---EVERYONE WELCOME---

The New London Veterans Memorial Foundation is representative of the following Veteran groups:

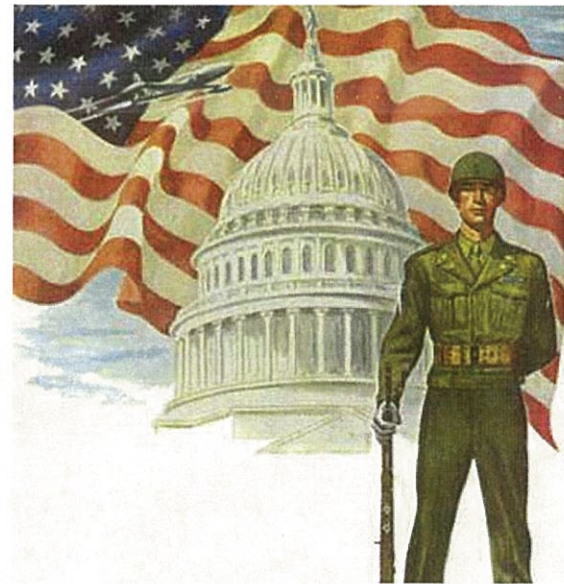

- Veterans of Foreign Wars (VFW)
- American Legion
- Disabled American Veterans (DAV)
- American Veterans (AMVETS)

The Veterans Memorial, which we hope to present to the City and the people of New London, will make one and all proud of our heritage. The sons and daughters who have continued the traditions and values which are meant to endear each and every one of us with people we do not know but who understand that which enables the freedoms we are enjoying today. Freedom is not free! It takes sacrifice from those who are willing to do what must surely be done to ensure that the people of this great nation will continue to live under the Stars & Stripes, forever. Long may 'Old Glory' wave... dear God... long may She wave.

FELLOW AMERICANS

The concept of having a New London Veterans Memorial began when one of our own veterans simply asked, "Why don't we have one?" A simple question, but not with a simple answer.

We began planning in October 2014. On a cold, windy day in November, seven members took to the highway and visited numerous other memorials. It took about 8 hours just looking and admiring each and every one of them.

We saw Memorials ranging from the simple to the complex. We discussed what we wished to do and how to do it. But mostly, we discussed how to raise the money to do what is to be done. We know this will be costly, but we are determined to see it done! Some of us will be gone before its completion while others may never be able to appreciate it because of

illness, but we all know it is something this city does need and must have at any cost.

To enable us to complete this Memorial we ask you to purchase a Tribute Brick in honor and memory of a veteran for a payment of \$150.00. This contribution entitles you to a Tribute Brick on the Wall of Honor in the name of any veteran you choose.
