Capital Area Metropolitan Planning Organization (CAMPO) Kicks Off Development of CAMPO 2045 & Beyond Metropolitan Transportation Plan.

Jefferson City, Mo. – CAMPO has started the update of the CAMPO 2045 & Beyond Metropolitan Transportation Plan (MTP). The MTP is a federally required long-range plan, updated every 5 years, that assesses regional transportation needs over a twenty-year planning horizon. The MTP sets goals and defines policies, programs, strategies, and projects to meet the transportation needs of the CAMPO region. Last updated in 2019, the plan considers several local and regional topics including transportation system development, land use, employment, economic development, human and natural environment, and housing and community development. The planning process is expected to be completed by Summer 2024.

The MTP is central to the MPO planning process and defines policies, programs, projects to meet regional needs for all transportation modes, including:

- Surface Transportation (roads and bridges)
- Pedestrian and Non-Motorized
- Transit
- Air
- Waterways & Ports
- Freight
- Rail

The regional plan will address all communities within the CAMPO planning area, including: Holts Summit, Jefferson City, St. Martins, Taos, Wardsville, and parts of Cole and Callaway Counties.

Public Survey

A public survey is available at <https://www.surveymonkey.com/r/CAMPOMTP> or by going to the CAMPO webpage at www.jeffersoncitymo.gov/campo.

Public Meetings

Two public open-house events will occur in December. The public is encouraged to drop-in anytime.
