COMMUNITY CONNECTIONS

March 29, 2016, the Madison County Sheriff's Office implemented an Internet Purchase Exchange Location. There are two (2) areas in the Sheriff's Office parking lot where citizens can exchange items purchased over the internet. Both of these locations are under 24 hour surveillance.

These two (2) Internet Purchase Exchange Locations were dedicated to the family of Taylor Clark on July 1, 2016. Taylor Clark tragically lost his life during an internet purchase exchange in the Spring of 2015.

The locations here at the Sheriff's Office are clearly marked , accessible, and monitored 24-hours a day.

Thursday, September 23, 2016, the Madison County Sheriff's Office presented the Troy Veterinary Clinic with a plaque thanking them for their care and service to our department K-9's.

Troy Veterinary Clinic provides the Sheriff's Office K-9's with necessary check-up's, preventative care, as well as any additional treatment needed. The K-9's are an extremely valuable tool within the Sheriff's Office Patrol Division and their healthcare is of the utmost importance.

TRUNK OR TREAT 2016

This years event was a huge success. The Sheriff's Office hosted to a crowd of over 1,000 guests.

Arch Air Medical Services was kind enough to bring in their helicopter for the kids to see.

The PB&PA (Policemen's Benevolent & Protective Association) donated candy, plates and condiments.

The Godfrey Meat Market donated a case of hotdogs.

NOTEWORTHY INVESTIGATIONS

- January 25, 2016, the Madison County Sheriff's Office received a Cyber Tip Line Report from the National Center for Missing and Exploited Children (NCMEC) with regards to an individual having images of children engaged in sexually explicit conduct within their Google email account. An investigation into the report would later lead to a suspect who was identified as Kevin Boatwright, Age 47, of Granite City, Illinois. Boatwright, who was already a registered sex offender, was charged with three felony offenses associated with possession of Child Pornography. He was also charged with one felony offense for failing to notify law enforcement of an online account in accordance with the sex offender registration act.
- During the month of March of 2016, the Madison County Sheriff's Office initiated an investigation into complaints of illegal drug sells taking place at J&L Salvage in Cottage Hills, Illinois. The investigation culminated with the execution of a search warrant on Wednesday, April 13, 2016. Investigators located and seized Methamphetamine, firearms, and paraphernalia associated with the distribution of narcotics from the business. The operator of the business was identified as Larry B. Tinnon (Age 57). Tinnon was present when the search warrant was executed and found to be in possession of Methamphetamine. He was taken into custody and charged with Unlawful Possession of Methamphetamine, Unlawful Possession with the Intent to Deliver Methamphetamine, and two counts of Aggravated Unlawful Use of a Weapon. Tinnon was found guilty in connection with the charges filed in this investigation and sentenced to the Illinois Department of Corrections. Additional felony methamphetamine related charges were filed against two other associates of the business.
- Sunday, May 22, 2016, at approximately 3:20 p.m. the Madison County Sheriff's Office was contacted via 911 by the victim of an Aggravated Vehicular Car Jacking. The victim told deputies that he arranged to meet with an unknown subject, who responded to a Craigslist Posting the victim made for a car he was trying to sell. The victim met the prospected buyer at a business in rural Edwardsville, Illinois. The prospected buyer produced a handgun and ultimately fired a round towards the victim, while in the victim's vehicle. The victim fled on foot, as the suspect drove away in the victim's vehicle. Police located the victim's vehicle shortly after the robbery and attempted to stop the suspect. The suspect fled from police, at speeds over 100 miles per hour, into St. Louis. The pursuit was terminated out of concerns for the safety of the general public. Madison County Sheriff's Investigators were able to identify the suspect as 22 years old, Calvin Fletcher Jr., of St. Louis, Missouri. Investigators recovered the victim's vehicle in Northern St. Louis County, on May 26, 2016. A warrant was issued for the arrest of Fletcher on charges of Aggravated Vehicular Hijacking, Aggravated Discharge of a Firearm, and Armed Robbery. Fletcher was found guilty of charges associated with this event and sentenced to 10 years in the Illinois Department of Corrections.
- During the month of August 2016, the Sheriff's Office handled a series of outbuilding burglaries in the rural south eastern section of the county. In each of the incidents the suspect(s) entered outbuildings during the overnight hours stealing and/or attempted to steal utility trailers and/or all terrain (UTV/ATV) type vehicles, lawn equipment, and chain saws. The investigation resulted in the arrest of Joseph Herling (Age 30) and Steven Herling (Age 30), both of 110 Turtle Creek Troy, Illinois, on three counts of Burglary. The continued investigation resulted in the recovery of more than \$25,000.00 in stolen property, taken from burglaries in Madison, Clinton and Washington Counties. The recovered stolen property included firearms, stolen all-terrain vehicles, a motorcycle, a stolen truck, and stolen tools.
- August 24th, 2016, Deputies from the Madison County Sheriff's Office were dispatched to the 1300 block of Sir Galahad Lane in Godfrey, Illinois, in reference to a welfare check of 18 year old Keaun Cook. Sheriff's Deputies met with Cook, and located evidence linking him to a possible regional terrorist threat. The ensuing investigation confirmed that Cook had been in contact with individuals he believed would be capable of committing a mass casualty terrorist attack. Potential targets and local law enforcement agencies were notified to provide heightened security and reduce public risk. Cook was taken into custody and charged with one count of Making a Terrorist Threat and one count of Material Support for Terrorism, both Class X Felonies. The investigation is credited with deterring possible terrorist activity in Madison County. Cook remains in the custody of the Madison County Jail in lieu of a \$150,000.00 bond.

- September 18, 2016, the Madison County Sheriff's Office opened an investigation into the disappearance of a 13 year old girl, and her new born son, from her rural Edwardsville home. The investigation led Madison County Sheriff's Investigators and the United States Marshals Service on a nationwide search for the children, as well as the 13 year old's step father, Christopher M. Derleth (Age 40), of Granite City, Illinois. A court order out of Bond County, Illinois, had previously been issued, in connection with a criminal investigation that prevented Derleth from having contact with the missing 13 year old. The children and Derleth were found by a Madison County Sheriff's Investigator in a makeshift camp site, on a rural mountainous range, in Kanawha County, West Virginia, on September 24, 2016. Derleth was taken into custody on charges of Aggravated Kidnapping and Child Abduction. The children were released to Illinois DCFS Officials and were placed into state custody. Derleth remains in the custody of the Madison County Jail in lieu of a \$200,000.00 bond.
- Thursday, September 29, 2016, at approximately 10:30 p.m., a gunshot victim entered a business on Fosterburg Road, in Alton, requesting an ambulance. The gunshot victim was identified as Brenton M. Webster (Age 29), of Wood River, Illinois. Webster told responding officers he was shot by a subject who he arranged to meet through a Craigslist posting. Ultimately investigators determined that Webster was actually shot while committing a home invasion in the 300 block of Tremont Drive, Godfrey, Illinois. An occupant of the home allowed Webster into the residence, after Webster knocked on the door asking to use the restroom. After entering the home Webster reportedly attacked the homeowner with a firearm. The homeowner, who was also armed with a firearm, shot Webster during the attack. Webster fled the residence after being shot, and shortly thereafter entered the Casey's General Store, requesting an ambulance. Webster was charged with Home Invasion, Armed Robbery and Unlawful Possession With Intent to Deliver a Controlled Substance (Cocaine). Webster was medically treated and released from an area hospital for his injuries. Webster remains in the custody of the Madison County Jail in lieu of \$500,000.00 bond.
- On October 27, 2016, at approximately 7:20 a.m., deputies responded to the home of an 88 year old Godfrey Woman, reporting she was the victim of a violent home invasion. The victim was awoken by an unknown white male who had unlawfully entered her home. The suspect grabbed the victim and physically dragged her through her home. He ultimately stole the victim's purse and fled the scene. Deputies and Investigators developed a possible suspect, who was linked to an armed robbery of the Hit N Run Store in Upper Alton the previous evening. Madison County Sheriff's Investigators worked with Alton Police Department Investigators in developing probable cause for the arrest of Robert T. Profer (Age 55), of Wood River for both offenses. Profer was located by Sheriff's Investigators within hours of committing the home invasion and taken into custody. He was subsequently charged with Aggravated Robbery and Home Invasion. Profer remains in the custody of the Madison County Jail in lieu of a combined \$350,000.00 bond.
- On December 9, 2016, at approximately 7:14 a.m., the Madison County Sheriff's Office responded to a suspicious vehicle report in the 3100 block of W. Chain of Rocks Road, Granite City, Illinois. Deputies made contact with the driver of the suspicious vehicle, Jeremy A. Mitchell (Age: 19, of Collinsville, Illinois) who refused to cooperate with deputies and fled in the vehicle. Mitchell crashed the vehicle into a nearby ditch and fled on foot. Deputies apprehended him after a foot pursuit. He made threats to kill the deputies involved in his arrest and was in possession of heroin at the time of the encounter. A large amount of suspected stolen property was recovered from the vehicle. Through the use of regional media outlets and the newly created Madison County Sheriff's Office Facebook Page, most of the property was linked back to theft and burglary victims in St. Clair, Madison and St. Louis Counties. The investigation resulted in multiple charges of Residential Burglary, Burglary, one count of threatening a Public Official and one count of Possession of a Controlled Substance, against Mitchell. Mitchell remains in the custody the Madison County Jail in lieu of a combined \$380,000.00 bond.

Message from the Sheriff

The 2016 Annual Report provides a small glimpse into the activities of the Madison County Sheriff's Office. The report highlights the successes from 2016 and offers various statistical information from all divisions within the department. None of the success during the past year could have been possible if it were not for the dedication and service of the men and women of the Sheriff's Office. It has been truly an honor to serve alongside these remarkable individuals. I would also like to thank the various civic groups throughout the county that work with us daily.

Sincerely,

A handwritten signature in black ink that reads "John D. Lakin". The signature is written over a horizontal line.

John D. Lakin
Sheriff of Madison County
