The JCAS is a municipal shelter under the Jefferson City Police Department. We serve Cole county for strays, and provide animal control for Jefferson City.

Our adoptable animals are spayed/neutered, vaccinated, micro-chipped and fully vetted. Average length of stay for adoptable animals is 17.1 days for dogs and 23 days for cats, but they have no time limit here at the shelter. This includes a 5 or 10 day stray hold.

Our foster program cared for 240 cats, dogs and small furries until they could be adopted. The shelter provided temporary housing support and reunification for 30 pets after the 2019 Jefferson City tornado.
