Heavy Equipment Operator

Position Summary:

Responsible for safely operating heavy equipment for site grading, roadway construction, and underground utilities. Excel is seeking experienced heavy equipment operators (dozer, excavator, high-lift and backhoe) to join our grading and utilities division.

Job Responsibilities

- Operate heavy equipment on jobsite.
- Daily maintenance.
- Perform duties responsibly and proficiently, following all company safety guidelines.

Skills and Specifications

- Operate equipment with a high degree of competency, skill, and proficiency.
- Knowledge of basic maintenance of operating equipment.
- Ability to walk and stand for long periods of time and perform strenuous physical labor under adverse field conditions.
- Strong communication and collaboration skills. Experience working effectively in a team environment.
- 2 plus years of experience with an excavator, backhoe, dozer, or similar equipment required.
- 4 to 5 years labor experience
