NEW LONDON VETERANS MEMORIAL

*Remembering the past,
honoring the present,
building the future*

INFORMATION

The Veterans Memorial was envisioned and brought to life by a group of veterans who made it their goal to provide the City of New London and the surrounding areas a place to remember the past, honor the present and build the future for area veterans. They have taken great pride in the memorial and the City of New London is honored to have it as a central part of our downtown area.

The Veteran's Memorial is primarily funded by private support. To enable us to maintain this Memorial we are asking you for a donation of \$150.00. This contribution entitles you to a Tribute Brick in the Wall of Honor. The Brick is a 4"x8" place on the Veteran's Memorial Wall. Lettering is limited to 3 lines, 17 characters per line, with no punctuation and is subject to the approval of the Parks and Recreation Committee.
