The JCAS is a municipal shelter under the Jefferson City Police Department.

All adoptable animals are spayed/neutered, vaccinated, micro-chipped and vetted before going to their new families.

We serve Cole county for strays, and provide animal control for Jefferson City.

Average length of stay for adoptable animals is only 17 days for cats and 17 days for dogs. This time includes the required 5 or 10 business day stray hold. Adoptable animals have no time limit here at JCAS.

The shelter has a network of fosters who care for cats, dogs and small furries until they are ready to be adopted.
