

Strategic Goal 1: Portfolio Redevelopment and Positioning

LMHA will continue its successful initiatives to completely redevelop, replace, and modernize its entire portfolio of residential developments as well as furthering options to better serve low-income and homeless residents through creatively increasing voucher units and utilization, non-traditional affordable housing, and market rate housing. Key considerations in these new initiatives will be providing for mixed-income communities, furthering housing choice, investing in and engaging stakeholders in neighborhood community building, striving for investment without displacement, providing for broadband connectivity and furthering racial equity. LMHA will be a leader in sustainability and green practices utilized in new and modernized developments, as well as in agency operations. High standards of asset management and maintenance will ensure that properties continue to be the highest quality of housing in their neighborhoods.
