

LWIA 22 WIOA Self-Sufficiency Definition Policy-Revised

October 29, 2015

The local definition of self-sufficiency for adults under Title 1 of WIOA is *150% of the 100% table for the Lower Living Standard Income Level (LLSIL)*.

The local self-sufficiency definition for dislocated workers under Title 1 of WIOA is *100% of their pre-lay off wage or 150% of the 100% table for the Lower Living Standard Income Level, whichever is the higher of the two*.
