CITIZEN INFORMATION SERIES INDEX

Series No. Topic
CDCI - 001 Community Development
CDCI - 002 Voluntary Annexation
CDCI - 003 Code Enforcement
CDCI - 004 Trash Service and Recycling
CDCI - 005 Temporary Food Permits
CDCI - 006 Animal Protection & Control
CDCI - 007 Basement Finishing Regulations
CDCI - 008 Deck Requirements
CDCI - 009 Fence Regulations
CDCI - 010 Home Occupation Regulations
CDCI - 011 Room Additions
CDCI - 012 Swimming Pools, Spas, Hot Tubs
CDCI - 013 Board of Adjustment Applications
CDCI - 014 Planning & Transportation
CDCI - 015 Rezoning
CDCI - 016 Subdivisions
CDCI - 017 Accessory Structures
CDCI - 018 Flood Plain Management
CDCI - 019 Zoning District Regulations
CDCI - 020 Transit—Handi Wheels
CDCI - 021 Public Works
CDCI - 022 Sidewalk Regulations
CDCI - 023 Storm Water Management
CDCI - 024 Street Light Regulations
CDCI - 025 Grading Permits
CDCI - 026 Right-of-Way and Easements
CDCI - 027 Residential Parking District Regulations
CDCI - 028 Sewer Connection & Extension Regulations
CDCI - 029 JC Regional Water Reclamation
CDCI - 030 Household and Commercial Grease
CDCI - 031 Mosquito Control
CDCI - 032 Jefferson City Memorial Airport
CDCI - 033 JEFFTRAN
CDCI - 034 Veteran's Plaza
CDCI - 035 Electrical Permits
CDCI - 036 Plumbing Permits
CDCI - 037 Environmental Code Enforcement
CDCI - 038 Disconnect Downspout
CDCI - 039 Flood Hazard Mitigation
CDCI - 040 Storm Drain Marking
CDCI - 041 Solid Waste Mgmt
CDCI - 042 Lawn & Garden Waste Mgmt
CDCI - 043 Illicit Discharges
CDCI - 044 Household Hazardous Waste Disposal
CDCI - 045 Erosion Control & Streambank Stabilization
CDCI - 046 Backwater Valve Rebate Program
CDCI - 047 Glass Recycling
ITCI - 048 GIS

February 2011
**Lawn & Garden Waste Management**

**Lawn & Garden Waste**, if improperly handled, can accumulate and often lands in creeks and ditches, as well as in the City storm sewer system. Responsible management of lawn and garden waste helps promote good water quality, and keeps our water resources healthy.

Under recent changes to the federal Clean Water Act, the City must address the issue of water quality. A major component of polluted water in the City is nitrogen and phosphorous based fertilizers that wash off over fertilized yards. When fertilizer is applied to a yard, any excess that falls on sidewalks and driveways should always be swept back into the yard rather than washed into the street or gutter with a garden hose. One easy step homeowners can take to avoid over-fertilizing is to soil test their yards prior to application of any fertilizers. In many instances, soil testing saves the homeowner money, because it shows that they can reduce the amount of fertilizer needed.

**Composting** of lawn and garden waste on site is another method homeowners can use to reduce their fertilizer costs. There are a growing number of homeowners who are opting to mulch tree leaves and grass clippings with their lawn mowers to compost, and later use as a soil amendment in their yards and flower beds. (Pet waste should not be composted, and if chemical fertilizers are used, the compost should not be added to vegetable gardens).

**Lawn & Garden Waste Recycling**

Jefferson City has contracted with All Seasons Home & Lawn Care to provide a location for homeowners to drop off yard waste. The hours of operation vary by season. There is **No Charge to City residents** who haul their own waste. Freshly ground mulch as it becomes available is free at the site. The site is located at **2417 Southridge Dr.** (see map).

**DAYS AND HOURS OF OPERATION**

**March 16 thru November 30:**
- 8am to 7pm, Mon. thru Fri.
- 8am to 5pm on Sat.
- Noon to 5 p.m. on Sun.

**December 1 thru March 15:**
- 8am to 5pm, Mon. thru Fri.
- 8am to 5 p.m. on Sat.
- Noon to 5 p.m. on Sun.

The site may be closed on the following holidays: Easter, Memorial Day, Fourth of July, Thanksgiving, Christmas Eve, Christmas Day, New Year’s Eve and New Year’s Day.

(Limbs must be 6” thick or less and less then 4’ long)
