hereby amended, revised and changed as follows:

(A) Sections 16-12. (Definitions): Change section as follows:

Delete the definition of "Committee" in its entirety and replace it with "Stormwater Oversight Committee of the Village."

Delete the definition of Department in its entirety and replace it with "the Village's Department of Community Development."

Delete the definition of "Director in its entirety and replace it with "Village Engineer."

Add the definition of Stormwater Oversight Committee of the Village to the list of definitions: "Stormwater Oversight Committee of the Village. The Environment and Public Services Committee of the Board of Trustees of the Village."

Add the definition of Village to the list of definitions: "Village. The Village of Hinsdale, Illinois."

(B) Section 16-31 (Participating Communities): Change section as follows:

Delete the word "Department" in subsections 1b, 1c, and 1e and replacing it with "DuPage County Stormwater Management Division."

(C) Section 16-33 (Duties of Director): Change section as follows:

Delete the word "communities" in subsection 3 and replace it with the words "DuPage County Stormwater Management Committee."

(D) Section 16-34 (Representative Capacity): Change section as follows:

Delete the word "County" and replace it with "Village."

(E) Section 16-42 (Prohibitions of Illicit Connections): Change section as follows:

Delete the word "Department" in the last sentence of subsection 5 and replace it with "DuPage County Stormwater Management Division."

(F) Section 16-50 (Submission of Notice of Intent (NOI) to the Department): Change section as follows:

Delete the word "Department" in subsections 1, 2, and 3, and replace it with "DuPage County Stormwater Management Division."

(G) Section 16-56 (Compliance Monitoring): Change section as follows:

Delete the word "Department" in subsection 1b and replace it with "DuPage County Stormwater Management Division."

(H) Section 16-62 (Notice to Correct Violations: Director May Take Action): Change section as follows:

Delete "County of DuPage" in subsection 2 and replace it with the words "Village of Hinsdale"

(I) Section 16-86 (Right of Appeal): Change section as follows:

Delete "Stormwater Committee of the DuPage County Board" in subsection 1 and replace it with "Committee."

Delete the words "County Board" and "Stormwater" from subsection 3."

Delete subsection 4 in its entirety.

Section 2. Severability and Repeal of Inconsistent Ordinances. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Ordinance. All ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Participation in the DuPage Mayors & Managers ITEM Conference Vehicle & Public Works Auction	APPROVAL

Staff is requesting permission to participate in the DuPage Mayors and Managers Conference Vehicle and Public Works Equipment Auction to be held at the DuPage County Fairground in Wheaton, Illinois on Saturday, June 12, 2010. The vehicles to be considered for the auction are:

- 1. 1998 Ford Taurus
- 2. 2000 Chevy Pick -up with plow
- 3. 2003 Ford Crown Victoria
- 4. 1998 American Lincoln sidewalk sweeper

The attched inventory form provides further details on these vehicles.

Motion: To Recommend to the Board of Trustees Approval of an Ordinance Authorizing the Sale by Auction of Personal Property Owned by the Village of Hinsdale.

STAFF APPROVALS

APPROVAL	APPROVAL	APPROVAL	APPROVAL	MANAGER'S APPROVAL				
COMMITTEE ACTION: At the Environment and Public Services Committee meeting on May 10, 2010, the above motion was unanimously approved.								
BOARD ACTI	ON:							

Village of Hinsdale Ordinance No._

An Ordinance Authorizing the Sale by Auction of Personal Property Owned by the Village of Hinsdale

WHEREAS, in the opinion of at least a simple majority of the corporate authorities of the Village of Hinsdale, it is no longer necessary or useful to or for the best interests of the Village of Hinsdale, to retain ownership of the personal property hereinafter described; and

WHEREAS, it has been determined by the President and Board of Trustees of the Village of Hinsdale to sell said property at the DuPage Mayors and Managers Conference public auction to be held on June 12, 2010.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF HINSDALE:

Section One: Pursuant to 65 ILCS 5/11-76-4, the President and Board of Trustees of the Village of Hinsdale find that the personal property listed on the form attached (Exhibit A) to this Ordinance and now owned by the Village of Hinsdale, is no longer necessary or useful to the Village of Hinsdale and the best interests of the Village of Hinsdale will be served by its sale.

7	/IN	YEAR	MAKE	MODEL	MINIMUM PRICE
1	FAFP52U9WG271941	1998	FORD	TAURUS	\$500.00
1	GCEK14V6YZ278047	2000	CHEVY	PICK-UP	\$1,000.00

6	30318	1998	AMERICAN LINCOLN	SWEEPER	\$300.00

Section Two: Pursuant to said 65 ILCS 5/11-76-4, the Village Manager is hereby authorized and directed to sell the aforementioned personal property now owned by the Village of Hinsdale at the DuPage Mayors and Managers Conference public auction, on or after Saturday, June 12, 2010, at the DuPage County Fairgrounds, 2015 W Manchester Road, Wheaton, IL 60187, to the highest bidder on said property.

<u>Section Three:</u> The Village Manager is hereby authorized and may direct the DuPage Mayors and Managers Conference to advertise the sale of the aforementioned personal property in a newspaper published within the community before the date of said public auction.

<u>Section Four:</u> No bid which is less than the minimum price set forth in the list of property to be sold shall be accepted except as authorized by the Village Manager or his agent.

<u>Section Five:</u> The Village Manager is hereby authorized and may direct the DuPage Mayors and Managers Conference to enter an agreement for the sale of said personal property. The Conference will charge an administrative fee, which will come out of the proceeds from the sale of surplus vehicles and equipment.

<u>Section Six:</u> Upon payment of the full auction price, the Village Manager is hereby authorized and directed to convey and transfer title to the aforesaid personal property, to the successful bidder.

<u>Section Seven:</u> This Ordinance shall be in force and effect from and after its passage, by a simple majority vote of the corporate authorities, and approval in the manner provided by law.

AGENDA EDG A	ORIGINATING DEPARTMENT				
SECTION NUMBER EPS Agenda	DEPARTMENT Community Development				
ITEM Contract Change Order #1	APPROVAL Dan Deeter				
SEC Group, Inc. An HR Green Company	Village Engineer				
2010 Resurfacing Project Engineering Services					

Staff is recommending approval of the attached change order 1. Subsequent to the original contract, the Village has increased the scope of the resurfacing project by 0.62-miles of streets in/around the Woodlands neighborhood. This increased scope has increase the amount of engineering design, plan preparation, and construction observation by \$3,815.00.

The increased engineering services' fee and the revised engineer's estimate of probable construction costs are shown below.

Original 2010 Resurfacing Project	\$	809,281.61
Additional 2010 Resurfacing Streets	\$	192,501.39
Revised Engineer Services		
Design	\$	35,065.00
Construction Observation	\$	25,545.00
Mills Street Water Main Improvements	\$	248,306.10
Engineering Services		
Topographic Survey	\$	2,825.00
Design	\$	9,395.00
Construction Observation	\$	2,200.00
KLM Entrance Paving (Parks Dept funds	s)\$	-25,000.00
Total	\$1	,300,019.00

The increased engineering services' fee and the revised engineer's estimate of probable construction costs exceed the Village budget of \$1,200,000 by 8.33%. There are two alternatives to keep the project within the budget. 1) The engineer's estimate includes bituminous paving and water main line item pricing that is conservative (on the high side of the expected range). We believe bid pricing will meet the budget. 2) The contract includes a specification allowing a reduction in scope without a change to the unit costs.

MOTION: To Approve a Resolution for the 2010 Resurfacing Project Engineering Services Contract Change Order Number 1 in the amount of \$ 3,815.00 to SEC Group, Inc. An HR Green Company.

ITEM Request from the Hinsdale American Legion	Darrell Langlois
Post #250 to conduct the Annual Memorial Day Parade	APPROVAL Assistant Village Manager/
with Village services provided	Finance Director

The Village of Hinsdale has received a request for permission from the Hinsdale American Legion Post #250 to conduct its annual Memorial Day Parade on May 31, 2010. The Parade would start at 10:00 a.m., and due to the Garfield Street construction the parade will follow an alternative route this year beginning at 6th and Washington Street and proceeding north. There will be a ceremony at the Memorial Building following the parade.

The American Legion is asking for:

- 1. Permission to hold the Parade.
- 2. Police escort service as has been provided in the past.
- 3. Village services in connection with setting up the stage and chairs, as well as electrical hook-up for the Ceremony and use of the two speaker units that the Village now owns.
- 4. Permission to display a banner on the SW corner of Chicago Ave and Garfield in order to inform residents about the parade and promoting Poppy Day.

The Poppy Day will be held on May 27, 2010 at private businesses as well as the Train Station. They are seeking permission for the use of the train station for this event.

Should the Committee concur with the Legion's request, the following motion would be appropriate:

MOTION: To recommend approval of a request from the Hinsdale American Legion Post 250 to conduct the Annual Memorial Day Parade with Village services provided, as well as permission to utilize the Train Station as part of the Poppy Day fund raising activities with a properly approved solicitation permit.

VILLAGE OF HINSDALE SOCIAL MEDIA POLICY

SOCIAL MEDIA POLICY

PURPOSE

To address the fast-changing landscape of the Internet and the way public communicates and obtains information from the village online.

DEFINITION

Social media is any website or medium (including video) that allows for interactive communication in the open with Internet users. Examples of social media include Facebook and Twitter (social networking), YouTube (video sharing), and Flickr (online photo management and sharing). These social media networks provide two-way communication with visitors, as opposed to a website, which only offers one-way/outgoing communication.

GENERAL

With social media becoming a relevant resource for local government to communicate with the public, the village has developed this policy to incorporate the use of these applications. The village will not utilize its selected social networks as a chat tool. Only pre-approved materials are to be posted. Designated social media users are only to 'reply' to comments made by others if the 'reply' has been approved.

PROCEDURE

The village encourages the use of social media to further its goals and the missions of its departments where appropriate. Social medial will also assist the village to deliver its core services.

- A. All official village presences on social media sites or services are considered an extension of the village's information networks.
- B. The Village Manager, through a social media administrator, will approve what social media outlets are suitable for use by the village.
- C. Of those social media sites selected for use, the village will use a single account that is branded with the village logo. Additional accounts may be considered after review by the social media administrator and approved by the Village Manager.
- D. The social media administrator will monitor social media use and must review and approved all content prior to posting. Content will be reviewed for appropriateness, quality, consistency with overall village message and branding, priority, goals, etc.

- 1. Department specific content review and approval may be delegated to that department, which will allow that department to work independently from the village social media accounts.
 - a. Those departmental approvers/content providers must have that department director's approval before being considered by the village social media administrator for delegation of this responsibility to that department.
 - b. Departmental social media administrators must be in compliance with this procedure and may not establish more liberal procedures or practices without the review of the village social media administrator and approval of the Village Manager.
 - c. Departmental social medial administrators must provide a monthly update as to its social media usage. This is to be reported within the department's monthly report document.
- E. Employees granted permission to use these outlets are responsible for complying with applicable federal, state, and county laws, regulations, and policies. This includes adherence to established laws and policies regarding copyright and plagiarism, records retention, Freedom of Information Act/FOIA, First Amendment, privacy, policies, and protocols established by the village.
- F. Wherever possible, links to more information should direct users back to the village's official website for more information, forms, documents, or on-line services necessary to conduct business with the village.
- G. Employees representing the village via social media outlets must conduct themselves at all times as representatives of the Village of Hinsdale.
 - 1. Employees are not permitted to use village branded social media outlets to influence or affect the results of any election or nomination
 - 2. Employees are not permitted to post any privileged or confidential information.

H. Employees who fail to conduct themselves in a professional manner, and/or are found in noncompliance with any personnel manual policies, administrative policies, and department rules and regulations, will be subject to the corrective action procedures found in the village's Personnel Policy. Violation of this policy may result in the removal of department pages from social media outlets.

REQUEST FOR BOARD ACTION

AGENDA Administration and Community SECTION NUMBER Affairs Committee	ORIGINATING DEPARTMENT Parks and Recreation
ITEM AYSO Special Use of Robbins Park	APPROVED Gina Hassett, Director of P & R

AYSO Special Use of Robbins Park for June 12, 2010

AYSO has requested to host their 30th Anniversary Celebration at Robbins Park on Saturday, June 12th. Attached is their requested submitted to Mr. Cook.

AYSO is looking to have food vendors on site to provide a lunch package to their families, inflatables including moon jumps, slides and a DJ.

AYSO is requesting permission to host this event and assistance from the Village. AYSO would like to hire Village staff to manage waste management and security. All cost associated with these services would be reimbursed to the Village. AYSO will work with the Police Department regarding parking and security.

AYSO is working with the Parks & Recreation Department to ensure proper staging of the event is addressed. AYSO will rent portable restrooms, a dumpster and generators as needed.

Should the ACA Committee agree to give AYSO permission, the following motion would be appropriate:

MOTION: To recommend to the Board of Trustees approval to approve the special use permit for Robbins Park for Saturday, June 12, 2010 with the understanding that AYSO will have secured adequate parking.

STAFF APPROVALS

Parks & Recreation APPROVAL	APPROVAL	APPROVAL	MANAGER'S APPROVAL

COMMITTEE ACTION:

At the ACA meeting on May 3, 2010, the Committee recommended to approve the motion with the conditions that AYSO ensures adequate parking is secured.

AYSO has worked with Parks and Recreation Staff to secure parking at St. Isaacs and local schools. Deputy Chief Simpson is comfortable with the parking.

BOARD ACTION:

April 26, 2010

David Cook Village Manager Village of Hinsdale 19 E. Chicago Ave. Hinsdale, IL 60521

Dear Mr. Cook,

AYSO Soccer Region 210 is turning 30 this year! Our region is looking to celebrate our 30th Anniversary by having an end of year picnic. We have been working with Gina Hassett to coordinate the event. During our recent planning meeting we discussed that the event will be a large gathering and are asking the Village for permission to move forward. The date we are looking to have the event is Saturday, June 12, 2010 at Robbins Park.

We have worked with the Parks & Recreation office to secure that Robbins Park would be available from 11:00 am-1:00 pm, and approximately one hour before and after for set up and clean up. We are anticipating a crowd of 2,500 to attend the event. The day's activities would include a picnic with food provided by vendors, inflatables including moon jumps and slides and a DJ.

It is not our intent for the Village to incur any expenses associated with our event. ASYO is requesting assistance and is willing to reimburse the Village for those services.

We anticipate needing police and fire to assist with medical and safety control. We plan to bring in extra portable restrooms and realize that we would need crews on staff for garbage control. We are requesting that Village crews assist with day of clean up. We would need trash receptacles and assistance for clean up during the event and post event. AYSO would reimburse for this cost incurred by the Village.

We do not plan to bring in picnic tables but are asking families to bring blankets and chairs to picnic. Any tables needed would be rented.

AYSO currently provides the Village with a certificate of insurance and all vendors would provide insurance listing the Village as additionally insured.

Please let me know if the event is approved. I look forward to moving forward with this event and will continue to work with the Parks & Recreation staff and Village staff to coordinate the event.

Thank you in advance for your consideration.

Sue Gould AYSO Region 210 – Regional Commissioner

MEMORANDUM

TO:

PRESIDENT CAULEY AND TRUSTEES

FROM:

SEAN GASCOIGNE, VILLAGE PLANNER

DATE:

MAY 18, 2010

SUBJECT: DISCUSSION OF FAÇADE REPAIRS TO CONTINENTAL

CLASSIC MOTORS, INC. AT 420 E. OGDEN AVE.

Continental Motors is requesting to proceed with exterior work to the façade of the existing car dealership at 420 E. Ogden Avenue. As noted in the applicant's letter and illustrated in the attached photos, the original building façade is now experiencing structural problems that could potentially pose more serious issues to the health and safety of the employees and customers if they are not addressed as soon as possible. While the applicant has identified the main concern to be the safety of the employees and the customers, they have identified the need to do these repairs as an opportunity to make, what they feel is a minor modification to the exterior façade and raise the elevation east of the separation to mirror that of the west. The proposed changes can be found in the attached illustrations provided herein and the existing conditions can be seen, along with documentation of the damage, in the attached photos provided by the applicant. In light of the aforementioned conditions, the petitioner is requesting they be allowed to move forward with this repairs and improvements, while obtaining approval for a Planned Development.

In 2007, Continental Motors came before the Village Board to request various approvals, which included text amendments to allow a Planned Development providing for the expansion of the existing car dealership along Ogden Avenue, as well as the actual Special Use for the Planned Development and Site Plan/Exterior Appearance approval for the expansion of the existing car dealership. On August 27th, 2007 the ZPS forwarded this request on to the Village Board meeting of September 4th with a favorable and unanimous vote where it was then approved unanimously by the Village Board as Ordinance #O2007-62 (attached herein). The recent structural issues listed above prompted the applicant to apply for permits to make these repairs and use this opportunity to request a Major Adjustment to the Planned Development and propose the façade changes to the Village Board. It was at this time that staff identified an error made during the initial approval process in 2007. While the text amendment allowing the dealership to request the Planned Development was approved, the latter requests which included the Special Use for the Planned Development and Exterior Appearance/Site Plan Review, were erroneously dropped from the request during the process, and subsequently never approved. While two motions and two approving ordinances should have been executed (one for the text amendments and one for the remaining approvals), only the ordinance regarding the text amendment was ever adopted leaving all remaining requests unapproved. The applicant has agreed to come back and obtain the approvals for the processes which they assumed had already been in place, however

due to the severity and risks involved with the existing damage they are respectfully requesting that the Board discuss and consider the possibility of allowing them to move ahead with repairs, including the minor modification to the façade (illustrated in the attached documents) while they come back through to redo the processes that were inadvertently not included as part of the approval in 2007.

On May 10, 2010, the EPS discussed the issues above and unanimously agreed that they were in favor of allowing the applicant to move forward with obtaining conditional permits to make the necessary repairs, including the proposed alterations, while they resubmit and go through the process to secure approval for the Planned Development.

cc: President and Board of Trustees Dave Cook, Village Manager

Mr. David Cook Village Manager Village of Hinsdale 19 E Chicago Ave. Hinsdale, IL 60521

Mr. Cook,

The owner of Continental Auto Sport is experiencing a problem with his showroom facade and roof structure. The problem is located in the oldest part of the dealership. The structure is failing and the existing canopy is pulling away from the rest of the building. This is a potential safety issue for employees and the public. We have shored up the canopy temporarily while we are working with an architect to redesign the affected area. The showroom square footage will remain the same as the current wall locations will not change. The ceiling will be raised slightly to match the other showroom and allow the new front facade to line up with the existing west facade. This will give the building a more uniform look and allow us the room to bring the structure and mechanicals to code. I am including pictures of existing conditions and a rendering of the redesigned front elevation for your review. While it would be considered a Major Adjustment, we feel that the changes in appearance are minor and could be approved by the village board. Due to the nature and severity of the repairs and the minor impact to the appearance, we are hoping that this can be resolved at the May board meeting. I look forward to discussing this with you soon.

Doug Capocci Senior Project Mgr. LaMantia Construction 708-906-4356

April 26, 2010

Robert McGinnis **Building Commissioner** Village of Hinsdale 19 E. Chicago Avenue Hinsdale, IL 60521

Roof Renovation for Continental AutoSports at 420 E. Ogden Avenue Rc:

Dear Robert,

The purpose of this letter is to notify you of the necessity to move quickly in the process of renovating the existing roof structure of the Continental AutoSports automotive dealership.

Upon our on-site inspection of the existing structural conditions, it was observed that the existing wood framing of the existing roof on the northeastern section of the building is failing. Several wood framing members of the existing canopy have split causing the canopy to sag and require temporary wood post supports to be provided. It can not be determined how far back the damaged wood structure goes until work can be done to remove the existing roof.

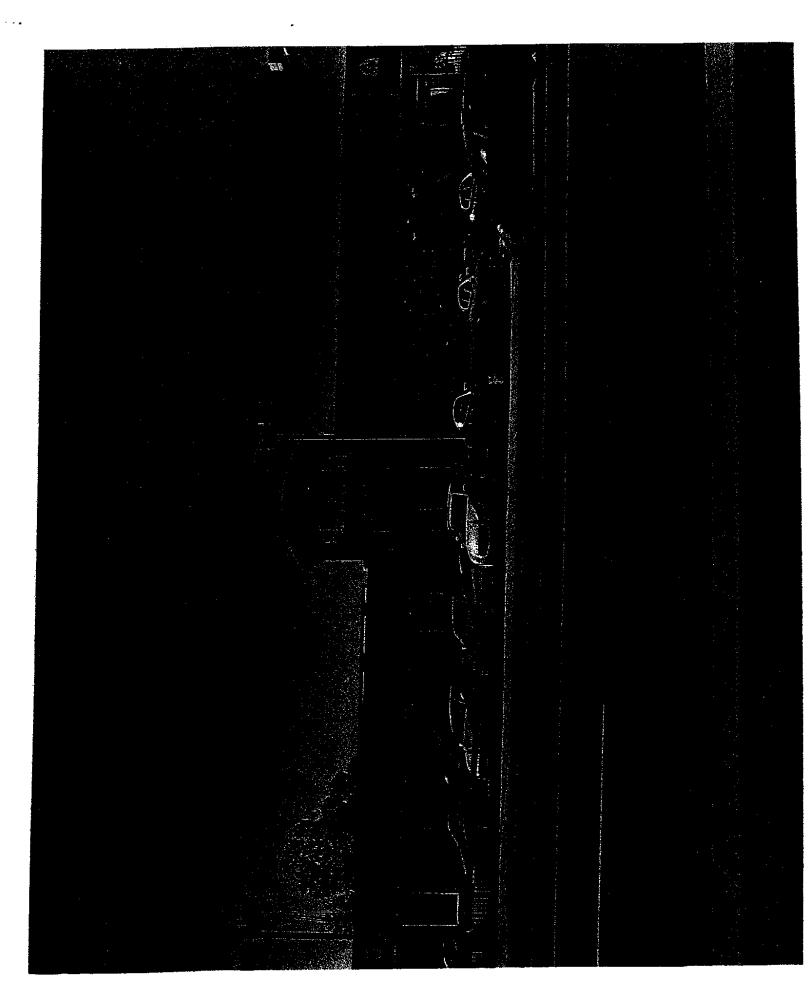

For safety concerns, we hope that work can begin to remove the portion of existing roof that is failing as soon as possible, and then begin to construct a newly designed roof structure over the existing automotive showroom that will match the look of the now existing addition that was added to the building in 2004. OF KUNOPHI

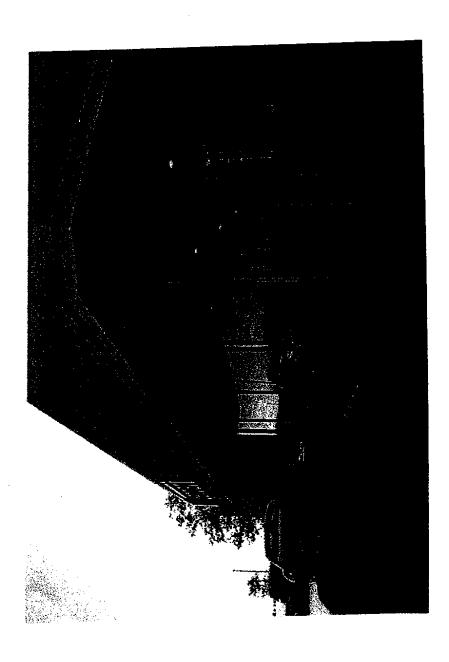

Sincerely

A. William Styczynski

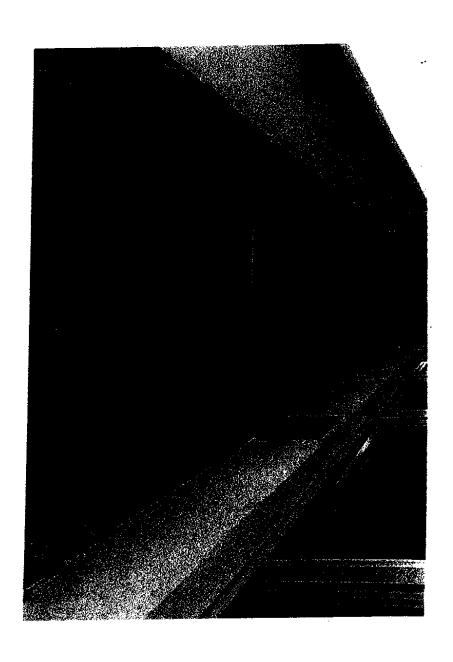

Architect

VILLAGE OF HINSDALE

ORDINANCE NO. 02007-62

AN ORDINANCE AMENDING PARAGRAPH 5-105A2 AND SUBSECTION 5-109F OF ARTICLE V (BUSINESS DISTRICTS), ADDING A NEW SUBSECTION N (EXPANSION OF NEW OR USED MOTOR VEHICLE DEALERSHIPS ON OGDEN AVENUE) TO SECTION 11-603 (PLANNED **DEVELOPMENTS) AND AMENDING SUBSECTION 12-206P** (DEFINITIONS) OF THE HINSDALE ZONING CODE

(Plan Commission Case No. A-09-2007)

WHEREAS, the Applicant, the Board of Trustees of the Village of Hinsdale ("Applicant"), seeks to amend Paragraph 5-105A2 and Subsection 5-109F of Article V (Business Districts) of the Hinsdale Zoning Code, adding a new Subsection N (Expansion of New or Used Motor Vehicle Dealerships on Ogden Avenue) to Section 11-603 (Planned Developments) and amending Subsection 12-206P (Definitions) of the Hinsdale Zoning Code ("the Application"); and

WHEREAS, the Hinsdale Plan Commission conducted a public hearing to consider the Application on June 27, 2007, pursuant to notice thereof properly published in the Hinsdale Doings and, after considering all of the testimony and evidence presented at the public hearing, the Plan Commission recommended approval of the Application subject to numerous conditions and recommendations, all as set forth in the Plan Commission's Findings and Recommendations for PC Case No. A-09-2007; and

WHEREAS, the Zoning and Public Safety Committee of the Board of Trustees of the Village of Hinsdale, at a public meeting on July 23, 2007, considered the Application and the Findings and Recommendation of the Plan Commission and made its recommendation to the Board of Trustees; and

WHEREAS, the President and Board of Trustees of the Village of Hinsdale have considered the Findings and Recommendation of the Plan Commission and all of the facts and circumstances affecting the Application, and the President and Board of Trustees have determined that it is appropriate to amend the Hinsdale Zoning Code as provided in this Ordinance.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Hinsdale, DuPage and Cook Counties and State of Illinois. as follows:

Section 1. Recitals. The foregoing recitals are incorporated into this Ordinance as the findings of the President and Board of Trustees.

Section 2. Amendment of Paragraph 5-105A2. Paragraph 5-105A2 of Article V (Business Districts) of the Hinsdale Zoning Code is amended by deleting the stricken language to read as follows:

Sec. 5-105. Special Uses:

Except as specifically limited in the following table, the uses listed in the following table may be permitted in the business districts indicated subject to the issuance of a special use permit as provided in section 11-602 of this code. In interpreting the use designations, reference should be made to the "Standard Industrial Classification Manual" (see appendix A of this code) and section 11-501 of this code. SIC codes are given in parentheses following each use listing.

A. Retail Trade:

2. Expansion of existing new and used motor vehicle dealers (551), but only on lots abutting Ogden Avenue and subject to the provisions of subsection 5-109F of this article.

Section 3. Amendment of Subsection 5-109F. Subsection 5-109F of Article V (Business Districts) of the Hinsdale Zoning Code is amended by deleting the stricken language to read as follows:

Sec. 5-109. Special Development and Use Regulations:

F. Expansion Of New Or Used Motor Vehicle Dealer On Ogden Avenue: The special use set forth in subsection 5-105A2 of this article may be granted only for a motor vehicle dealership located on property abutting Ogden Avenue and existing as of May 1, 2003. Every expansion of an existing dealership shall comply with all applicable regulations of this code, except that, after consideration and recommendation by the plan commission and pursuant to the approval of a special use permit for an expansion, the following provisions shall apply:

- 1. Yards And Setbacks: The board of trustees may reduce applicable yard and setback requirements to any extent.
- 2. Floor Area Ratio: The board of trustees may increase the permitted maximum floor area ratio, but to a maximum not greater than 0.8.
- 3. Let Coverage: The board of trustees may increase the total permissible let coverage:
- 4. Off Street Parking Spaces: The board of trustees may reduce the minimum required number of off street parking spaces, but to a minimum number not less than sixty five percent (65%) of the required parking including calculation of the allowed deficiency space carryover.
- 5. Conditions: The board of trustees may impose such conditions and limitations—concerning—use, construction,—character, location, landscaping, screening, and other matters relating to the purposes and objectives of this code as may be necessary or appropriate to prevent or minimize adverse effects on other property and improvements in the vicinity of the subject property or on public facilities and services.
- Section 4. Amendment of Section 5-109. Section 5-109 (Special Development and Use Regulations) of Article V (Business Districts) of the Hinsdale Zoning Code is amended by adding the following Subsection N (Expansion of New or Used Motor Vehicle Dealerships on Ogden Avenue) to read as follows:

Sec. 11-603. Planned developments.

N. Expansion Of New Or Used Motor Vehicle Dealerships On Ogden Avenue: The Board of Trustees, in accordance with the procedures and standards set out in this Section and by ordinance duly adopted, may grant a special use permit authorizing the expansion of new or used motor vehicle dealerships located on property abutting Ogden Avenue and existing as of May 1, 2003, as a planned development.

Section 5. Amendment of Subsection 12-206P. Subsection 12-206P (Definitions) of Article XII (Applicability and Interpretations), Part II (Interpretations) of the Hinsdale Zoning Code is amended by deleting the stricken language and adding the underlined language to read as follows:

Sec. 12-206. Definitions.

P. When used in this code, the following terms shall have the meanings herein ascribed to them:

Planned Development: A use of land: 1) for a "lifestyle housing" development as that term is defined in subsection 11-603M of this code, or 2) the expansion of new or used motor vehicle dealerships located on property abutting Ogden Avenue and existing as of May 1. 2003 as set forth in subsection 11-603N of this code, or 2) 3) for a two (2) or more building development that offers benefits to the general public welfare beyond those required by this code or other law and that:

- 1. Will contain or provide amenities in addition to amenities otherwise required by law;
- 2. Is a parcel or tract of land under single ownership or unified control developed as a unit pursuant to the provisions of section 11-603 of this code; and
- 3. The development meets the preponderance of the purposes stated in subsection 11-603B of this code and is not used to avoid one or more zoning regulations that can be varied by the zoning board of appeals. See section 11-102 of this code.

Section 6. Severability and Repeal of Inconsistent Ordinances. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Ordinance. All ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 7. Effective Date. This Ordinance shall be in full force and effect after its passage, approval, and publication in pamphlet form in the manner provided by law.

PASSED this 4th day of September 2007.

AYES: Trustees Follett, Cauley, Orler, Schultz, Smith

NAYS: None

ABSENT: Trustee Williams

APPROVED this 4th day of September 2007.
