

CITY OF NEW LONDON
Downtown Retail Business District
~ 2023 Building Façade Improvement Grant Program ~
\$3,000 Maximum Grant Funding
Updated: February 2023

INITIAL GRANT APPLICATIONS DUE: FRIDAY, MARCH 31ST, 2023 AT 11:00 AM

INTRODUCTION

The Building Improvement Grant Program has been established by the City of New London and may be utilized alone, in conjunction with the Waupaca County Economic Development Corporation, Retail Revolving Loan Fund Program or with any other private financing.

PURPOSE/MISSION

To improve the retail business climate, encourage the development and maintenance of buildings and improve the front and rear facing facades in downtown New London.

BUILDING IMPROVEMENT PROGRAM

Property owners and businesses in downtown New London are eligible for up to \$3,000.00 in matching grant funds for exterior facade improvements made to their buildings. As a matching grant program, the City will reimburse the property owner for up to 50% of the expense, up to a maximum of \$3,000 (\$3,000 grant funds matched by \$3,000 private funds). The City reserves the right under this program to exceed the maximum grant amount of \$3,000 or number of grants in a year on a case-by-case basis. Grant applications are due by 11:00 am on the last Friday in March for the identified program year. Initial applications will be ranked with priority given to façade improvement projects that can be directly seen from the sidewalk and are located on the following streets as to encourage improvements with upcoming street reconstruction projects:

- North Water Street (between Shawano and Pearl),
- Pearl Street (between the Wolf River Bridge and Waupaca Street)
- State Street, Lincoln Court, St John's Place

Grant applicants are eligible for one grant within a five (5) year time frame, except for properties with an address on the above identified streets in correlation with street reconstruction project zones. Façade improvements must not conflict with public street or sidewalk construction efforts. Street/Sidewalk construction takes priority. If proposed façade work conflicts with any street construction work, grant award may not be approved or may be voided if previously awarded.

Initial grant awards will be announced by the end of April of program year. Other applicants can apply for any remaining funds for identified program year based on a first come first serve basis.
