

The Code of the City of Jefferson outlines the following regulations for temporary signs, which includes political signs: (Section 3-6 of the City Code)

The maximum number and size of temporary signs (such as political signs) is as follows:

1. In residential and mixed use zoning districts such temporary political signs shall not exceed five square feet.
2. In commercial and industrial districts a property is permitted three such temporary political signs with a maximum size of 32 square feet. Corner lots are permitted an additional two such signs (for a total of 5 signs).

Placement of Temporary signs (including political signs) on public right-of-way is not allowed. In the commercial and industrial districts, temporary signs are not permitted to be placed closer than 10 feet from the curb/side of street.

If you have questions regarding temporary signs, please call 573-634-6410.

MoDOT Requests Your Help Keep Unauthorized Signs off Roadsides

MoDOT has a mandate to provide quality, safe traveling conditions for the public and safe working conditions for its employees. It must do whatever it takes to make those conditions a reality. This includes placing restrictions on unauthorized roadside signs.

- Missouri State Statute 227.220 and Missouri Department of Transportation policy prohibit installation or maintenance of non-approved items on state right of way.
- Non-approved advertising signs or display materials include streamers, garage-sale signs, political signs, banners and balloons.
- Installation and maintenance of these items is unsafe for the people doing so. They also can be dangerous distractions to motorists and obstacles to department roadside operations.
- Because safety is MoDOT's top priority, the department prohibits installation or maintenance of any non-approved items on state right of way.
- MoDOT staff will remove these items wherever they are found.
- Due to COVID-19 concerns, removed signs will be temporarily stored by the entrance of the nearest MoDOT maintenance facility for self-service pick-up.

Thank you for your cooperation. For more information, call 1-888 ASK MODOT.
