## Mobility Management

An innovative approach for managing and delivering coordinated transportation services.

### Those served include:

Older adults, people with disabilities, and anyone facing barriers finding transportation.

Mobility Managers (MM) focus on meeting individual customer needs through a wide range of transportation options and service providers.

### Some of these options include:

Volunteer Driver Programs, Taxi-Cab Services, Transportation Voucher Programs and Medicaid or Badger Care non-emergency medical transportation (MTM).

## Services Provided

### Assisting communities:

MM work with local Aging Units, Clinics, Senior Centers, and other service providers to educate and raise awareness of Mobility Management, transportation options and transportation needs within each community.

### Provide person-centered travel training and trip planning:

MM can meet with you to help plan each part of your trip. We can also ride with you on local trips until you become comfortable scheduling your rides and riding independently.

### Assist individuals:

MM will work with you to find the most cost effective, reliable transportation to get you where you want to go.

### Improve services:

MM will look closely at your transportation needs and will work to ensure those needs are met!  
We strive to make your travel experience the best it can be.
