## "Rx 4 Safety" update

Sheriff John D. Lakin, in partnership with all the Police Chiefs of Madison County, have collected nearly 12,000 pounds of prescription and over-the-counter medications. These medications have been disposed of at a federally regulated location, approved by the E.P.A. (Environmental Protection Agency).

This is a collective effort, between the community, Madison County Planning and Development, and law enforcement, to protect the environment from the improper disposal of medications/drugs and also to keep our prescription medications from being ingested accidentally, stolen, or misused.

Secured drop off bins are located at the following Police Departments: Alton, Bethalto, Collinsville, East Alton, Edwardsville, Granite City, Highland, Madison County Sheriff's Office, Roxana, SIU-E, Troy, and Wood River.

*These bins were provided by CVS Pharmacy, Republic Waste and the American Water Company.*

These drop off locations are available to the citizens 24 hours a day 7 days a week.

These are the items we **CAN** accept:

Any over the counter medications, vitamins, liquids, narcotics, cough syrup, prescription medicines, hormones, painkillers, antibiotics, ointments, oils, and any unidentified pills.

These are the items we **CANNOT** accept:

Oxygen tanks, asthma inhalers, mercury thermometers, hearing aids, household waste, and sharps or needles.

Sheriff Lakin's 2nd Annual Shop-with-a-Sheriff took place on Friday, December 19th at the Godfrey Wal-Mart.

Alton High School Resource Officers Dunham and Pohlman were able to raise just over \$5,750.00 for this event. Funds were donated by community leaders/members and local businesses. Alton High also hosted a "Pie in the face" event to assist. The money allowed 16 deputies to take 28 Alton High School students shopping with a \$200.00 gift card.

During the month of December the Sheriff's Office hosted an employee food drive. The nonperishable food items were distributed to food pantries in Granite City and Cottage Hills.

Sgt. Michael Keshner, Det. Timothy Lawrence, Det. Robert Weller, Dep. Benjamin Patterson, and Dep. Jason Thatcher were nominated and received the SILEC/SIPCA Certificate of Merit. This award was given to these individuals for their efforts as they related to the Eldon "Twirp" Williams murder investigation.

Dear Sheriff Lakin and Clerk Ming-Mendoza:

A copy of our recent inspection report of the Madison County Jail is enclosed. The *Illinois Compiled Statutes [730ILCS5/3-15-2(b)]* mandates the Illinois Department of Corrections to inspect each county jail annually and to make the results available for public review. Your offices should make this inspection report available for public review in the records of Madison County and you are encouraged to give notice to the citizens of your county, by news release or other means, that this report is available for the public's review.

Specialist Fritschle again noted numerous improvements that will enhance the safety and security of the jail. The jail was 36 detainees over capacity at the time of inspection. Efforts should be considered to reduce detainee population or expand bed count for the jail.

The Jail and Detention Standards Unit staff is available for consultation should you desire. Please call (217) 558-2200, extension 4212.

Sincerely,

Edwin R. "Bob" Bowen, Manager

**Message from the Sheriff**

The 2018 Annual Report provides a small glimpse into the activities of the Madison County Sheriff's Office. The report highlights the successes from 2018 and offers various statistical information from all divisions within the department. None of the success during the past year could have been possible if it were not for the dedication and service of the men and women of the Sheriff's Office. It has been truly an honor to serve alongside these remarkable individuals. I would also like to thank the various civic groups throughout the county that work with us daily.

Sincerely,

John D. Lakin  
Sheriff of Madison County
