A motion was made by Mr. St. Peters and seconded by Mr. Davis that the petition of Leder Revocable Living Trust be as follows: “Granted.”

The Finding of Fact of the Board of Appeals: I. The notice of Public Hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing and none were in attendance; IV. Grace Leder spoke on behalf of the applicant. Ms. Leder stated that the trust is seeking to separate the farmstead from the agricultural land. Ms. Leder stated that the subject variances would be needed in order to execute the property split; V. The Board of Appeals notes for the record that the proposed variance requests would be compatible with the surrounding area; VI. The Board of Appeals feels that to allow this request would not cause a detrimental effect on adjoining properties; VII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.

The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. Derek Jackson, Planning Coordinator, spoke on behalf of the applicant. Mr. Jackson stated that the Department has been approached by several property owners within the County regarding the possibility of hosting events, such as wedding receptions, family reunions, and similar events within “A” Agriculture Districts.
