

MEMORIAL OR IN HONOR OF TREE PROGRAM

Through this program the public can donate a tree to commemorate a life event or as a memorial to a loved one. Large shade trees such as oak, or hickory nut are available as are the ornamental species such redbud or pear.

Cost & materials: \$350.00 includes tree, 7x5 bronze plaque and on going maintenance, mulching, pruning etc.

These trees are a living thing so longevity can not be guaranteed but if it succumbs in its first 10 years it will be replaced with no additional cost.

PLANTING & INSTALLATION

When: Trees ordered March through September will be planted in late fall. Trees ordered October to April will be planted in the spring.

Where: The Parks and Recreation Director will work with you on the location that works best for both of you based off of your desires and the City's Tree Inventory.

How: Your involvement in planting is entirely up to you. We can do the planting, we can plant with you or we can stage your planting and provide you privacy during your own planting time.
