

## INDEX

The exact inscriptions were copied, omitting only "Sacred to the Memory of." Woodland Cemetery is laid out in precise rows and the numbering starts with the narrow portion (designated "E11") on the extreme eastern edge fronting McCarty Street, this portion numbered "E11 Row 1 thru 4", with the lot number corresponding with that on the plat. The long rows, running from McCarty Street to Miller Street, are numbered "Row 1-a, 1-b, Row 2-a, 2-b" etc., noting the lot number on the plat. In the (Old) City Cemetery the listing begins at the northwest corner of the cemetery, that being the corner of McCarty and Chestnut Streets, the rows being identified as "Row A, Row B" etc. However, all rows in the (Old) City Cemetery do not run perpendicular to McCarty Street as some run in an arc. No plat or burial permit or lot sale record was found of the (Old) City Cemetery. The gravestones are numbered within the rows, "A-1, A-2" etc. The Index denotes the row number.
