

United Way

SPECIAL EDITION

LMHA AND METRO UNITED WAY, TOGETHER WE HAVE THE POWER

A MESSAGE FROM TIM BARRY LMHA EXECUTIVE DIRECTOR

When each of us contributes to Metro United Way, collectively, we have the power to make a major contribution and investment in our community. We all know people who maybe, for the first time in their lives, have need for some of the services and programs offered by United Way. As we begin our 2009 Annual Metro United Way Employee Campaign, now more than ever your generous contribution is needed to support a broad range of health and human services.

Your contribution touches the lives of two out of every three people in our community. Think about that! The money you give, regardless of the amount, helps so many people in so many ways. Let's work together to make sure United Way is here for all of us.

Every day, your United Way contribution is hard at work supporting over 150 health and human service programs at 90 partner agencies and about a dozen strategic initiatives and collaborations. Your investment can help children prepare for kindergarten and young people achieve academic success; lead families to the path of financial stability; and, provide a safety net of services supporting optimal health and independence.

During our employee campaign, we'll have some sweets and treats, and award several wonderful prizes and gift certificates based on your level of employee contribution to Metro United Way. Please don't forget to refer to your Metro United Way campaign materials for your pledge form and information regarding the "chance" award levels.

Please consider making a gift to the 2009 Metro United Way campaign. Last year we raised over \$12,000 to help Metro United Way fund agencies and organizations that provide assistance to our community.

Let's make this another great year for giving!

METRO UNITED WAY FREQUENTLY ASKED QUESTIONS

Is Metro United Way different from other non-profit organizations?

Yes. Metro United Way's vision is to make this the most vital, caring community in America. Community Solutions is Metro United Way's results-oriented investment system focused on helping kids succeed, building strong families, promoting health and independence and strengthening neighborhoods.

What does Metro United Way do besides raise and allocate funds?

Metro United Way works in partnership with government, schools, businesses and other non-profits to create community solutions. Your help supports First Call, a toll-free 24-hours-a-day information and referral line for people to find the help they need. We also connect thousands of volunteers with local non-profits through Metro United Way's Volunteer Connections.

How can I be sure my gift is being spent wisely?

Local volunteer experts study community needs, set goals, review budgets and monitor agencies to make sure that donated dollars are used wisely.

Metro United Way adheres strictly to stringent standards of accounting and financial reporting set for voluntary health and human service organizations.

Can I designate to an agency in the county where I live instead of where I work?

Yes, you may designate to a specific agency in the county where you live if you wish, if it is a Metro United Way participating agency. On the back of the pledge form, you'll find instructions on how to direct your gift to a specific Metro United Way agency.

What does the Metro United Way theme "LIVE UNITED" mean?

Living united means being a part of the change. It is a reminder that when we as individuals think outside ourselves, we have the power to create change. When we think of other people's lives as linked to our own, our compassion grows. When we reach out a hand, we can influence the condition of all. We build strength in our community, bolster health and change the lives of those who walk by us everyday. United we can change what we see in the world. It's about the power of unity.

2009 METRO UNITED WAY PRIZE DRAWING DETAILS!

Increase your gift to Metro United Way and increase your chances to win great prizes including **one day paid leave, electronic products and gift certificates**. The larger the gift, the greater number of chances you will have entered in the LMHA prize drawings.

One chance For one-time gift up to **\$25.00**

Two chances For minimum gift of **\$1.00 per pay period** (or one-time gift of at least \$26)

Three chances For minimum gift of **\$2.00 per pay period** (or one-time gift of at least \$52)

Four chances For choosing "Care Share" option (one hours pay per month)

Five chances For choosing "Super Care Share" option (two hours pay per month)

Six chances For choosing "Leader's Share" option (three hours pay per month)

*To qualify for the prize drawings and a 2009 Metro United Way/LMHA long sleeved t-shirt, your completed pledge card must be turned into Cathy Salvate in Finance by **Thursday, November 19, 2009**. You must donate \$30 or more to receive a t-shirt (be sure to circle your t-shirt size at the top of your pledge form).*

GET ACCESS TO HELP 24/7 WITH THE 2-1-1 HOTLINE

Every hour of every day, someone in our community needs essential services, from finding substance abuse treatment, to health care, to securing quality care for a child or aging parent. **2-1-1** is an easy-to-remember three-digit phone number that simplifies the process of connecting people to important services.

2-1-1 Get Connected. Get Answers.

EDUCATION, INCOME AND HEALTH: BUILDING BLOCKS FOR A GOOD LIFE

Metro United Way is working to advance the common good by focusing on building blocks for a good life - education, income and health. Metro United Way invites you to **LIVE UNITED** – be a part of the change! Together, united, we can inspire hope and create opportunities for a better tomorrow.

EDUCATION

All children are safe, healthy, nurtured and prepared to succeed in school and in life. We do this through:

Improving access to quality, affordable childcare and early learning opportunities.

Partnering with schools, families, community groups, service providers and neighborhoods to improve graduation rates.

Supporting after-school and mentoring programs for youth.

INCOME

Families are strong and self-sufficient. We help ensure this by:

Supporting programs that help families meet their basic needs for food, shelter and other necessities.

Improving access to quality financial information and services.

Helping families develop a financial path to a good life by maximizing income, increasing savings and developing assets.

HEALTH

Everyone enjoys lifelong health and independence. We can achieve this by:

Increasing the availability of quality health care information.

Providing health support services through agency programs.

Helping seniors and people with disabilities envision and achieve maximum independence and a high quality of life.
