

Special Events Guide

City of New London ***Reflecting the Pride***

215 N Shawano Street
New London, WI 54961
(920) 982-8500 • www.newlondonwi.org

Welcome!

Thank you for considering hosting your next event in the City of New London! We're proud to partner with many individuals and organizations that offer dozens of diverse and entertaining special events and festivals that make New London an exciting attraction. These events enhance the lives of our citizens and attract visitors to our community.

If you're looking to set up an event for the first time and need some assistance, feel free to contact us as our staff has valuable experience which can lead you to a successful outcome. Contact information for our individual departments can be found on the last page of this guide.

Included in this guidebook is information on all the rules and regulations you will need to know to have a safe and fun celebration. Please read it carefully as City policies and ordinances are periodically updated. The enclosed information should easily guide you step-by-step throughout the process, but if you have questions, don't be afraid to call! Our contact information is on page 13. If you have general questions about the process or filling out the application, please call the New London Parks and Recreation Department.

Obviously, you need time to advertise for your event, which in turn also means we need time to review your requests, so advanced planning is key and can make or break your event!

Application or Paperwork Due	Deadline Due	Late Fee for overdue deadline
<ul style="list-style-type: none">• New Special Event with significant street closing requests	90 days before the Special Event	\$100.00
<ul style="list-style-type: none">• All new financial gain Special Events• All new Special Event's with consumption of alcohol• Recurring Special Event's with significant street closing requests	60 days before the Special Event	\$100.00
<ul style="list-style-type: none">• Reoccurring Special Events• All non-financial gain events	45 days before the Special Event	\$25.00
<ul style="list-style-type: none">• Proof of Compliance for event	20 days before the Special Event	\$50.00

Please keep these timelines in mind as you prepare to market your event. Plan on submitting your requests in advance of your advertising campaign so you have approved permits BEFORE you start spending time and funds to promote your celebration.

Once again, thank you for considering hosting your special event with the City of New London. Organizing an event can be overwhelming and time consuming, but good planning is key. We truly hope your efforts translate into a celebration that is safe, enjoyable and memorable for everyone involved!

So what is a “Special Event”?

Per the City’s special event policy...

Different types of events are permitted by the City of New London. Each type has different requirements, deadlines, and procedures. Marches and Public Assemblies are events on City property that involve First Amendment expressions (i.e., peaceful protests, sit-ins, etc.) Events on City property that do not meet the specific definition of a March or Public Assembly will be reviewed as a Special Event.

Your event is a Special Event if...

- The event is a planned occurrence that takes place in or on City property
- Interferes with normal vehicle/pedestrian traffic or normal use of City property
- Your event does not fit the specific definition of a March or Public Assembly

Your event is a March if...

- The event is a planned grouping of people, of any number, moving from one place to another in or on City property
- Requires a street closing or police officers directing vehicle/pedestrian traffic
- Is not for financial gain
- Is for the purpose of conducting activities protected by the First Amendment of the United States Constitution

Your event is a Public Assembly if...

- The event is a planned, organized public gathering or group of people, of any number, which is reasonably anticipated to obstruct vehicle/pedestrian traffic in one place on City property, or alter the normal use of City property
- The event takes place in one place on City property
- Is not for financial gain
- Is for the purpose of conducting activities protected by the First Amendment of the United States Constitution
- Does not meet the specific definition of a March

Other Special Event Definitions Include:

A **Financial Gain Event** means your event involves “any monetary gain coming from or associated with the event.” This includes, but is not limited to, events with concession/alcohol sales, entrance or registration fees, sponsorships and donations collected. (Any Special Event that is held for gain or profit, by any person or entity, including non-profits.)

A **Recurring Special Event** is an event that has received a Special Event Application from the City of New London for three years in a row and has had no substantial changes made from prior event years in a subsequent Special Event application. To determine if your event is a Recurring Special Event, please contact the Director of Parks & Recreation.

When and where can I hold my special event?

Will your event be held in a City park? If yes, you will first need to contact the New London Parks and Recreation Department to make a park reservation at (920) 982-8521. The City is proud to have over 280 acres of park land and many different facilities for public use. Park rentals are booked as early as 1 year in advance of the event. Fees vary depending on the venue requested. Dates can fill up quickly so the sooner you can make the reservation the more likely you’ll be able to obtain your desired date. Reservations can be made online (www.newlondonwi.org), over the phone or in person at the New London Parks and Recreation office. Special events in City parks may require a map to describe the layout of your event to ensure the event will utilize park resources as they are intended. Before any stakes or materials are driven into the ground, permission must be granted in advance by the Director of Parks & Recreation and all area utilities must be marked by calling Diggers Hotline. Please communicate your plans with Park and Rec staff when you are making the reservation.

Will your event be held on a public street or right-of-way?

If so, a City street closure permit will need to be obtained. There may be some limitations on the use of certain streets during street construction season. Also, keep in mind that if your request is to close a street which is also designated as a county highway, a street closure permit will also be required from the Waupaca or Outagamie County Highway Departments. Examples include: Pearl Street, North Water Street and Shawano Street which are also designated as Business Hwy 45; Division Street is also designated as CTY HWY D. To contact the Waupaca Highway Department for a Street Closure Permit please call 715.258.7152, or the Outagamie Highway Department at 920.832.5673.

Street closures will require a map of your event layout. The map needs to show which streets need to be closed, where barricades need to be placed, where you are proposing to reroute traffic and First Responder access points for businesses on the closed streets. Event sponsors will be responsible for obtaining barricades and placing them in the proper locations (some assistance may be provided with larger events). Will you have adequate parking near your event? Larger events should consider off-site parking with shuttling participants to the celebration. Ensure adequate parking is available and designated near your event for those with disabilities. There is no fee for a street closure permit. If you have questions about street closures or need assistance with your closure plan, please contact the Department of Public Works and the Police Department.

Strike up the Bands, it's time for a parade!

Per Municipal Code 12.18, those looking at sponsoring a parade need to request a special parade permit in addition to the street closure permit. Please see above section in regards to obtaining a street closure permit. Parade permits can be obtained by contacting the New London Chief of Police.

Do I need Security?

Public safety is always the most important factor with any event gathering. So, depending on the event type and the number of people expected, security personnel are required at the event. Each event will designate a person to be in charge of the event who can be contacted at any time by City staff. The number of security personnel required will be determined by the Chief of Police or their designee, as they deem necessary during the application review process. If you have questions on potential security needs, please contact the New London Police Department.

Any event with alcohol sales and/or live music requires 2 reserve deputies for initial event and 1 per every 1000 attendees after that.

Other Events in which it is necessary must obtain Reserve Deputies from the county in which the event is held. Reserve Deputies are the responsibility of the event organizer, with the assistance of the New London Chief of Police.

The cost is \$18.50/hour per deputy.

Example:

Under 1000 people 2 deputies

1000-2000 people 3 deputies

2000 people 4 deputies

If there are no reserve deputies available, the New London Police Department may have to assist in the event to the cost of overtime and costs to supply the officers, this fee is the responsibility of the event organizer.

All Special Events applicants should consider having an emergency action plan to address medical emergencies, natural disasters or events of terrorism. Address any event specific needs depending on location of the event, access points and number of people in attendance. At a minimum, organizers must provide the following;

- Number and type of event staff on scene
- How will those event staff manage medical emergencies; phone tree, radio communication etc.
- What type of medical care or first aid will be on site during the event?
- First Responder access points; important for events that require street closures and barricades
- Accountability for participants if a competitive event; sweeper car etc.
- Communication plan for contacting first responders
- Communication plan for participants and evacuation plan during severe weather

✓ Indicates recommended resource to ensure safety of participants.

What's for dinner?

The City of New London does not require a license for food sales; however, both Waupaca and Outagamie Counties have regulations and may require a Non-Profit Temporary Food Services License. For more information on each county's regulations please contact the respective County Sanitarian at their Health and Human Services Office.

Crank up the music and let's boogie!

If the main purpose of your event is to provide amplified music between the hours of 9:00 p.m. and 6:00 a.m. a special "Outdoor Music Events" permit is required per Municipal Code 17.04(6). This permit may be applied for up to twice per month between Memorial Day through Labor Day to extend the time until midnight. A \$25.00 fee is required. If you have questions on outdoor amplified music, please contact the New London Clerk's Office.

Can I light up the sky?

Per City Ordinance 9.05(1)(e), the lighting of Fireworks or pyrotechnics is prohibited without a special permit approved by the New London City Council. The user fee for this permit is \$100.00 and must be received by the City Clerk no less than 45 days prior to the requested date of use. For more information on Fireworks please contact the New London City Clerk.

No trash talking allowed!

Event planning should include requirements for sanitation and waste management. The last thing you want people to remember is how long they had to wait in line to use a toilet or seeing trash strewn about because there were not enough trash containers (worse yet, how long it took you to clean up the event site because of all the trash laying around!). Please mark on your event map where these items will be placed.

Porta potties and Toilets: Some of our facilities do have restrooms; however, you may need to rent porta potties for your event. The City of New London does not have regulations on toilet facilities; however, Wisconsin Code Com. 55.32 states that approved toilet facilities for each sex shall be provided with the following requirements: 1 toilet for each 75 males, 1 urinal for each 50 males, and 1 toilet for each 30 females. Please note that due to new ADA laws, handicap accessible portable toilets are required to be available with standard sized toilets. Typically, you need 5% of the units to be ADA accessible in a "cluster". These toilets need to have an accessible path to them as well (so placing them in the middle of a grass area is not permitted). Please contact the New London Parks and Recreation Department for more information.

Garbage: If you need garbage cans for your event, please contact the Department of Parks and Recreation. Fifty-five-gallon plastic drum size containers can be borrowed for your event; however, in many cases the event sponsor will be responsible for cleaning them out and disposing of the trash. For larger events, dumpsters can be rented from GFL Environmental by calling (920) 687-2631 *Option 3*.

Recycling: Why think about recycling at a special event? Well, because it's the law! Both Outagamie and Waupaca Counties have special bins available for rent to clearly show people which containers are marked for recycling. For more information about renting these units, call Outagamie County or Waupaca County Solid Waste Departments.

Picnic Tables: Park picnic tables may be available for your event, in general the event holder is responsible for picking up and returning the picnic tables for the event. Please contact the Department of Parks & Recreation for more information.

Are you looking at selling something?

Per Municipal Code 12.05 Transient merchants and sellers may need to be registered and licensed with the City of New London prior to engaging in direct sales or solicitations within the City limits. An application for merchants and solicitors can be obtained at the Clerk's Office and must be accompanied with a \$35.00 processing fee. You will need to include a list of vendor names and contact information with your Special Event Application. For more information on these regulations, please contact the Clerk's Office.

Need some cover?

Tents many times are necessary for an event. However, they are considered "Temporary Structures" and are regulated by fire code to ensure public safety. Below are some of the items that need to be addressed (a more detailed listing can be found at www.newlondonwi.org/fire):

- A permit is required to operate or erect temporary structures, in excess of 200 square feet unless it is used exclusively for camping or on the premises of a one- or two-family dwelling
- A permit must be obtained at least 30 days prior to the operation and construction of a temporary structure. The permit shall be posted or readily accessible at each place of operation. The permit fee is \$25.00.
- Before a permit is issued, the owner or agent shall file with the city of New London a certificate executed by an approved testing laboratory, certifying that the temporary structure and their appurtenances, sidewalls, drops, and tops of temporary structures, canopies, tarpaulins, floor coverings, bunting, combustible decorative materials and effects, including sawdust when used on floors or passageways, shall be composed of flame-resistant material or shall be treated with a flame retardant in an approved manner and meet the requirements for flame resistance as determined in accordance with NFPA 701, and that the flame resistance is effective for the period specified by the permit.
- Tent fabric and structures— must be flame resistant.
- Temporary structures shall not be located within 20 feet of lot lines, buildings, other temporary structures, parked vehicles, or internal combustion engines. Temporary structures may not be erected on any flammable surface.
- Fire extinguishers need to be present.
- Sufficient exits need to be provided and marked.
- Capacity signs will be supplies and are must be clearly displayed.
- No Smoking shall be allowed inside the structure.
- Heating devices shall be approved and UL listed.

If you're planning on having a large tent at your event that will provide shelter for your spectators, please contact the New London Fire Department so you can address the above-mentioned items.

Please provide a map with your tent marked clearly. If the tent is going to be staked in the ground the event organizer is responsible for contacting Diggers Hotline at 800-242-8511 at least 3 days before the post or stakes are driven into the ground. Special Event Tents are not allowed in Hatten Stadium.

Will Alcohol be sold?

If you plan on selling beer or wine at your event, a "Temporary Class B Liquor License" (per Municipal Code 12.02(3)) will be required. Temporary licenses can only be granted to bona fide non-profit clubs which have been in existence for at least 6 months prior to the application. On the day of the event, at least one person who holds a valid City of New London operator's (bartender's) license or temporary operator's license must be present during all sales and everyone serving alcohol needs to be within earshot of a person with a bartender's license. All individuals serving alcohol must be 18 years old or older. The fee for a Temporary Class "B" Liquor License is \$1.00 per day. For more information on all of these licenses/permits, please contact the New London City Clerk's Office.

Also please refer to the Security Section above in regards to securing Reserve Deputies for your event.

Thinking of playing with matches and having a bonfire?

Well think again! Strict regulations are in place to protect the public from the dangers of spreading fires. In general, per Municipal Code 9.12, open fires and bonfires are strictly prohibited. There are exceptions to this rule like outdoor cooking in structures designed for that use and ceremonial burning of American flags. Special permits may be necessary to obtain for these types of fires. For more information please contact the New London City Clerk and the New London Fire Department.

Sorry, can't bring Fido to the parade...

Special events are great for people, but many times they are not so great for your favorite pet. For example, large groups of people or loud vehicles at a parade can frighten an animal and make them do things they may not normally do. Per Municipal Code 9.41, animals are prohibited on public property at any time the public is invited to an event. Exceptions do apply when the event permit holder gives written permission that specific animals are allowed to the event (say for a dog show or horses in a parade), or any dog specifically trained to assist persons of disability or emergency personnel. For more information please contact the New London Clerk's Office.

Do you see the light?

Are you in need of special electricity needs at your event? Depending on where the event is located, New London Utilities may be able to supply extra temporary power at your event site. If not, you may need to consider renting a generator for your event. If the event is located on public property, advance permission is required before temporary electrical changes can be made as you may be responsible for those electrical costs. Contact the New London Public Works Department for permission and New London Utilities for temporary electrical service possibilities.

How high can you jump?

Are you looking at having a bounce house or another type of air inflated equipment on city property? If you are, we want to make sure everyone is protected as injuries and lawsuits sometimes occur. The city's policy requires you to have signed an indemnification form and have a \$2,000,000 insurance policy protecting you and the city in case an injury and lawsuit occurs. If you have additional questions, please call the New London Parks and Rec office.

Let's include everyone!

In 2010 the federal government passed new ADA (American Disabilities Act) regulations which required municipalities to make special accommodations so that those with disabilities have opportunities to access the same programs and services that everyone else can. For example, if your event is held in the middle of a grass area in a city park, considerations will need to be made to allow those with mobility disabilities access to the event as grass is not considered an accessible surface. Please contact the New London Parks and Recreation Department, if you need guidance making your event ADA accessible.

Insurance? Yep, you need it!

For most events, depending on the number of spectators and the types of activities, the City of New London has special insurance requirements that need to be followed. Special events fall into three classifications which have different requirements.

Low Exposure Special Events are events involving no physical activity by participants, no severe exposure of spectators to hazards, no alcoholic beverages and crowd sizes up to 250 persons. Low exposure events shall include, but are not limited to: indoor and outdoor meetings, small theatrical performances, and auctions. Low exposure events do not require certificates of insurance; however, the sponsoring organization is responsible for any losses which may occur as a result of their activity and is encouraged to carry adequate insurance to protect them and must indemnify the City.

Level 1 Exposure Special Events are special events involving alcoholic beverages, no severe exposure of participants/spectators to hazards, and crowd sizes between 250 and 10,000 persons. Level 1 hazard events shall include, but not be limited to: dances, animal shows, sporting events, large political rallies, flea markets, circuses/carnivals with rides and small/medium parades. See Exhibit A on the following pages for Level 1 Exposure Special Event requirements.

Level 2 Exposure Special Events are those events involving the use of Bounce Houses and/or other air inflated equipment. See Exhibit B on the following pages for Level 2 Exposure Special Event requirements.

Level 3 Exposure Special Events are those events involving crowd sizes over 10,000 or any event with high exposure activities like fireworks and vehicle races. See Exhibit C on the following pages for Level 3 Exposures Special Event requirements.

If you don't know which classification your event would fall under, give the Department of Parks & Recreation a call and we'll assist you the best we can. All insurance documents are due in the Department of Parks & Recreation at least one week prior to your event; otherwise your event will be cancelled.

Exhibit A"
LEVEL 1 EXPOSURE EVENTS
INSURANCE/INDEMNIFICATION REQUIREMENTS
FOR CITY OF NEW LONDON

It is hereby agreed and understood that the insurance required by the City of New London is primary coverage and that any insurance or self-insurance maintained by the City of New London, its officers, council members, agents, employees or authorized volunteers will not contribute to a loss. This insurance shall be written for not less than any limit of liability specified herein, or required by law, whichever is greater, notwithstanding that the policy may have lower limits applying elsewhere in the policy. All applicable insurance and endorsements shall be in full force and evidenced prior to commencing the event and remain in force throughout the entire event, including the clean-up period after the event.

GENERAL LIABILITY COVERAGE

- A. Commercial General Liability
 - (a) \$1,000,000 general aggregate
 - (b) \$1,000,000 products - completed operations aggregate
 - (c) \$1,000,000 personal injury and advertising injury
 - (d) \$1,000,000 each occurrence limit
- B. Claims made form of coverage is not acceptable.
- C. Insurance must include:
 - (a) Premises and Operations Liability
 - (b) Blanket Contractual Liability including coverage for the joint negligence of the City of New London, its officers, council members, agents, employees, authorized volunteers and the named insured
 - (b) Independent Contractors

BUSINESS AUTOMOBILE COVERAGE

- A. Minimum limits - \$250,000 each person/\$500,000 each accident for Bodily Injury and \$100,000 for Property Damage
- OR
- \$500,000 Combined Single Limit for Bodily Injury and Property Damage each accident
- B. Must cover liability for "Any Auto" - including Owned, Non-Owned and Hired Automobile Liability

WORKERS COMPENSATION AND EMPLOYERS LIABILITY

- A. Must carry coverage for Statutory Workers Compensation and Employers Liability minimum limit of:
 \$100,000 Each Accident
 \$500,000 Disease Policy Limit
 \$100,000 Disease - Each Employee

AIRCRAFT LIABILITY (including helicopter) - Owned, Non-Owned or hired.

- A. If this exposure shall exist, the minimum limit must be at least \$5,000,000 combined single limit for bodily injury (injury passenger liability) and property damage.
- B. Any liability exclusions relating to slung cargo must be deleted.

LIQUOR LIABILITY - If the event holder is selling alcoholic beverages then Liquor Liability with the following limit and coverage must be carried:

- A. Minimum limits - \$500,000 each occurrence/ \$500,000 aggregate

ADDITIONAL PROVISIONS

*** Additional Insured –**

On the General Liability Coverage, Aircraft Liability, and Liquor Liability. City of New London, and its officers, council members, agents, employees, and authorized volunteers shall be "Additional Insureds."

*** Endorsement -**

The Additional Insured Policy endorsement must accompany the Certificate of Insurance.

*** Indemnification –**

The Applicant/organization shall indemnify, defend, and hold harmless the City and its officers, employees, and volunteers from and against any and all claims, damages, losses, and expenses arising out of the applied for activity/event except where caused by the sole negligence or willful misconduct of the City.

*** Certificates of Insurance -**

A copy of the Certificate of Insurance must be on file with the Risk Management.
