Wastewater Treatment Plant

The renovation of the Wastewater Treatment Plant is about 50% complete, we are anticipating its completion the fall of 2018.

One of the main projects is the building of the equalization (EQ) basin. The basin will be a preliminary holding tank for the flow that comes into the system and will be able to accommodate any rain event or additional precipitation. During high flow an increased strain is put on the pumping station and the plant in general, the new EQ basin will eliminate that. The maximum flow the pumps have processed is 2,600 gallons per minute, they should be processing 700 gallons per minute. The holding tank will allow the WWTP to run the pumps on a consistent schedule which will reduce maintenance costs and wear and tear.

Parks & Recreation

On Saturday, October 21st, the Village Parks & Recreation Commission hosted its annual Fall Tree Planting event. Volunteers from the community assisted in planting several new birch trees along the east bank of Pettibone Creek. A maple tree was also planted near the chess tables in honor of former Parks & Recreation Commissioner John McDaniels, who passed away this summer. John was a long-time member of the Commission and led the effort to build and install the tables as a labor of love for the park.

Winter Reminders In The Village

No Parking on Village Streets - To aid in snow removal, parking on Village streets is prohibited from December 1 to March 1 between 3:00 am and 6:00 am. Violators will be ticketed.

Snow Removal - Property owners are responsible for clearing the snow and ice on sidewalks which adjoin their property. Snow must be removed within 48 hours of snowfall. The Village will arrange snow removal if not done within 48 hours and bill the property owner.

Water Billing -To avoid estimated water bills, please keep a path cleared to the remote so we can read the water meter from the outside.

Snowbirds - If you are heading to warmer weather this winter don't forget to call the Water Department to have your water turned off and/or give us your winter address for billing. Contact Sandy at (248) 684-1515 or email sandys@villageofmilford.org.

Fall Lawn Care for Watershed Protection

As we leave summer boating and swimming behind, what can we be doing this fall to keep our rivers healthy and clean? We can be smart about fertilizing and raking leaves! Fall chores have an impact on the storm water runoff coming from our yards. Here are simple steps you can do to help keep our rivers, streams, and lakes healthy ---

1. Do not dump your leaves into storm drains or ditches! Decomposing leaves add excessive nutrients that cause algae growth and take the oxygen out of the water that goes directly to our rivers. This harms fish and other aquatic animals and destroys their habitat.
2. Fertilizer should be applied in the fall for a healthy lawn in the spring.
3. When applying fertilizer, keep a minimum 10 foot buffer from ditches, storm drains and streams. This prevents nitrogen and phosphorus from washing into our waterways.
4. Do not dump any materials down storm drain catch basins in streets or parking lots. All storm drains are connected directly to the Huron River! Remember, only rain in the drain!

The Village of Milford is a proud member of the Huron River Watershed and strives to be an environmental steward. Check out the programs and activities offered for families to support clean water in our area. For more information, visit <http://www.hrwc.org>.

Trash Pick-Up Information

GFL is closed six days yearly for the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.

If your pick-up falls on or after a holiday during the business week, services will be pushed back one day.

Don't forget....

There is no parking on Village streets from December 1 - March 1 between 3:00 a.m. and 6:00 a.m.

You are invited to help fight hunger...

November 5, 2017 – Noon to 3 p.m. – Bakers of Milford

Come share in a simple meal of various soups and bread, donated by local restaurants, with the proceeds going to Community Sharing in the fight against hunger. Our "simple meal" will be a reminder that often families in need simply have soup, bread and water as their main meal... we will humbly simulate this at our Main event.

If you have painted a 2017 Empty Bowl soup bowl, it will be your entrance fee. If you haven't painted a bowl, no worry, they will be available for purchase at the door (already painted!)

Everyone is invited! Check it out: www.emptybowlproject.org or call Community Sharing at (248) 889-0347.

Recycle Using a Cart or Bin!

Want a 64-Gallon Recycling Cart?

Order a recycling cart directly from GFL Environmental Services using one of the following methods:

- By phone: call GFL Customer Service number at 844-454-3587
- By email: gflscustomerservice@gflenv.com

Milford Township residents choosing to order a recycling cart will be charged \$75/cart paid directly to GFL Environmental Services.

Want an 18-Gallon Recycling Bin?

- Visit the Township or Village office

Recycle Right. It Matters.

We need your help! Unacceptable items - such as garden hoses, plastic bags, diapers, needles, medical waste, propane tanks, batteries as well as yard and food waste - expose employees at recycling facilities to unsafe materials, lower productivity and reduce end-market quality of recyclable materials. This increases the costs of recycling operations and lowers the value of your recyclables.

Got This?	Please DO This:	It's Important Because:
Batteries	Take batteries to RRRASOC Household Hazardous Waste event or go to Call2recycle.org for a list of free drop-off locations.	Batteries contain corrosive acids which can cause serious burns to skin and eyes and cause fires.
Plastic Bags	Plastic bags may be recycled at local grocery and big box retailers.	Bags get wrapped around equipment causing jams that require hours of manual removal each day.
Propane Tanks	Many retailers will take the tanks back at no charge regardless of their condition.	Tanks are a real danger as they can cause fires, explosions, injury or death if disposed of improperly.
Styrofoam	Visit Dart Containers website for locations: dartcontainer.com/environment/ps-foam-recycling/	Foam products are NOT recyclable with RRRASOC's program.

Storytimes

We currently offer many different storytime options at Milford Public Library.

Baby Fun storytime, for ages birth through 17 months, introduces your baby to rhymes, books, and music. Parents are a child's first teacher, so join us and learn how to build your child's language skills. There will be time during each session for playtime and socializing.

Toddler Storytime is for ages 18 months – 2 ½ years and the children will experience short stories, movement songs, active rhymes, and fun parachute activities each week. Storytime will be followed by 25 minutes of toy playtime and social interaction.

Preschool Storytime is for ages 3-5 years and is intended to teach children independence and help them get ready for school so children will be with the librarian for the first portion of this program. The children will experience stories, songs, fingerplays, education activities and sometimes a craft during this 45-minute program. We ask the caregiver to remain in the youth department until we start activities or crafts when they will be invited back in to help.

Discovery Storytime is for ages 2 ½ to 5 years and during this 45-minute program, children experience stories, songs, and fingerplays followed by time to visit different sensory/skills discovery stations. Stations include letters and numbers, patterns and sequencing, arts and crafts and more.

Special storytime dates include evenings and Saturdays. These are usually intended for older children or the whole family. We do a little bit of everything in this program including, stories, songs, fingerplays, crafts and/or snacks.

Youth Services (continued)

Preschool Open House

Saturday, March 3rd

11:00 AM - 1:00 PM

Milford and Huron Valley area preschool providers will be here to highlight what their facilities offer parents and preschoolers. If you are a parent or guardian getting ready to send your child off to preschool, you will not want to miss this opportunity. Kids are welcome to attend with their parents. *No registration required - Drop in anytime.*

Happy Birthday, Dr. Seuss!

Thursday, March 1st

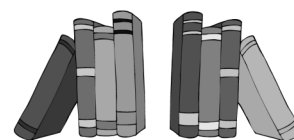

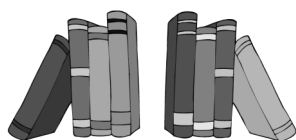

10:30 AM

Join us as we celebrate Dr. Seuss's birthday with stories and crafts. We'll start out in the children's area for a couple of favorite Seuss stories at 10:30. Then we'll move into the community room where the kids can do a variety of crafts and other activities (intended for 2 - 5 1/2 years old). *Registration begins Thursday, February 15th.*

1000 Books Before Kindergarten

We are encouraging parents and caregivers to read 1000 books to their children before they enter Kindergarten. There's no better way to prepare your children for success in school (and life) than reading to them. The program couldn't be easier. Two ways to participate. Register your child through Beanstack (ask a librarian for more information) or register at the youth reference desk the next time you visit the library. You'll get a folder with more information and your first reading log. All you have to do is start reading to your infants, toddlers, and preschoolers and record the titles on your reading log. Don't worry...you can repeat titles! As an incentive, parents/caregivers are entered into a drawing and kids will get rewards at different milestones. Check out the Kids News page on our website for more information.

Watch our website for additional Youth programs this winter and spring 2018!

Brilliant reds, sunshine yellows, and stunning russets - crisp fall days are here! Now is the time to find that good book to cozy up with as colder weather approaches.

Time to check out Friendly Finds New and Used Bookstore located in the Milford Public Library. Reasonably priced gently used books are available covering a variety of topics from non-fiction to self-help to crafts to travel. Come, discover a new author. Enjoy a beautiful coffee table book. Seasonal books are also available. Additionally, there are DVDs, CDs, audio books, and large print books. Plus there are free donated magazines, VHS tapes, and other items.

Autographed books by Carl Sams II and Jean Stoick are available. Other local author's books are by Laura Wolfe, T.M. McCarthy, Daniel Heard, and Laura Becker. CDs by Amy Heard are available. Handmade items by local crafters include notecards by Diane (Rometty) Bowman, Handmade Treasures by Teresa McCarthy, bags by Mary Bajcz, crocheted necklaces, and bookmarks can also be purchased.

Downsizing? Consider a tax deductible donation of any used books, DVDs, CDs, or magazines. Children's books are always welcome. However, we cannot accept textbooks, encyclopedias, or musty smelly books. Also be sure that you check your books for family memorabilia before you donate.

Staffed by dedicated volunteers, store hours are similar to library hours. Monies received through bookstore sales fund not only library programming that would not otherwise be available but also wish list items for the library.

Another way to support the Friends is by shopping at Amazon Smile. Amazon donates 0.5% of the purchase price to Friends of the Milford Township Library. Bookmark the link: <http://smile.amazon.com/ch/38-3409767> and support us every time you shop. Also consider becoming a Friend. Dues go to programming and other library needs. Applications can be found in the store or online at www.milfordlibrary.info. Please help support your library.

Library programs are made available through the generous support of the Friends of the Milford Public Library.

IRS Phishing Scam

Please be aware of an emerging scam that uses ransomware to take your computer “hostage”.

An email using IRS and FBI logos is sent to random email accounts asking the reader to download a fake FBI questionnaire. This link downloads the malware onto your computer leaving it vulnerable and your personal information and banking information even more so.

Remember that the IRS and FBI do not use email to discuss personal tax or criminal issues.

Think before you click!

Storm Drain Awareness

Everything that goes down a storm drain flows into our lakes and streams. Follow these tips to keep waterways clean:

- *Sweep extra fertilizer, grass clippings and dirt on your driveway back onto your lawn.* Hosing down your driveway sends these pollutants into storm drains that lead to lakes, streams and beaches.
- *Only allow rain to go down the drain.* Never dump motor oil, chemicals, pet waste, leaves, soapy water or anything else down the storm drain. All of these materials pollute our lakes and streams.
- *Label your storm drains.* Volunteer to label storm drains in your neighborhood to inform residents that storm drains flow directly to lakes and streams. Contact the Village of Milford Public Services Department at (248) 685-3055 or the Huron River Watershed Council at (734) 769-5123 for more information on storm drain labeling programs and how you can help.

Milford Transportation Service

Milford Township and the Village of Milford's transportation program is available to ALL Milford residents. This program is operated by our partners at ***People's Express*** and allows residents to arrange for transportation to and from work, medical appointments, shopping and more.

For more information, or to schedule a ride, please contact People's Express at (877) 214-6073.

Citizens Guide

Each year Milford Township and the Village of Milford must meet certain requirements in order to qualify for the full CVTRS (City, Village and Township Revenue Sharing) payment from the State of Michigan. One of the requirements is to provide that documents be made available to the public for viewing. These documents can be found at www.milfordtownship.com (Departments, Supervisor, Citizens Guide) or www.villageofmilford.org/budget.

Milford Fire Department News

- Fire Prevention Week, October 9-14, was a success. Milford Firefighters visited 10 schools and spoke to nearly 400 students about fire safety!
- Thank you to all who attended our open house in October.
- Keep an eye out for Milford Firefighters in early December for the annual Goodfellows Paper Drive.
- Come by the station for a visit and get some winter heating safety tips. Hours are Monday - Friday, 7:30 a.m. - 4:30 p.m.

No Wipes In The Pipes!!

Convenience wipes such as baby, hygienic, cleaning, and disinfectant, as well as toilet bowl scrubbers and paper towels might be labeled as 'disposable' or 'flushable', but these items should NOT go down the drain.

Products like these do not break down in the Village sewer system, causing plugs in sewer pipes and pumps, sewage backups and costly cleanups. These environmental consequences can ultimately lead to rate increases in your water/sewer bill.

Don't forget, Daylight Savings Time ends at 2:00 a.m. Sunday, November 5. Time to turn your clocks back!

Reporting Water Pollution

We all can play a part in keeping our lakes, rivers, and streams clean. One way is to report activities that are causing water pollution.

What kind of activities should you report?

- Contamination to lakes, rivers, and streams
- Pollution entering a storm drain or surface water
- Suspicious dumping to drains and/or surface waters
- Suspicious discharges from pipes
- Large numbers of dead fish
- Construction site soil erosion entering surface waters or catch basins
- Polluted stormwater runoff from storage piles and dumpsters

Please provide the following information when you call:

- Your name and phone number (you can remain anonymous if you choose)
- The source of pollution and what was spilled or dumped
- Quantity of spill (if known)
- Body of water impacted
- When the spill occurred (if known)
- Major crossroads of spill or known address

During business hours, you can call the Public Services Department at: (248) 685-3055. During non-business hours, please call the Oakland County 24-Hour Pollution Hotline at: (248) 858-0931. For more information, visit the County website at: www.oakgov.com/water.

Dog Licenses

The 2018 dog licenses will be available for purchase at the Township offices starting December 1. Current prices are \$7.50 for a spayed or neutered dog and \$15.00 if unaltered. Seniors age 65 and older receive a discounted rate of \$6.75/\$13.50. These prices are good until June 1, 2018, afterwards all licenses are considered delinquent.

For more information contact the Milford Township Offices at (248) 685-8731.

Village Residents

In an effort to better communicate with homeowners' and condo associations in the Village, we are trying to identify each association, including a key contact person (board president, secretary, etc.) and the boundaries of the association.

If you are an association board chair or primary contact, please send an email to neighborhoods@villageofmilford.org with the name of your association in the subject line. Shortly thereafter, you will receive a message with a more detailed information request. If you are not a board member of an association, please share this information with your association representatives to help us build a complete list.
