Public Health
Prevent. Promote. Protect.

A MESSAGE FROM THE PUBLIC HEALTH ADMINISTRATOR

I am pleased to present the Annual Report of the Madison County Health Department for the fiscal year, December 1, 2021 through November 30, 2022.

The year 2022 marked the anniversary of 28 years of service to the Madison County community. The Madison County Health Department's programs include food safety, environmental health, immunizations, communicable disease, women's health programs, emergency planning and preparedness, disease intervention and health equity services.

I would like to acknowledge the staff of the Madison County Health Department and their continuous dedication to the citizens of Madison County. Their daily determination to improve the health and well-being of the people in this community shows in the work they do and the lives they touch.

I would like to sincerely thank the Health Department Advisory Committee, the Madison County Board, all elected officials, the staff, and volunteers for their support. I want to thank each of you for your willingness to use your talents and abilities to provide services to our citizens

I would like to thank the network of community organizations and governmental agencies for their assistance, cooperation, and collaboration in promoting the health of our community. No one can do it alone!

Finally, I would like to acknowledge the superb leadership Amanda Pruitt displayed during her tenure as the interim Public Health Administrator after the retirement of long time administrator, Toni Corona.

Sincerely,

Douglas King, M.P.A., L.E.H.P.
Public Health Administrator

OUR VISION:

Healthy choices, people, and places. Healthy Madison County.

OUR MISSION:

To promote, protect, and assure conditions for optimal health through leadership, partnership, prevention and response

WE BELIEVE IN:

- Being sensitive to cultural factors influencing health
- Encouraging employees to pursue personal and professional growth
- Delivering high quality services
- Identifying and minimizing health disparities
- Maintaining a qualified work force dedicated to fulfilling their roles
- Providing programs necessary to promote and protect community
- Sustaining partnerships and maintaining community collaborations

HEALTH PROTECTION DIVISION

FOOD SANITATION PROGRAM The goal of the Food Sanitation Program is to protect citizens from contracting and transmitting foodborne diseases, and to educate food service operators and consumers about safe food handling practices.
