SUBJECT: Visitor Limitation Policy
DATE: March 13, 2020

On the recommendation of the Louisville Metro Department of Public Health & Wellness regarding congregate events and social distancing, the **Visitor Limitation Policy** will be implemented effective March 13, 2020. This policy will be reviewed regularly and updated as necessary.

For this reason, the Louisville Metro Housing Authority (LMHA) is strongly recommending that all residents residing in any of our enclosed/community living (high-rise facilities) restrict their visitors in effort to combat the coronavirus from spreading to vulnerable populations.

While this site location has **not** had any reported cases as of the date of this notice, this is strictly a precautionary measure that the LMHA is encouraging our residents to strongly consider.

Acceptable visitors would include but not limited to: Visiting Nurses, Pharmaceutical Providers, Visiting Caretaker and other medical providers.

Should you have any additional questions or concerns in response to this notice, please contact your Property Management office.

Thank you in advance for your cooperation in this matter.
