Do you wish to accompany a veteran on an Honor Flight? Guardians accompany our veterans on the Honor Flight to ensure a safe and enjoyable trip. Guardians are asked to pay the cost of their travel, which includes airfare, bus transportation, meals and a souvenir shirt. All guardians must attend a training session prior to the flight.

Do you want to get more involved? Join our team of dedicated volunteers by hosting a fundraiser, help us in the office, participate in Mail Call or attend a Welcome Home Celebration. See our website for details.

“I should have died over there, like my friends did. I thank God every day I'm still here. Seeing their names on The Wall was hard but therapeutic. Thank you for helping me heal.”

- Rod, a Vietnam Veteran -

Our Mission... is to offer our local World War II, Korean and Vietnam War veterans a memorable, safe and rewarding tour of honor to our nation's capital. It's a whirlwind tour. This trip happens all in one day and is completely free of charge to the vet! The Honor Flight is a meaningful way for our community to express gratitude and appreciation to the brave men and women who served our country.

We are dedicated to making this trip as safe as possible. Trained volunteer guardians are assigned to accompany every veteran plus we travel with volunteer medical professionals to keep our vets safe.
