Pumpkin PURGE!

Don't trash that old pumpkin--compost it!

Scary Fact: Food waste takes up 30% of landfill space.

This year, compost your pumpkin with Madison County! Composting old pumpkins lets nutrients and water feed Illinois soil, not landfills!

Still in the Halloween spirit? Come wearing your costume!

Two
locations!

**Saturday, November 4th
9 am to 11 am**

Alton Middle School & Highland Elementary

2200 College Ave, Alton, IL

1600 Lindenthal Ave, Highland, IL

Bring your old pumpkins (free of paint, stick-on decorations, and candles)
and enjoy **prize drawings, games, and FREE hot chocolate!**
