INTRODUCTION

Michigan Public Act No. 270 of 2010, as amended (“the PACE Statute”) authorizes local units of government to adopt Property Assessed Clean Energy (“PACE”) programs to promote the installation of renewable energy systems, energy efficiency improvements, water usage improvements, and environmental hazard projects by owners of commercial or industrial property within a district designated by the local unit of government.

In order to encourage economic development, improve property valuation, increase employment, reduce energy costs, reduce greenhouse gas emissions and contribute to the public health and welfare in the City of Howell (the “City”), the City Council established the City of Howell Property Assessed Clean Energy Program and PACE district pursuant to the PACE Statute by joining Lean & Green Michigan™ (the “PACE Program” or “Program”). The PACE Program has identified specific sources of commercial funding to finance PACE Projects within the City of Howell PACE district, which is coterminous with the City’s jurisdictional boundaries.

The purpose of this PACE Program Report is to fulfill the requirements of the PACE Statute. Section 9 of the PACE Statute requires a report that includes: a form of contract between the City and the record owner; identification of an official authorized to enter into program contracts on behalf of the City; a maximum aggregate amount for financing provided by the City under the program; an application process and eligibility requirements; methods for determining repayment periods, the maximum amount of assessment, and interest rates on assessment installments; an explanation of how assessments will be made and collected; a plan for raising capital; procedures to determine information regarding reserve funds and fees of the program; a requirement that the term of the assessment not exceed the useful life of the project; a requirement of an appropriate ratio of the amount of the assessment to the assessed value of the property; requirement of consent from the mortgage holder; provisions for marketing and participant education; provisions for adequate debt service reserve fund; quality assurance and antifraud measures; and a requirement for baseline energy audit or energy modeling, ongoing savings measurements and performance guarantees for retrofit projects over \$250,000 in assessments unless waived by the property owner; for new construction energy projects, a requirement that the building or other structure exceed applicable requirements of the Michigan uniform energy code.

As many of the details of a PACE transaction are determined on a project-specific basis, adjustments to the model contract may be required to fit a particular transaction. Additionally, there are several blanks left in the model contract that should be filled in when the corresponding information is known.

Lean & Green Michigan, LLC (“LAGM”) developed a collaborative approach to PACE programs for local units of government by standardizing the administrative and legal process under which PACE programs are created and managed. Many local units of government throughout the state have joined or are in the process of joining the Lean & Green Michigan™ PACE program. This approach creates one efficient statewide market, allowing property owners, lenders and contractors to utilize a standardized process as they employ PACE financing in multiple jurisdictions throughout the state.

CITY OF HOWELL PROGRAM REPORT

1. Form of PACE Contract

A form of model PACE Special Assessment Agreement is attached as **Appendix A**. Individual property owners may negotiate project-specific terms to be included in an actual agreement based upon the specific renewable energy systems, energy efficiency improvements, water usage improvement, and environmental hazard projects to be financed through the individual agreement, subject to the limitations set forth herein.

2. Authorized Official/PACE Administrator

The City Manager or his/her designee, (the “Authorized Official”) is authorized to enter into PACE Contracts or PACE Special Assessment Agreements on behalf of the City in consultation with LAGM. The Authorized Official is further authorized to sign any agreement, documents or certificates necessary to facilitate the participation of property owners and to facilitate the purposes hereunder.

In joining Lean & Green Michigan™, the City agrees to have LAGM act as PACE administrator and manage the City’s PACE Program. LAGM is authorized to negotiate with credit providers and PACE project participants to facilitate the use of the PACE Program and to assist PACE project applicants in obtaining financing.

3. Financing Parameters

In establishing its PACE district, the City intends for Projects to be funded through owner-arranged private financing. ***The maximum aggregate annual amount of financing provided by the City in 2022 shall be zero dollars.*** The maximum aggregate dollar amount for financing provided by the City may be adjusted and/or amended on an annual basis or more frequently by the City Council and will remain at zero dollars unless and until it is changed.

The City shall not provide any financing for Projects under the City 's PACE Program. The City's PACE Program shall be solely funded through owner-arranged financing from commercial lenders, as allowed under Act 270, Section 9(1)(g)(iii). Owner-arranged financing from commercial lenders is not included under the maximum aggregate annual dollar amount for financing provided by the City under the Program. There is no limit on the maximum aggregate annual amount of financing provided by private commercial lenders under the program. The dollar amount for financing of a particular Project will be established by the property owner seeking to implement and the commercial lender seeking to finance the implementation of renewable energy systems, energy efficiency improvements, water usage improvements, and environmental hazard projects; as approved by LAGM and the Authorized Official.

4. Application Process/Eligibility Requirements

Application Process:

The application process for financing projects under the Program shall be that of LAGM. The current application form is attached as **SAA Appendix F**. This form may be changed or amended as necessary by LAGM.

Eligibility Requirements:

The eligibility requirements for financing projects under the Program shall be those of LAGM. Eligibility requirements may be changed or amended as necessary by LAGM. The current list of eligibility requirements is attached as **SAA Appendix A**.

5. Financing Terms of Assessments

The interest rate for PACE special assessment installments supplied by commercial lenders shall be negotiated by the parties based on current market conditions.

The maximum allowable repayment period of a PACE special assessment must be included in the PACE Special Assessment Agreement and will be determined on a project-specific basis and shall not exceed the lesser of the useful life of the Project financed by the assessment or 25 years.

The maximum dollar amount of a PACE special assessment shall be negotiated on a project-specific basis between the property owner and the entity providing the financing based upon the specific renewable energy systems, energy efficiency improvements, and environmental hazard projects included in the individual PACE Special Assessment Agreement.

6. Assessment Collection Process

Within the parameters set forth herein, the Authorized Official will authorize one or more commercial lenders to provide financing to defray all or part of the cost of the Project, by special assessment upon the Special Assessment Parcel, which the Authorized Official will find is especially benefited in proportion to the costs of the renewable energy systems, energy efficiency improvements, water usage improvement, or environmental hazard projects.

The Special Assessment Roll, attached as **SAA Appendix C**, will be spread by the Authorized Official, or appropriate official, on behalf of the City and without objection by the property owner to allocate one hundred percent (100%) of the PACE special assessment levy created hereby to the Special Assessment Parcel.

The PACE special assessment, as allocated by the Authorized Official, or appropriate official, on behalf of the City without objection by the property owner, will be finally established against the property and the Project to be constructed on the Special Assessment Parcel. The PACE special assessment will be effective immediately upon the execution and delivery of the PACE Special Assessment Agreement by the property owner. The PACE special assessment may be paid in annual or semi-annual installments pursuant to Section 13(2) of the PACE

Statute. The Authorized Official, on behalf of the City, will confirm the Special Assessment Roll.

The Livingston County Delinquent Tax Revolving Fund (“DTRF”) shall not be used to advance, satisfy, or pay any delinquent installment of the PACE special assessment, and no County funds will be used to repay any PACE special assessment placed under this program. The commercial lender will waive any claim to be able to seek payment from the County through the DTRF in the PACE Special Assessment Agreement.

7. Financing Program

LAGM has developed and will continue to develop an active roster of financial institutions, institutional investors and other sources of private capital available to finance PACE projects in Michigan. By participating in LAGM, the City helps its constituent property owners gain access to private capital made available through the statewide program. The City authorizes the use of owner-arranged financing from commercial lenders to finance qualified Projects under the Program.

8. Reserve Fund

By participating in the Lean & Green Michigan™ program, the City assists its constituent property owners in taking advantage of any and all appropriate loan loss reserve and gap financing programs of the Michigan Economic Development Corporation (“MEDC”) and other federal and state entities. Such financing mechanisms can be used to finance a reserve fund if deemed necessary and appropriate by the City.

9. Fee Schedule

Application, administration and program fees for record owners shall be those of LAGM. Administration and program fees will be determined on a project-specific basis and will depend on the size, nature and complexity of the project(s) and financing mechanism(s) involved. A copy of the current LAGM administration and program fees is published by LAGM in its PACE Program Manual available upon request and at LAGM’s website.

10. Useful Life

The maximum length of time allowable for repayment of a PACE assessment shall not exceed the lesser of the useful life of the Project paid for by the assessment or 25 years and will be determined on a project-specific basis by LAGM. Projects involving multiple energy efficiency improvements, renewable energy systems, or environmental hazard improvements may aggregate the useful life of each improvement to determine an overall useful life figure for financing purposes. In aggregating the improvements, the property owner must appropriately weigh each improvement’s dollar cost.

11. Property Eligibility Parameters

The ratio of the amount of the assessment to the market value of the property must be appropriate and shall be set forth in the PACE Special Assessment Agreement for each project. Additionally, the overall indebtedness on the property must be appropriate. In calculating the appropriate ratios, the property owner and the lender providing the financing may determine the market value of the property using either: 1) the market value of the property before the Project as agreed to by the property owner and the lender providing the financing using a proper measure such as a recent appraisal or two times the State Equalized Value; or 2) the market value of the property upon completion of the Project as agreed to by the property owner and the lender providing the financing using a proper measure such as an appraisal of the “as completed” value of the property.

In calculating the appropriate ratio of the amount of the assessment to the market value of the property, the cost of the Project (excluding closing costs and interest) shall generally not exceed 25% of the market value of the property.

In calculating the appropriate ratio of total indebtedness on the property to the market value of the property, prior debt secured by the property plus the PACE loan shall generally not exceed 90% of the market value of the property.

LAGM and the Authorized Official may permit projects that exceed these values for reasonable cause on a case-by-case basis, and in such cases must include a letter of explanation as an addendum to the Special Assessment Agreement.

12. Mortgage Consent Requirement

If a property is subject to a mortgage, the record owner must obtain written consent from the mortgagee to participate in the Program. Proof of lender consent must be submitted before a Special Assessment Agreement may be executed. A form of lender consent to participate in a PACE Program is attached as **SAA Appendix H**.

13. Marketing Program

LAGM has developed an ongoing marketing and participant education program. By joining Lean & Green Michigan™, the City gains access to this program and agrees to partner with LAGM in educating property owners in the City about opportunities to save energy, save money and improve their property value. The City authorizes the use of the City’s logo by LAGM to be incorporated into the LAGM website and other communication vehicles. More information regarding the Program can be obtained at LAGM’s website: www.leanandgreenmi.com; or at the City’s website at <https://www.cityofhowell.org/>

14. Quality Assurance and Antifraud Measures

LAGM includes the following quality assurance and antifraud measures:

- Business integrity review on clean energy contractors conducted by Michigan Saves;

- Background check process on clean energy contractors conducted by Michigan Saves; and
- Other general due diligence as may be necessary or required.

15. Energy Audit or Energy Modeling Requirement

As set forth in the PACE Program Application, a baseline energy audit or energy modeling must be completed before a Project is approved. Each contract should provide adequate funding for monitoring and verification of energy savings throughout the life of the special assessment.

16. Savings-to-Investment Ratio and Savings Guarantee Requirements

Unless waived by the record owner, Projects financed with more than \$250,000 require ongoing measurements to establish energy savings and a guarantee from the contractor that the energy project will achieve a savings to investment ratio greater than one.

This requirement may be waived by the record owner, and is not applicable to a new construction energy project.

17. Amendments to the Program

A public hearing shall not be required to amend this Program. LAGM may amend the Howell PACE program as necessary from time to time, in consultation with Howell and upon approval of the Howell City Council of any such amendment.

E. Pursuant to the PACE Statute and the PACE Program, the City is authorized to enter into this Agreement.

(b) The Special Assessment, as allocated by the Authorized Official with the consent of the Property Owner, is hereby finally established and levied against the Special Assessment Parcel as described on the attached **Appendix B** in the principal amount of [LOAN AMOUNT] as stated on the Special Assessment Roll. The Special Assessment is effective immediately upon the execution and delivery of this Agreement by the Property Owner. The Special Assessment shall be paid by the Property Owner in [NUMBER] semi-annual installments on the dates and in the amounts set forth in the payment schedule attached hereto as **Appendix D** (the "Payment Schedule"). The Special Assessment Roll and the Payment Schedule are hereby confirmed by the Authorized Official on behalf of the City. The unpaid amount of the Special Assessment Roll shall bear interest from the date of execution and delivery of this Agreement at the Applicable Interest Rate, as calculated by the Lender in accordance with the terms of the Loan Documents, payable by the Property Owner semi-annually on each date on which any installment of the Special Assessment is due in accordance with the Payment Schedule. Notwithstanding the foregoing, (i) if any installment of the Special Assessment or any interest due and payable on the Special Assessment Roll is not paid by the Property Owner when and as the same shall become due and payable in accordance with the provisions of this Section 4.01 or (ii) any "event of default" under the Loan Documents has occurred and is continuing, the unpaid amount of the Special Assessment Roll shall bear interest at the Default Rate as calculated by the Lender in accordance with the terms of the Loan Documents, for as long as such amounts remain unpaid or for so long as such "event of default" under the Loan Documents exists and is continuing. The Property Owner and the Lender agree that the City shall under no circumstance have any obligation to determine the Applicable Interest Rate or the Default Rate or to calculate the amount of any interest payment due on the Special Assessment Roll as provided in this Agreement, and the City may conclusively rely upon the Lender's determinations thereof for the purpose of exercising and discharging all of the City's rights and obligations under this Agreement. The Lender agrees to provide, or cause to be provided, notice to the Property Owner and the City of the determinations of the Applicable Interest Rate and the Default Rate, as applicable, pursuant to this Section 4.01(b) at such times, and from time to time, as the Property Owner or the City may request.

In pursuance of the foregoing, the City, the Property Owner and the Lender agree that, except as provided in Section 4.05 of this Agreement, (i) all installments of the Special Assessment, whether payable in accordance with the Payment Schedule or upon prepayment of the Special Assessment in

City of Howell PACE Special Assessment Agreement

whole or in part in accordance with Section 4.06 of this Agreement, together with all payments of interest due and payable upon the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, shall be paid by the Property Owner directly to the Lender when due at such address in the United States as may be designated by the Lender in writing to the Property Owner and the City; (ii) the City shall have no obligation or duty to include any installments of the Special Assessment on any tax bill issued by the City or to bill, collect or remit to the Lender any installments of the Special Assessment or any interest due and payable upon the Special Assessment Roll; and (iii) absent receipt by the City of written notice from the Lender of a payment default in accordance with Section 4.05 hereof, the City shall be entitled to conclusively presume that all installments of the Special Assessment and all payments of interest due and payable on the Special Assessment Roll have been made by the Property Owner to the Lender when due as required by the terms of this Agreement.

Section 4.03 Property Owner's Consent to Special Assessment; Waiver.

(a) The Property Owner hereby irrevocably consents to and confirms the creation of the Special Assessment Roll and the levy of the Special Assessment established pursuant to this Agreement and EXPRESSLY WAIVES ANY AND ALL CLAIMS CHALLENGING AND DEFENSES TO, THE LEGALITY, VALIDITY, ENFORCEABILITY OR COLLECTABILITY OF THE SPECIAL ASSESSMENT, including, but not limited to, claims arising from, relating to or otherwise based upon any theory of procedural defect concerning the approval of the Improvements, the establishment of the Special Assessment District, confirmation of the Special Assessment Roll and the Payment Schedule, the City's right to place the Special Assessment lien on the Special Assessment Parcel, the collectability and due dates of the Special Assessment installments and interest due and payable on the Special Assessment Roll, or any other theory or claim. The Property Owner further waives notice of hearing and the right to file objections if and to the extent such rights exist under any special assessment ordinance of the City.

(b) Following the signing of this Agreement, no suit or action of any kind shall be instituted or maintained for the purpose of contesting or enjoining the collection of the Special Assessment, and the Property Owner, for itself and its successors in interest, lessees, purchasers, and assigns with respect to all or any part of the Special Assessment Parcel, hereby irrevocably waives its rights to contest the Special Assessment with any adjudicative body having jurisdiction over the subject matter, including, but not limited to, the Michigan Tax Tribunal.

(c) In addition to any conditions, covenants, warranties and representations specified in the Loan Documents, the Property Owner shall not sell, transfer, alienate or convey any of its interest in the Special Assessment Parcel without first having given written notice of the Special Assessment to any successors in interest, lessees, purchasers or assigns and having made a copy of this Agreement part of any purchase contract, sale contract, lease agreement, deed or any other conveyancing instrument by which the Property Owner purports to assign all or any part of its interest in the Special Assessment Parcel to any successors in interest, lessees, purchasers, transferees, licensees and assigns. This Agreement shall be recorded against the real property constituting the Special Assessment Parcel by the PACE lender with the Register of Deeds of Livingston County, State of Michigan.

City of Howell PACE Special Assessment Agreement

(d) The Property Owner agrees that it, its successors and assigns shall, during the term of this Agreement and the Special Assessment, pay all ad valorem real property taxes and assessments levied against the Special Assessment Parcel when due and the Property Owner specifically waives, irrevocably for itself, its successors and assigns as to any and all portions of the Special Assessment Parcel, the right to pay ad valorem real property taxes and assessments on any other installment method which may be available to property owners in the City.

(e) The City agrees that following (i) payment by the Property Owner in full of the Special Assessment, together with all accrued interest on the Special Assessment Roll, and all other interest, charges and penalties which may accrue thereon, and (ii) receipt by the City of written acknowledgment from the Lender that the Special Assessment, together with all accrued interest on the Special Assessment Roll, has been paid to the Lender in full, it will promptly execute and deliver documentation discharging the lien of the Special Assessment on the Special Assessment Parcel. Until the Special Assessment liability has been fully satisfied and the lien discharged, each purchaser of all or any part of the Special Assessment Parcel, as a condition of closing on such purchase, shall execute and deliver to the City a written notice: (i) acknowledging the principal amount unpaid and outstanding on the Special Assessment; (ii) agreeing to the assumption of the liability to pay the Special Assessment, and any interest thereon, on a timely basis, when due, until the remaining balance and interest on said Special Assessment has been paid in full; (iii) acknowledging that the title insurance policy will state that the Special Assessment has not been paid at time of closing thereon; and (iv) agreeing to pay to the Lender at or prior to the close of the purchase all past due installments of the Special Assessment and all past due payments of interest on the Special Assessment Roll. The representations set forth in such written notice shall be enforceable at law and in equity, including without limitation, by way of specific performance.

Section 4.04 Lien. The Special Assessment is an obligation with respect to the Special Assessment Parcel, and shall, until paid, be a lien upon the Special Assessment Parcel for the amount of the Special Assessment and all interest, charges and penalties that may accrue thereon. Such lien shall be of the same character and effect as liens created pursuant to the ordinances of the City for City taxes and shall be treated as such with respect to procedures for collection as set forth in the General Property Tax Act and the ordinances of the City, including accrued interest, charges and penalties. The Special Assessment confirmed hereby is a debt to the City from the Property Owner and its successors in interest, lessees, purchasers and assigns. The right of the City to receive all installments of the Special Assessment required to be paid by the Property Owner pursuant to this Agreement, together with all payments of interest due and payable on the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, as provided in Section 4.01, has been irrevocably assigned by the City to the Lender in accordance with the provisions of Section 4.02 of this Agreement. No judgment or decree shall destroy or impair any lien of the City upon the premises assessed for such amount of the Special Assessment as may have been equitably or lawfully charged and assessed thereon. Failure of the Property Owner or any subsequent property owner to receive any notice required to be sent under the provisions of the ordinances of the City or this Agreement shall not invalidate the Special Assessment or the Special Assessment Roll and shall not be a jurisdictional requirement.

Section 4.05 Payment Default.

City of Howell PACE Special Assessment Agreement

(a) If any installment of the Special Assessment or interest due on the Special Assessment Roll shall not have been paid by the Property Owner to the Lender, as assignee of the City, at the time and in the amount required by Section 4.01 hereof (a “Payment Default”), the Lender shall, within thirty (30) days following the date such sums were due and payable (the “Payment Default Date”), deliver written notice to the City stating all of the following: (i) that a Payment Default has occurred under this Agreement; (ii) the Payment Default Date; (iii) the amount of the Special Assessment that was due and payable as of the Payment Default Date and which remains unpaid and the amount of interest on the Special Assessment Roll that was due and payable as of the Payment Default Date and which remains unpaid (collectively, the “Payment Default Amount”); and (iv) an attestation by an authorized officer of the Lender that the statements contained in the foregoing notice are true, correct and complete as of the date of such notice. Upon receipt of such notice from the Lender, the City shall take such actions as may be required to cause the Payment Default Amount to be certified for collection on the summer or winter tax bill next succeeding the Payment Default Date, and such Payment Default Amount shall be collected at the same time and in the same manner as is prescribed for the collection of the City taxes under the General Property Tax Act and the ordinances of the City. The City may assess a fee for delinquent taxes, interest, penalties, and fees as provided under General Property Tax Act Section 211.78. Notwithstanding the foregoing provisions of this Section 4.05(a), if the City shall determine that the notice of the Lender described in this Section 4.05(a) was not received by the City in sufficient time to permit the Payment Default Amount to be placed for collection on the summer or winter tax bill next succeeding the Payment Default Date, such Payment Default Amount shall be certified for collection on the next summer or winter tax bill issued thereafter. The City shall be entitled to conclusively rely upon any notice of the Lender delivered pursuant to this Section 4.05(a) as to the existence of a Payment Default and as to the Payment Default Amount, and shall not be liable to the Property Owner or to any other person for any action taken by the City pursuant to the terms of this Agreement or otherwise in reliance upon the information contained in such notice. Absent receipt by the City of written notice from the Lender of a Payment Default in accordance with this Section 4.05(a), the City shall be entitled to presume conclusively that all installments of the Special Assessment and all payments of interest due and payable on the Special Assessment Roll have been made by the Property Owner to the Lender when due as required by the terms of this Agreement, and the City shall have no obligation or duty to include any installments of the Special Assessment on any tax bill issued by the City or to bill, collect or remit to the Lender any installments of the Special Assessment or any interest due and payable upon the Special Assessment Roll.

(b) The City hereby agrees that, pursuant to the assignment set forth in Section 4.04, it will cause to be paid over to the Lender all amounts received by the City from the City Treasurer as collections of any Payment Default Amount within forty-five (45) days of the date such sums are received by the City from the City Treasurer. The parties hereto expressly acknowledge and agree that in no event shall the City advance to the Lender the amount of any unpaid Payment Default Amount, and the City shall be obligated to pay over to the Lender only such sums as are actually received by the City Treasurer as collections of any Payment Default Amount.

(c) In the event that any interest, penalties, fees or other charges shall be imposed upon the Special Assessment Parcel or against the Special Assessment Roll or the amount of any

City of Howell PACE Special Assessment Agreement

unpaid Special Assessment pursuant to the ordinances of the City or the General Property Tax Act, by City of Howell, Michigan, for the administration, billing, collection or enforcement of the Special Assessment created hereby, such amounts shall remain a debt of the Property Owner to City of Howell, Michigan, as their interests may appear, and shall not be deemed to have been assigned to the Lender pursuant to the terms of this Agreement or otherwise.

(d) The Lender hereby agrees and acknowledges that it shall have no right, and if such right were to be found to exist, hereby waives such right, to seek payment of any delinquent installment of the Special Assessment, and any interest, penalties, fees, or other charges, through the Livingston County Delinquent Tax Revolving Fund (“DTRF”), or any subsequent County fund which may replace the DTRF, or any other City funds.

Section 4.06 Prepayment of Special Assessment. Subject to the provisions of the Loan Documents, including, without limitation, prepayment penalties, if any, the Property Owner may, upon sixty (60) days’ written notice to the Lender and the City, prepay any installment of the Special Assessment specified in the Payment Schedule by causing to be paid to the Lender the amount of the installment to be prepaid, together with accrued interest thereon to the date of prepayment. If such prepayment of any installment is not received by the Lender on the date specified for prepayment, the Lender shall promptly deliver written notice to the City that such prepayment was not received by the Lender.

Section 4.07 Invalidity; Cure. In the event of any invalidity of the Special Assessment, the Authorized Official, at the request of the Lender, and if the City shall have received indemnity satisfactory to the Authorized Official for its costs and expenses (including reasonable attorneys’ fees), shall cause a new Special Assessment to be made for all or any part of the Improvements in accordance with the PACE Statute and the PACE Program as reasonably determined by the Authorized Official. The Property Owner, on behalf of itself and its successors in interest, lessees, purchasers, and assigns, hereby waives any objections to and agrees to the imposition of such new Special Assessment; *provided, however*, that the amount of the new Special Assessment shall not exceed the unpaid principal amount of the Loan at the time the new Special Assessment shall be established.

Section 4.08 City or City Treasurer Becoming Owner of the Special Assessment Parcel. In the event that the City Treasurer takes ownership of the Special Assessment Parcel by operation of law, the City Treasurer and the Lender agree that while the lien on the Special Assessment Parcel will remain in full force and effect, and all principal, interest, penalties, fees, and other charges, either based on Michigan Compiled Laws or the Loan Documents will continue to accrue during the period of time that the City Treasurer owns the Special Assessment Parcel. No loan or special assessment payments, including interest, penalties, fees or other charges, are required to be paid or will be accrued by the City Treasurer to the Lender. Any and all principal, interest, penalties, fees, and other charges which accrue during the period by which the City Treasurer own the Special Assessment Parcel will, in the sole and unlimited discretion of the Lender, either be: (1) considered immediately due and payable by any person or entity who purchases the Special Assessment Parcel from the City Treasurer, and no sale or transfer of the Special Assessment Parcel is valid unless and until all principal, interest, penalties, fees, and other charges have been paid by the subsequent owner of the Special Assessment Parcel; or (2)

capitalized into the outstanding principal balance of the Special Assessment, causing the Lender to provide a revised Payment Schedule in an amount necessary to amortize the new outstanding principal balance of the Special Assessment over the remaining number of payments. The lien created by the Special Assessment shall not be extinguished or released until all necessary principal and interest payments, as well as all penalties, fees, and other charges, as determined solely by Lender, have been paid and received by Lender.

ARTICLE V CONDITIONS PRECEDENT

Section 5.01 Conditions Precedent to the City's Obligations.

(e) Property Owner warrants and agrees that any contractual, legal or other disputes between it and the Lender--other than matters specifically related to enforcement of property tax obligations--or the contractor involved in the Improvements, do not involve the City, and Property Owner agrees to hold the City and its agents, including but not limited to LAGM, harmless from any such disputes or causes of action.

ARTICLE VII DEFAULT

Section 7.01 Property Owner Event of Default. If the Property Owner shall default in the performance of any covenant or agreement on its part contained in this Agreement and such default shall continue for a period of ten (10) days after written notice thereof has been given to the Property Owner by the City, an “Event of Default” shall be deemed to have occurred under this Agreement.

Section 7.02 Remedies for Property Owner Event of Default. Upon the occurrence of an Event of Default as provided in Section 7.01 hereof, the City, after giving written notice as required, without further notice of any kind, and in addition to all other rights and remedies provided at law or in equity, shall be entitled to seek and obtain a decree of specific performance of this Agreement from a court of competent jurisdiction; or the right to recover from the Property Owner any damages incurred by the City and any costs incurred by the City in enforcing or attempting to enforce this Agreement or the Special Assessment, including attorneys’ fees and expenses; or to foreclose on the Special Assessment Parcel and to sell all or any part of the Special Assessment Parcel to the extent necessary to recover any damages and costs; or any combination of the foregoing. Notwithstanding the foregoing, the parties hereto acknowledge and agree that the City shall not be obligated to institute any of the actions or proceedings or to exercise any of the remedies authorized by this Section 7.02 upon the occurrence of an Event of Default hereunder, and that its obligations with respect to the billing, collection and enforcement of the Special Assessment or any installment thereon shall be limited to those obligations set forth in Article IV of this Agreement. Section 7.04 Remedy for City Default. Upon the occurrence of a City Default as provided in Section 7.03 hereof, and if the Property Owner or the Lender, as the case may be, shall have otherwise fully performed all of its obligations hereunder, the Property Owner or the Lender, after giving written notice as required, without further notice or demand, shall be entitled to seek and obtain a decree of specific performance from a court of competent jurisdiction; but neither the Property Owner nor the Lender shall have the right to seek to recover money damages against the City, including any costs or fees (including attorneys’ fees) incurred by the Property Owner or the Lender in enforcing or attempting to enforce this Agreement.
