Bluestar District Troop 127 of Lapeer

Whereas the members of the Lapeer City Commission consider it a great privilege to celebrate and proudly extend tribute to all the leaders, parents, friends, family, and scouts who have made the Boy Scouts of America-Scouting America successful across our City. This organization has had a profound impact on countless lives in our state and nation; and

Whereas, the Boy Scouts of America were incorporated on February 8, 1910, in New York City, received their Federal Charter as granted by the United States Congress in 1916, and celebrated their 100th anniversary in 2010. Since the Boy Scouts of America awarded the first Eagle Scout in 1912 to Arthur Eldred, over two and a quarter million scouts have been awarded the Eagle Scout rank; and

Whereas, today, the Scouting program represents the largest voluntary youth movement in the world, with approximately 195 countries having scout programs. The Boy Scouts of America has more than 2.6 million registered scouts, over 1 million leaders, and over 100,000 registered units. Their goal is to train youth in responsible citizenship, character development, and self-reliance through participation in outdoor activities, educational programs, career-oriented programs, and community-service activities. Those scouts and leaders performed over 13.5 million hours of service to their councils and communities, with nearly 1.1 million youth attending a council camp or national high-adventure camp last year; and

Whereas, the City Commission acknowledges the importance of the character building, responsible citizenship and outdoor stewardship instilled into Scouts through the values of the Scout Oath and Scout law in young people throughout Lapeer; and

Whereas, the City Commission recognizes the valuable contributions of all Scouts and specifically to those Eagle Scouts who choose to complete their projects in Lapeer County.

Now therefore, be it resolved that the City Commission expresses its sincere appreciation to the Bluestar District Troop 127 of Lapeer for raising generations of young people who are trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent which help people make ethical and moral choices and by their history of service and leadership development, help raise future leaders of local government.

- (1) Hours of operation of provisioning center facilities, marihuana retailer establishments, and all other marihuana businesses that are open to the public shall be restricted to be between the hours of 9:00 a.m. to 10:00 p.m. of the same day.

Buffer distances shall be measured in a straight line (regardless of building or other obstructions) from the nearest property line of a protected use to the nearest property line of the parcel(s) where the proposed marihuana facility/establishment is to be located including distances that lie outside of the City of Lapeer. The location of property lines shall be determined by the City of Lapeer Assessing Department. A proposed marihuana facility/establishment must be outside of designated buffer areas as described below.

- (2) A 1,000-foot buffer is required from all preexisting public, parochial and other private schools offering courses in general education and consisting of any grade levels from kindergarten through 12th grade.
 - (3) A 500-foot buffer is required from all preexisting licensed child-care centers, child day-care centers, nursery schools and child-care institutions. The filtration system shall, at all times, prevent marihuana odor from being detectable to a reasonable person of normal sensitivities beyond the property line of the licensed or unlicensed marihuana property. The filtration system shall be maintained in good working order and shall be in use at all times. The filters shall be changed a minimum of once every 365 days or as determined by the manufacturer's recommendations, whichever requires more frequent changes. Negative air pressure shall be maintained inside the building at all times so that all air and

marihuana odor must pass through the odor control system prior to leaving the building. Doors and windows shall remain closed, except for the minimum length of time needed to allow ingress or egress of the building.

- (1) All marihuana odor control systems shall be designed and stamped by a Michigan licensed engineer who specializes in odor control, signifying that in their professional opinion, the odor control system will be effective at controlling the marihuana odor.
- (2) An alternative odor control system is permitted if the applicant submits and the City of Lapeer Planning Commission accepts a report by an engineer licensed in the State of Michigan who specializes in odor control, attesting and demonstrating that the alternative system will control odor as well or better than what is required pursuant to this Ordinance. The City of Lapeer may hire an outside expert to review the alternative system design and advise as to its comparability and whether, in the opinion of the expert, it should be accepted. The applicant shall be responsible for all costs and expenses incurred by the City of Lapeer to evaluate an alternative odor control system requested by an applicant.
- (3) All odor control systems shall be installed and operated in conformity with the licensed engineer's plans and all manufacturer requirements.
- (4) In addition to the requirement that all licensed or unlicensed marihuana uses, buildings, and properties install and operate an odor control system, all owners, operators, employees, agents and licensees of all licensed or unlicensed marihuana uses, buildings and properties shall have a continuing obligation and duty to actually prevent marihuana odors from being detectable to a reasonable person of normal sensitivities beyond the property line of the property where the marihuana use is located.
- (5) Installation of an odor control system, including an alternative odor control system, approved by this Ordinance or the City of Lapeer is not a warranty or representation by the City of Lapeer that such system will prevent marihuana odor from being detectable to a reasonable person of normal sensitivities beyond the property line as required by this Ordinance.

CITY OF LAPEER
LAPEER COUNTY, MICHIGAN

Ordinance #: 2024-13

An ordinance to amend the City of Lapeer Code of Ordinances by amending Chapter 68 Medical Marihuana Facilities, § 68-1 to 68.8

THE CITY OF LAPEER, LAPEER COUNTY, MICHIGAN ORDAINS:

ARTICLE I.

That Chapter 68, Medical Marihuana Facilities is amended to read in its entirety as follows:

§ 68-1. Purpose.

- A. It is the intent of this chapter to authorize the establishment of certain types of medical marihuana facilities in the City of Lapeer and provide for the adoption of reasonable restrictions to protect the public health, safety, and general welfare of the community at large; retain the character of neighborhoods; and mitigate potential impacts on surrounding properties and persons. It is also the intent of this chapter to help defray administrative and enforcement costs associated with the operation of a marihuana facility in the City of Lapeer through imposition of an annual, nonrefundable fee of not more than \$5,000 on each medical marihuana facility licensee. Authority for the enactment of these provisions is set forth in the Medical Marihuana Facilities Licensing Act, MCLA § 333.27101 et seq. The City of Lapeer specifically incorporates the terms and provisions of the Michigan Medical Marihuana Act and the Medical Marihuana Facilities Licensing Act herein as if set forth hereunder.
- B. Nothing in this chapter is intended to grant immunity from criminal or civil prosecution, penalty, or sanction for the cultivation, manufacture, possession, use, sale, or distribution of marihuana, in any form, that is not in compliance with the Michigan Medical Marihuana Act, Initiated Law 1 of 2008, MCLA § 333.26421 et seq.; the Medical Marihuana Facilities Licensing Act, MCLA § 333.27101 et seq.; the Marihuana Tracking Act, MCLA § 333.27901 et seq.; and all other applicable rules promulgated by the State of Michigan. This chapter permits authorizations for activity based on the Medical Marihuana Facilities Licensing Act, MCLA § 333.27101 et seq. Nothing in this chapter shall be construed as allowing persons to engage in conduct that endangers others or causes a public nuisance, or to allow marihuana uses and activities not in strict accordance with the express authorizations of the Medical Marihuana Facilities Licensing Act, MCLA § 333.27101 et seq.
- C. As of the effective date of this chapter, marihuana remains classified as a Schedule 1 controlled substance under the Federal Controlled Substances Act, 21 U.S.C. § 801 et seq., which makes it unlawful to manufacture, distribute, or dispense marihuana, or possess marihuana with intent to manufacture, distribute, or dispense marihuana under federal law. Nothing in this chapter is intended to grant immunity from any criminal prosecution under state or federal laws as they may be enforced by either the federal or state governments relative to such uses and activities. Thus, the authorization of activity and the approval of a license under this chapter shall not have the effect of superseding or nullifying federal or state law applicable to the cultivation, manufacture, possession, use, sale, or distribution of marihuana, in any form, and all applicants and grantees of licenses are on notice that they may be subject to prosecution and civil penalty, including forfeiture of property.

§ 69-1. Purpose.

- A. Recognizing that there is a potential conflict between federal and state law with respect to the operation of adult use marihuana businesses, it is the purpose and intent of this chapter to give effect to the intent of Initiated Law 1 of 2018, the Michigan Regulation and Taxation of Marihuana Act, MCLA 333.27951 et seq. (the "Act"), as approved by the electors. It is the further intent of this chapter to protect the public health, safety, and general welfare of persons and property, and to license certain locations as specified below, as allowed by the Act.
- B. This chapter is designed to recognize the fundamental intent of the Act to facilitate the statutory authorization for the limited cultivation, distribution, and use of marihuana in lawful amounts by those adults 21 and over as allowed by the Act; and to regulate around this fundamental intent in a manner that does not conflict with the Act. It is also the intent of this chapter to help defray administrative and enforcement costs associated with the operation of a marihuana facility in the City of Lapeer through imposition of an annual, nonrefundable fee of not more than \$5,000, or such other amount as may be authorized by law or regulation, on each marihuana facility licensee granted by the City of Lapeer under Michigan law and this chapter. Authority for the enactment of these provisions is set forth in the Michigan Regulation and Taxation of Marihuana Act, MCLA 333.27951 et seq.

- C. Nothing in this chapter shall be construed as allowing persons to engage in conduct that endangers others or causes a public nuisance, or to allow use, cultivation, growth, possession or control of marihuana not in strict accordance with the express authorizations of the Act and this chapter; and nothing in this chapter shall be construed to undermine or provide immunity from federal law or state law as it may be enforced by the federal or state government relative to the cultivation, distribution, or use of marihuana. Thus, the authorization of activity and the approval of a license under this chapter shall not have the effect of superseding or nullifying federal or state law applicable to the cultivation, use, and possession of marihuana, and all applicants and grantees of licenses are on notice that they may be subject to prosecution and civil penalty, including forfeiture of property.
- D. As of the effective date of this chapter, marihuana remains classified as a Schedule 1 controlled substance under the Federal Controlled Substances Act, 21 U.S.C. § 801 et seq., which makes it unlawful under federal law to manufacture, distribute, or dispense marihuana, or possess marihuana with intent to manufacture, distribute, or dispense marihuana. Nothing in this chapter is intended to grant immunity from any criminal prosecution under state or federal laws as they may be enforced by either the federal or state governments relative to such uses and activities. Thus, the authorization of activity and the approval of a license under this chapter shall not have the effect of superseding or nullifying federal or state law applicable to the cultivation, manufacture, possession, use, sale, or distribution of marihuana, in any form, and all applicants and grantees of licenses are on notice that they may be subject to prosecution and civil penalty, including forfeiture of property.

PUBLIC COMMENTS

Bryan Cloutier read information about roll call votes from the Open Meetings Act Handbook.

MAYOR/COMMISSIONER COMMENTS

Commissioner Glisman: Thanked the Eagle Scouts, she is really proud for them. Was sad to read about the two students that tried to commit suicide, those talking to students should handle these incidents in a positive manner, be kind to each other and watch out for your kids, it is important.

Commissioner Brady: Echoed Commissioner Glisman. Shared the projects the Eagle Scouts participated in around the City and the County.

Commissioner Petrie: Read two quotes on the topic of trust. Explained why she voted no on a few items earlier in the meeting; feels the way the two people were removed from the Planning Commission, it was wrong, it is embarrassing, and it was personal. Changing the policy now is embarrassing; what we did to two 18-year volunteers was embarrassing, repeated what Austin Kelly said at a recent Planning Commission. She voted no, because she cares about her character.

Commissioner Swindell: Happy birthday to her son Travis, it's today. Government moves slowly, feels Item G-4 has been in play for nine (9) weeks, if there were questions, Commissioners should have asked in the time given. We need to do what is best for the community and there is a need for better communication. We need to start having better conversations, so we are not doing a bait and switch at the end.

Commissioner Atwood: To piggyback on what Commission Petrie said, understands people voting no, he has had to do it, need to stick with your convictions and move on. Does agree with the Planning Commission appointments, it did cause chaos and was slightly embarrassed over how it was handled, however, that is the decision that the Mayor made. Wants to see a resolution for the next appointments so we don't have this situation again. Has never seen someone that was interested in reappointment not be reappointed. Doesn't like last-minute decisions in general. Does everyone want to have the ugly sweater contest for the next meeting; it was the consensus to be festive at the next meeting and to include the staff and anyone else that wanted to join in.

City Manager Womack: Was a former Boy Scout, enjoyed it and feels it improved him. Proud of the Commission, tonight was a tough meeting. Welcomed and thanked Ms. Brady for wanting to join the Planning Commission, she will do a great job and Mr. Pattison, he did a great job in the past. Thanked staff, does trust them and it is great working with them. The appointment policy, I will bring that back for further review. Quote from his former Mayor quotes you cannot fix the past, but you can fix the future. Feels Ms. Petrie quoted him incorrectly, he would never blame his staff for anything, she misspoke of what he said.

Mayor Marquardt: Is looking forward to the sweater contest. To Commissioner Petrie, she submitted 4 or 5 names to the Planning Commission for appointments which were not supported, tried to do a policy, is following current practice, it is her decision at the particular time and stated why she did not reappoint Jennell RaCosta and Anne Shenck, and it will continue to be her decision until the policy is changed. Thanked the Boy/Eagle Scouts, she was a brownie and a girl scout. Wished everyone a pleasant week and to stay warm.

289 2024 12-02 ADJOURNMENT
